Section 1. Section 5-2-301, MCA, is amended to read:

**"5-2-301. Compensation and expenses for members while in session.** (1) *Except as provided in subsection (7), legislators* are entitled to a salary commensurate to that of the daily rate of a grade 8, step 2, classified state employee in effect when the regular session of the legislature in which they serve is convened under 5-2-103 for those days during which the legislature is in session. The president of the senate and the speaker of the house shall receive an additional $5 a day in salary for those days during which the legislature is in session.

(2) Legislators may serve for no salary.

(3) Legislators are entitled to $50 a day, 7 days a week, during a legislative session, as reimbursement for expenses incurred in attending a session. Expense payments shall stop when the legislature recesses for more than 3 days and shall resume when the legislature reconvenes.

(4) Legislators are entitled to a mileage allowance as provided in 2-18-503 for each mile of travel to the place of the holding of the session and to return to their place of residence at the conclusion of the session.

(5) In addition to the mileage allowance provided for in subsection (4), legislators, upon submittal of an appropriate claim for such mileage reimbursement to the office of the legislative council, are entitled to:

(a) three additional round trips to their place of residence during each regular session; and

(b) such additional round trips as are authorized by the legislature during special session.

(6) Legislators are not entitled to any additional mileage allowance under subsection (4) for a special session if it is convened within 7 days of a regular session.

HeinOnline -- 1989 vol. I 1 1989

*(7) In lieu of the salary provided for in subsection (1) and the expense allowance provided for in subsection (3), a legislator may receive remuneration for services performed during a legislative session. A legislator choosing to receive remuneration for services performed shall file a request to receive payment under this subsection with the accounting office of the legislative council. A legislator exercising the option to receive remuneration for services performed may not receive more remuneration than legislators paid pursuant to subsections (1) and (3). Remuneration for services performed must be reduced $50 a day when the legislature recesses for more than 3 days."*

However, if time spent for business other than authorized legislative business results in lengthening a legislator's stay away from home into an additional 24-hour period, he may not be compensated for the additional day."

government subdivisions of this state to enter into mutual aid agreements, on the basis of mutual advantage, with one or more fire protection services, emergency medical care providers, or local government subdivisions of any other state or the United States in order to facilitate and coordinate efficient, cooperative firefighting efforts directed toward protection of life and property in areas transcending state boundaries that, due to geographic remoteness, population sparsity, and economic or other factors, are in need of such services.

Section 3. **Definitions.** As used in [this act], unless the context requires otherwise, the following definitions apply:

(3) "Local government subdivision" means the local governmental entity, other than state government, including but not limited to incorporated towns and cities, townships, and counties.

(4) "Mutual aid agreement" or "agreement" means an agreement, consistent with the purposes of [this act], by one or more fire protection services, emergency medical care providers, or local government subdivisions of this state with one or more fire protection services, emergency medical care providers, or local government subdivisions of any other state or the United States.

The agreement must be authorized and approved by the governing body of each party to the agreement that is not an agency of the United States government.

(2) The agreement must fully set forth the powers, rights, and obligations of the parties to the agreement.

(3) A mutual aid agreement grants a fire protection service or emergency medical care provider of this state authority to operate outside of the state and grants authority for a fire protection service or emergency medical care provider of another state or the United States to operate within this state as if the fire service or emergency medical care provider were organized and operated under the laws of this state.

This state may maintain an action against any fire protection service, emergency medical care provider, or local government subdivision whose default, failure, performance, or other conduct caused or contributed to a liability incurred by the state.

Section 7. **Agreement not to relieve agency of duties.** No agreement made under [this act] may relieve any fire protection service, emergency medical care provider, or local government subdivision of this state of a duty imposed upon it by law. Timely performance of such a duty by a joint board or other legal or administrative entity created by a mutual aid agreement may be offered in satisfaction of the duty.

Section 8. **Limitation of powers.** Except for the right granted by [this act] to jointly exercise powers, [this act] does not authorize any fire protection service, emergency medical care provider, or local government subdivision of this state to exercise a power that it is not otherwise authorized to exercise.

Section 9. **Submission of agreement to attorney general.** (1) As a condition precedent to an agreement becoming effective under [this act], the agreement must be submitted to and receive the approval of the state attorney general.

HeinOnline -- 1989 vol. I 6 1989

Section 12. **Effect of other law.** The procedures and remedies provided in [this act] apply to the exclusion of those remedies and procedures for interlocal agreements generally under Title 7, chapter 11, part 1.

Each distributor shall at the same time file security with the department in an amount to be determined by the department. However, the required amount of security may not exceed twice the estimated amount of gasoline taxes the distributor will pay to this state each month. Upon approval of the application, the department shall issue to the distributor a nonassignable license which shall continue in force until surrendered or canceled.

(2) Any person who engages in the wholesale distribution of gasoline in this state exercising the option under 15-70-201(6)(c) shall pay an annual license fee of $200 and upon renewal of the license shall pay an annual fee of $200.

(2) Gasoline exported shall not be included in the measure of the distributor's license tax.

(3) Alcohol that is blended or is to be blended with gasoline to be sold as gasohol is subject to a tax per gallon equal to the license tax imposed on nonaviation gasoline distributors under subsection (1)."

Section 4. Section 15-70-209, MCA, is amended to read:

**"15-70-209. Information reports.** (1) Any person receiving gasoline, including every *exporter*, common carrier, private carrier, and contract carrier of property who shall haul, receive, transport, or ship any gasoline from any other state or foreign country into this state or from this state to any other state or foreign country or from any refinery or pipeline terminal in this state to another point within this state, shall submit to the department of revenue, upon its request and within the time specified, a statement showing the number of gallons of gasoline contained in each shipment in interstate commerce and the movement of such products from any refinery or pipeline terminal located within this state to another point within this state during the preceding calendar month, the names and addresses of the consignor and the consignee, and the date of delivery to the consignee.

(2) In case of any person, except licensed distributors *or exporters*, who refuses or fails to file a statement as herein provided for, there is hereby imposed a penalty of $25 for each failure or refusal; provided, however, that if any person shall establish to the satisfaction of the department that his failure to file a statement as prescribed by the department was due to reasonable cause, the department shall waive the penalty."

Section 5. Section 15-70-221, MCA, is amended to read:

**"15-70-221. Refund authorized.** (1) Any person who shall purchase and use any gasoline on which the Montana gasoline license tax has been paid for denaturing alcohol to be used in gasohol or operating or propelling stationary gasoline engines, tractors used off the public highways and streets, or for any commercial use other than propelling vehicles upon any of the public highways or streets of this state shall be allowed a refund of the amount of tax paid directly or indirectly on the gasoline so used. Such refund or drawback should in no instance exceed the tax paid or to be paid to the state and no refund shall be allowed of that portion of the tax per gallon upon aviation gasoline allocated to the department of commerce by 67-1-301.

(2) Any distributor paying the gasoline license tax to this state erroneously shall be allowed a credit or refund of the amount of tax so paid.

*(3) Any person who purchases and exports for sale, use, or consumption outside Montana any gasoline on which the Montana gasoline tax has been paid is entitled to a credit or refund of the amount of tax so paid upon completion of the information reports required under 15-70-209 and presentation to the department of such other proof of delivery outside Montana as it may by rule require."*

Section 6. Section 15-70-222, MCA, is amended to read:

"**15-70-222. Required records.** (1) Gasoline purchased and delivered into bulk storage for use in motor vehicles on public roads and nonhighway use must be fully accounted for by detailed withdrawal records to accurately show the manner in which used. Gasoline on hand, determined by actual measurement, shall be deducted from a claim and shall be reported as an opening inventory on the next claim.

(2) If separate storage tanks are maintained on claimant's premises for use in licensed vehicles and in unlicensed equipment, the bulk delivery invoices shall be so marked by the dealer at the time of delivery. No further record is required, provided refunds are claimed only on the number of gallons delivered into the unlicensed equipment tank. Withdrawal of gasoline from the unlicensed vehicle tank for licensed vehicles will invalidate this method of determining refundable gallonage.

(3) Special storage facilities used for certain periods must be identified and explained. If such storage is used entirely for off-highway purposes and is not used in licensed vehicles, no records will be required other than purchase invoices showing the delivery into such storage.

(4) Service stations, bulk dealers, and marinas must prepare a separate and complete invoice for each withdrawal of gasoline for own use upon which a refund is to be claimed.

(5) When no highway use of gasoline is deducted from the claim, the applicant must substantiate purchases of gasoline and miles traveled for licensed motor vehicles upon request of the department of revenue.

(6) Any person who operates a licensed motor vehicle on and off the public roads for commercial purposes may claim refund of the state license tax on the gasoline used to operate the vehicle on roads or property in private ownership if such person has maintained the following records:

(a) the total number of miles traveled on and off public roads by each licensed vehicle;

(b) total gallons of gasoline used in each vehicle;

(c) purchase invoices supporting all gasoline handled through bulk storage, as well as all fuels purchased at service stations or received from other sources.

*(7) An exporter or any other person who transports gasoline out of Montana for sale, use, or consumption outside of Montana shall maintain detailed and contemporaneous records of withdrawal, transportation, ownership, and delivery of the gasoline to destinations outside of Montana as required by the department of revenue.*"

HeinOnline -- 1989 vol. I 13 1989

Section 9. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 15-7-102, MCA, is amended to read:

**"15-7-102. Notice of classification and appraisal to owners — appeals.** (1) It shall be the duty of the department of revenue, *through its agent as specified in subsection (2),* to cause to be mailed to each owner and purchaser under contract for deed a notice of the classification of the land owned or being purchased by him and the appraisal of the improvements thereon only if one or more of the following changes pertaining to the land or improvements have been made since the last notice:

(a) change in ownership;

(b) change in classification;

(c) change in valuation; or

(d) addition or subtraction of personal property affixed to the land.

(2) The *county assessor shall assign each assessment to the correct owner or purchaser under contract for deed and mail the* notice of classification and appraisal on a standardized form, adopted by the department, containing sufficient information in a comprehensible manner designed to fully inform the taxpayer as to the classification and appraisal of his property and of changes over the prior tax year.

(3) If the owner of any land and improvements is dissatisfied with the appraisal or classification of his land or improvements, he may submit his objection in writing to the department's agent. The department shall give reasonable notice to *the* taxpayer of the time and place of hearing and hear

HeinOnline -- 1989 vol. I 14 1989

Thereafter, the department shall determine the true and correct appraisal and classification of *the* land or improvements and notify the taxpayer of its determination. In the notification, the department must state its reasons for revising the classification or appraisal. When so determined, the land shall be classified and improvements appraised in the manner ordered by the department.

(4) Whether a hearing as provided in subsection (3) is held or not, the department or its agent may not adjust an appraisal or classification upon taxpayer's objection unless:

(a) the taxpayer has submitted his objection in writing; and

(b) the department or its agent has stated its reason in writing for making the adjustment.

(5) A taxpayer's written objection to a classification or appraisal and the department's notification to the taxpayer of its determination and the reason for that determination are public records. Each county appraiser shall make *the* records available for inspection during regular office hours.

(6) If any property owner shall feel aggrieved at the classification and/or the appraisal made by the department, he shall have the right to appeal to the county tax appeal board and then to the state tax appeal board, whose findings shall be final subject to the right of review in the proper court or courts. While the property owner may appeal the base year valuation and classification determination, the property owner may not appeal the yearly percentage adjustments that are specified in 15-7-111 and that may be made as a result of the sales assessment ratio study. The property owner may not appeal the stratum or area designations as specified in 15-7-111."

Section 2. Section 15-10-202, MCA, is amended to read:

Exclusive of new construction, improvements, and deletions, the department *or its agent* shall certify to each taxing authority a millage rate which will provide the same ad valorem revenue for each taxing authority as was levied during the prior year. For the purpose of calculating the certified millage, the department *or its agent* shall use 95% of the taxable value appearing on the roll, exclusive of properties appearing for the first time on the assessment roll."

Section 3. Section 15-10-206, MCA, is amended to read:

**"15-10-206. Exceptions for decisions of tax appeal boards.** The department *or its agent* shall notify each taxing authority of any change in

the assessment roll which results from actions by the state or county tax appeal boards. An increase in the taxing authority's millage above that certified by the department *or its agent* or adopted by resolution or ordinance of the governing body of the taxing authority which is required solely by a reduction of the assessment roll by the state or county tax appeal board may be adopted without further notice."

Section 4. Section 15-15-102, MCA, is amended to read:

"**15-15-102. Application for reduction in valuation.** No reduction may be made in the valuation of property unless the party affected or his agent makes and files with the county tax appeal board on or before the first Monday in June or 15 days after receiving a notice of classification and appraisal from the department of revenue *or its agent*, whichever is later, a written application *for reduction*. The application shall state the post-office address of the applicant, shall specifically describe the property involved, and shall state the facts upon which it is claimed *the* reduction should be made."

(b) A person listed in subsection (2)(a) who recommends dismissal of a teacher shall give notice of the recommendation in writing to each trustee of the district and to the teacher.

HeinOnline -- 1989 vol. I 37 1989

(c) The notice must state the specific instances of behavior or acts that led to the recommendation for dismissal.

(3) (a) Whenever the trustees of any district receive a recommendation for dismissal, the trustees shall notify the teacher of his right to a hearing before the trustees either by certified letter or by personal notification for which a signed receipt must be returned. The teacher may in writing waive the right to a hearing. Unless the teacher waives the right to a hearing, the teacher and trustees shall agree on a hearing date not less than 5 days or more than 20 days from the notice of intent to recommend dismissal.

(b) The trustees shall conduct a hearing on the recommendation and resolve at the conclusion of the hearing to dismiss the teacher or to reject the recommendation for dismissal.

(4) With the exception of a county superintendent, a person who recommends dismissal pursuant to subsection (2) may suspend the teacher from active performance of duty with pay pending the hearing date if the teacher's behavior or acts that led to the recommendation for dismissal are contrary to the welfare of the students or the effective operation of the school district.

(5) Any teacher who has been dismissed may in writing within 10 days appeal such dismissal to the county superintendent. Following such appeal, a hearing *must* be *scheduled* within 10 days *and held within 30 days after the appeal, except that the period may be extended upon agreement between the teacher and the trustees.* If the county superintendent, after a hearing, determines that the dismissal by the trustees was made without good cause, he shall order the trustees to reinstate such teacher and to compensate such teacher at his contract amount for the time lost during the pending of the appeal."

[HB 4]

AN ACT CLARIFYING THE RATE OF SEVERANCE TAX ON CERTAIN COAL; AMENDING SECTIONS 15-35-102, 15-35-103, AND 15-35-202, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 15-35-102, MCA, is amended to read:

**"15-35-102. Definitions.** As used in this chapter, the following definitions apply:

HeinOnline -- 1989 vol. I 39 1989

(1) "Agreement" means a signed contract that is valid under Montana law between a coal mine operator and a purchaser or broker for the sale of coal that is produced in Montana.

(2) (a) "Base consumption level" for a purchaser, except as provided in subsection (2)(b), *applies only for the term of an agreement in effect as of December 31, 1984, and* means the lesser of:

(i) the volume of coal purchased during calendar year 1986 from all Montana coal mine operators; or

(ii) the greater of:

(A) the arithmetic average volume of coal purchased during calendar years 1983 and 1984 from all Montana coal mine operators; or

(B) 90% of the maximum tonnage provided for in any agreement executed prior to January 1, 1985, for which the highest scheduled minimum quantity of coal stipulated by the terms of the agreement as they existed on January 1, 1985, has not been purchased at any time during the term of the agreement, plus the arithmetic average volume of coal purchased during calendar years 1983 and 1984 from all Montana coal mine operators under all other agreements.

(b) If the volume calculated in subsection (2)(a)(i) is less than one-third of the volume calculated in subsection (2)(a)(ii), the base consumption level is the volume calculated in subsection (2)(a)(ii).

(3) (a) Except as provided in subsection (3)(b), "base production level" for a coal mine operator *applies only for the term of an agreement in effect as of December 31, 1984, and* means the lesser of:

(i) the arithmetic average volume of coal produced in Montana and sold to a purchaser in calendar years 1983 and 1984; or

(ii) the volume of coal produced in Montana and sold to a purchaser in 1986.

(b) If the amount calculated in subsection (3)(a)(ii) is less than one-third of the amount calculated in subsection (3)(a)(i), the base production level is the amount calculated in subsection (3)(a)(i).

(4) "Broker" means any person who resells Montana coal.

(5) "Contract sales price" means either the price of coal extracted and prepared for shipment f.o.b. mine, excluding that amount charged by the seller to pay taxes paid on production, or a price imputed by the department under 15-35-107. Contract sales price includes all royalties paid on production, no matter how such royalties are calculated. However, with respect to royalties paid to the government of the United States, the state of Montana, or a federally recognized Indian tribe, the contract sales price includes only:

(a) for quarterly periods ending on and after September 30, 1984, 15 cents per ton plus 75% of the difference between 15 cents per ton and the amount of such federal, state, and tribal government royalties actually paid;

HeinOnline -- 1989 vol. I 40 1989

(b) for quarterly periods ending on and after September 30, 1985, 15 cents per ton plus 50% of the difference between 15 cents per ton and the amount of such federal, state, and tribal government royalties actually paid;

(c) for quarterly periods ending on and after September 30, 1986, 15 cents per ton plus 25% of the difference between 15 cents per ton and the amount of such federal, state, and tribal government royalties actually paid; and

(d) for quarterly periods ending on and after September 30, 1987, 15 cents per ton.

(6) "Department" means the department of revenue.

(7) "Energy conversion process" includes any process by which coal in the solid state is transformed into slurry, gas, electric energy, or any other form of energy.

(8) "Incremental production" means that quantity of coal produced annually by a coal mine operator and sold to a qualified purchaser that exceeds the base production level of the coal mine operator for that purchaser, but only to the extent the quantity of coal exceeds that purchaser's base consumption level from all Montana producers.

(9) "Produced" means severed from the earth.

(10) "Purchaser" means a person who purchases or contracts to purchase Montana coal directly from a coal mine operator or indirectly from a broker and who utilizes that coal in any industrial, commercial, or energy conversion process. A coal broker or any other third party intermediary is not a purchaser under the provisions of this chapter.

(11) "Qualified purchaser" means a purchaser whose purchases of Montana coal in any given year exceed his base consumption level. A purchaser of Montana coal who enters into a coal agreement with another purchaser or a broker that causes a reduction in the base consumption level of a purchaser is not a qualified purchaser.

(12) "Strip mining" is defined in 82-4-203 and includes "surface mining".

(13) "Taxes paid on production" includes any tax paid to the federal, state, or local governments upon the quantity of coal produced as a function of either the volume or the value of production and does not include any tax upon the value of mining equipment, machinery, or buildings and lands, any tax upon a person's net income derived in whole or in part from the sale of coal, or any license fee.

(14) "Ton" means 2,000 pounds.

(15) "Underground mining" means a coal mining method utilizing shafts and tunnels and as further defined in 82-4-203."

Section 2. Section 15-35-103, MCA, is amended to read:

**"15-35-103. Severance tax — rates imposed.** (1) *Subject to the provisions of 15-35-202 allowing a new coal production incentive tax credit,* a severance tax is imposed on each ton of coal produced in the state in accordance with the following schedule:

| 7,000 *and over* | 25% of value | 4% of value |

*(2)* "Value" means the contract sales price.

*(3)* The formula which yields the greater amount of tax in a particular case shall be used at each point on these schedules.

*(4)* A person is not liable for any severance tax upon 50,000 tons of the coal he produces in a calendar year, except that if he produces more than 50,000 tons of coal in a calendar year, he will be liable for severance tax upon all coal produced in excess of the first 20,000 tons.

*(5)* A new coal production incentive tax credit may be claimed on certain coal as provided in 15-35-202."

Section 3. Section 15-35-202, MCA, is amended to read:

**"15-35-202. New coal production incentive tax credit allowed — application limited.** (1) A coal mine operator is entitled to a new coal production incentive tax credit against the tax imposed under 15-35-103 of:

(a) 40% for incremental production sold *after June 30, 1988, and before July 1,* 1990; *and*

*(b) 25% for incremental production sold after June 30, 1990, and before July 1, 1991.*

# CHAPTER NO. 33

[HB 21]

AN ACT TO EXEMPT EMPLOYMENT OF DEPENDENT MEMBERS OF AN EMPLOYER'S FAMILY FROM THE WORKERS' COMPENSATION ACT; AMENDING SECTION 39-71-401, MCA; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, section 39-71-401(2)(a), MCA, excludes employment of members of an employer's family dwelling in the employer's household from application of the Workers' Compensation Act unless the employer elects coverage; and

WHEREAS, the Montana Supreme Court determined in Cottrill v. State Compensation Insurance Fund, 44 St. Rep. 1762 (1987), that the Legislature failed to indicate a legitimate state interest or objective in excluding such employments from the Workers' Compensation Act and therefore voided the statutory family member exemption; and

WHEREAS, a person has both legal and moral duties to provide for the needs of members of his family who are dependent upon him for support; and

WHEREAS, the obligation of providing workers' compensation insurance for dependent family member employees in addition to other family support obligations creates an undue economic hardship on family employers and may discourage and inhibit such employment; and

WHEREAS, workers' compensation insurance may overlap coverage provided under other nonwork-related insurance that the family employer may wish to provide for dependent members of his family; and

WHEREAS, the distinction between performance of normal family responsibilities and "employment" for which workers' compensation coverage is required is in many instances difficult to determine within a family unit, and the uncertainty of what constitutes family employment may result in many employers being unintentionally uninsured, resulting in unknown liabilities for the state compensation insurance fund and the uninsured employer's fund.

THEREFORE, the Legislature of the State of Montana finds it is reasonable and necessary to exclude from the Workers' Compensation Act employment of dependent members of the employer's immediate family for whom an exemption may be claimed under the federal Internal Revenue Code.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 39-71-401, MCA, is amended to read:

**"39-71-401. Employments covered and employments exempted.** (1) Except as provided in subsection (2) of this section, the Workers' Compensation Act applies to all employers as defined in 39-71-117 and to all

HeinOnline -- 1989 vol. I 44 1989

employees as defined in 39-71-118. An employer who has any employee in service under any appointment or contract of hire, expressed or implied, oral or written, shall elect to be bound by the provisions of compensation plan No. 1, 2, or 3. Every employee whose employer is bound by the Workers' Compensation Act is subject to and bound by the compensation plan that has been elected by the employer.

(2) Unless the employer elects coverage for these employments under this chapter and an insurer allows such an election, the Workers' Compensation Act does not apply to any of the following employments:

(a) household and domestic employment;

(b) casual employment as defined in 39-71-116;

(c) employment of *a dependent member* of an employer's family *for whom an exemption may be claimed by the employer under the federal Internal Revenue Code*;

(d) employment of sole proprietors or working members of a partnership, except as provided in subsection (3);

(e) employment of a broker or salesman performing under a license issued by the board of realty regulation;

(f) employment of a direct seller engaged in the sale of consumer products, primarily in the customer's home;

(g) employment for which a rule of liability for injury, occupational disease, or death is provided under the laws of the United States;

(h) employment of any person performing services in return for aid or sustenance only, except employment of a volunteer under 67-2-105;

(i) employment with any railroad engaged in interstate commerce, except that railroad construction work is included in and subject to the provisions of this chapter;

(j) employment as an official, including a timer, referee, or judge, at a school amateur athletic event, unless the person is otherwise employed by a school district;

(k) any person performing services as a newspaper carrier or free-lance correspondent if the person performing the services or a parent or guardian of the person performing the services in the case of a minor has acknowledged in writing that the person performing the services and the services are not covered. As used in this subsection "free-lance correspondent" is a person who submits articles or photographs for publication and is paid by the article or by the photograph. As used in this subsection "newspaper carrier":

(i) is a person who provides a newspaper with the service of delivering newspapers singly or in bundles; but

(ii) does not include an employee of the paper who, incidentally to his main duties, carries or delivers papers.

HeinOnline -- 1989 vol. I 45 1989

(3) (a) A sole proprietor or a working member of a partnership who holds himself out or considers himself an independent contractor [and who is not contracting] for cosmetologist's services or barber's services as defined in 39-51-204(1)(l) must elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3, but he may apply to the division for an exemption from the Workers' Compensation Act for himself.

(b) The application must be made in accordance with the rules adopted by the division. The division may deny the application only if it determines that the applicant is not an independent contractor.

(c) When an application is approved by the division, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter.

(d) When an election of an exemption is approved by the division, the election remains effective and the independent contractor retains his status as an independent contractor until he notifies the division of any change in his status and provides a description of his present work status.

(e) If the division denies the application for exemption, the applicant may contest the denial by petitioning for review of the decision by an appeals referee in the manner provided for in 39-51-1109. An applicant dissatisfied with the decision of the appeals referee may appeal the decision in accordance with the procedure established in 39-51-2403 and 39-51-2404.

(4) (a) A private corporation shall provide coverage for its officers and other employees under the provisions of compensation plan No. 1, 2, or 3. However, pursuant to such rules as the division promulgates and subject in all cases to approval by the division, an officer of a private corporation may elect not to be bound as an employee under this chapter by giving a written notice, on a form provided by the division, served in the following manner:

(i) if the employer has elected to be bound by the provisions of compensation plan No. 1, by delivering the notice to the board of directors of the employer and the division; or

(ii) if the employer has elected to be bound by the provisions of compensation plan No. 2 or 3, by delivering the notice to the board of directors of the employer, the division, and the insurer.

(b) If the employer changes plans or insurers, the officer's previous election is not effective and the officer shall again serve notice as provided if he elects not to be bound.

(c) The appointment or election of an employee as an officer of a corporation for the purpose of excluding the employee from coverage under this chapter does not entitle the officer to elect not to be bound as an employee under this chapter. In any case, the officer must sign the notice required by subsection (4)(a) under oath or affirmation, and he is subject to the penalties for false swearing under 45-7-202 if he falsifies the notice.

(5) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of compensation insurance. A workplace is

HeinOnline -- 1989 vol. I 46 1989

any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over such place of business or property for the purpose of carrying on his usual trade, business, or occupation. The sign will be provided by the division, distributed through insurers or directly by the division, and posted by employers in accordance with rules adopted by the division. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a $50 fine for each citation."

Section 2. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 3. **Effective date.** [This act] is effective July 1, 1989.

Approved February 23, 1989.

The county superintendent shall compute the revenue for each district on the following basis:

(1) The "schedule amount" of the preliminary budget expenditures that is derived from the rate schedules in 20-10-141 and 20-10-142 shall be determined by adding the following amounts:

(a) the sum of the maximum reimbursable expenditures for all approved school bus routes maintained by the district (to determine the maximum reimbursable expenditure, multiply the applicable rate per bus mile by the total number of miles to be traveled during the ensuing school fiscal year on each bus route approved by the county transportation committee and maintained by such district); plus

(b) the total of all individual transportation per diem reimbursement rates for such district as determined from the contracts submitted by the district multiplied by the number of pupil-instruction days scheduled for the ensuing school attendance year; plus

(c) any estimated costs for supervised home study or supervised correspondence study for the ensuing school fiscal year; plus

(d) the amount budgeted on the preliminary budget for the contingency amount permitted in 20-10-143, except if such amount exceeds 10% of the

HeinOnline -- 1989 vol. I 55 1989

total of subsections (1)(a), (1)(b), and (1)(c) or $100, whichever is larger, the contingency amount on the preliminary budget shall be reduced to such limitation amount and used in this determination of the schedule amount.

(2) The schedule amount determined in subsection (1) or the total preliminary transportation fund budget, whichever is smaller, shall be divided by 3 and the resulting one-third amount shall be used to determine the available state and county revenue to be budgeted on the following basis:

(a) the resulting one-third amount shall be the budgeted state transportation reimbursement, except that the state transportation reimbursement for the transportation of special education pupils under the provisions of 20-7-442 shall be two-thirds of the schedule amount attributed to the transportation of special education pupils;

(b) the resulting one-third amount, except as provided for joint elementary districts in subsection (2)(e), shall be the budgeted county transportation reimbursement for elementary districts and shall be financed by the basic county tax under the provisions of 20-9-334;

(c) the resulting one-third amount multiplied by 2 shall be the budgeted county transportation reimbursement amount for high school districts financed under the provisions of subsection (5) of this section, except as provided for joint high school districts in subsection (2)(e), and except that the county transportation reimbursement for the transportation of special education pupils under the provisions of 20-7-442 shall be one-third of the schedule amount attributed to the transportation of special education pupils;

(d) when the district has a sufficient amount of cash for reappropriation and other sources of district revenue, as determined in subsection (3), to reduce the total district obligation for financing to zero, any remaining amount of such district revenue and cash reappropriated shall be used to reduce the county financing obligation in subsections (2)(b) or (2)(c) and, if such county financing obligations are reduced to zero, to reduce the state financial obligation in subsection (2)(a); and

(e) the county revenue requirement for a joint district, after the application of any district moneys under subsection (2)(d) above, shall be prorated to each county incorporated by the joint district in the same proportion as the ANB of the joint district is distributed by pupil residence in each such county.

(3) The total of the moneys available for the reduction of property tax on the district for the transportation fund shall be determined by totaling:

(a) anticipated federal moneys received under the provisions of Title I of Public Law 81-874 or other anticipated federal moneys received in lieu of such federal act; plus

(b) anticipated payments from other districts for providing school bus transportation services for such district; plus

(c) anticipated payments from a parent or guardian for providing school bus transportation services for his child; plus

HeinOnline -- 1989 vol. I 56 1989

(d) anticipated *or reappropriated* interest to be earned by the investment of transportation fund cash in accordance with the provisions of 20-9-213(4); plus

(e) anticipated *or reappropriated* revenue from vehicle property taxes imposed under 61-3-504(2) and 61-3-537; plus

(f) net proceeds taxes for interim production and new production, as defined in 15-23-601; plus

(g) any other revenue anticipated by the trustees to be earned during the ensuing school fiscal year which may be used to finance the transportation fund; plus

(h) any cash available for reappropriation as determined by subtracting the amount of the end-of-the-year cash balance earmarked as the transportation fund cash reserve for the ensuing school fiscal year by the trustees from the end-of-the-year cash balance in the transportation fund. Such cash reserve shall not be more than 20% of the final transportation fund budget for the ensuing school fiscal year and shall be for the purpose of paying transportation fund warrants issued by the district under the final transportation fund budget.

(4) The district levy requirement for each district's transportation fund shall be computed by:

(a) subtracting the schedule amount calculated in subsection (1) from the total preliminary transportation budget amount and, for an elementary district, adding such difference to the district obligation to finance one-third of the schedule amount as determined in subsection (2); and

(b) subtracting the amount of moneys available to reduce the property tax on the district, as determined in subsection (3), from the amount determined in subsection (4)(a) above.

(5) The county levy requirement for the financing of the county transportation reimbursement to high school districts shall be computed by adding all such requirements for all the high school districts of the county, including the county's obligation for reimbursements in joint high school districts.

(6) The transportation fund levy requirements determined in subsection (4) for each district and in subsection (5) for the county shall be reported to the county commissioners on the second Monday of August by the county superintendent as the transportation fund levy requirements for the district and for the county, and such levies shall be made by the county commissioners in accordance with 20-9-142."

holder or canceled for cause by the department. No refund may be made at the time of cancellation. No transfer of permits will be made. A distributor who distributes only pet foods or specialty pet foods is exempt from this provision.

*(b) Feed permit renewals received by the department prior to January 1 of each year must be accompanied by a nonrefundable renewal fee of $25 for each permit.*

(2) *(a)* No person may distribute in this state a commercial feed, except a custom-mixed feed, which has not been registered under this section by the manufacturer. *(4)* The department may refuse registration of any commercial feed not in compliance with this chapter and may cancel any registration subsequently found not to be in compliance with this chapter. No registration may be refused or canceled unless the registrant has been given an opportunity to be heard before the department and to amend his application in order to comply with this chapter."

Section 2. Section 80-9-206, MCA, is amended to read:

**"80-9-206. Inspection fees — filing of annual statement.** (1) An inspection fee shall be paid on all commercial feeds, *including custom-mix feeds,* except pet foods and specialty pet foods, distributed in this state as follows:

(a) The inspection fee shall be set *by rule on a cents-per-ton basis, except that the first 10 tons are exempt. The* department may adjust the fee by rule to adequately fund the administration of this chapter. Adjustments shall be made only after holding a public hearing on the proposed changes as required in 80-9-103 and shall remain within the limits of 5 cents to 25 cents per ton. The effective date of any rule adjusting fees will be January 1 of the calendar year following the issuance of such rule. All permit holders are to be notified immediately of any changes in fees.

Inspection fees which have not been remitted to the department *before January 31* shall have a penalty fee of 10% with a minimum of $10 added to the amount due. The assessment of this penalty fee does not prevent the department from taking other action as provided in this chapter.

(b) keep those records which are necessary or are required by the department to indicate accurately the tonnage of commercial feed distributed in this state. The department may examine the records to verify statements of tonnage.

(c) make accurate and prompt reports as required. Failure to do so is sufficient cause for the department to cancel or refuse to reissue a permit."

# CHAPTER NO. 40

[HB 146]

AN ACT TO ALLOW THE DEPARTMENT OF JUSTICE TO PROVIDE TRAINING AT THE MONTANA LAW ENFORCEMENT ACADEMY FOR INDIVIDUALS WHO ARE NOT LAW ENFORCEMENT OFFICERS BUT WHO MEET THE QUALIFICATIONS FOR ADMISSION TO THE ACADEMY; AMENDING SECTIONS 44-10-102, 44-10-202, AND 44-10-301, MCA; AND PROVIDING AN EFFECTIVE DATE.

STATEMENT OF INTENT

A statement of intent is included with this bill to make clear the legislature's intent with regard to rules that must be adopted under the extension of authority included in [section 4] of the bill.

It is the intent of this bill to authorize attendance at the Montana law enforcement academy of qualified individuals who are not at the time employed as law enforcement officers. Attendance is intended to be on a

HeinOnline -- 1989 vol. I 63 1989

space-available basis. Rules should be adopted to insure continued priority for the training of law enforcement officers. Rules should assure that law enforcement officer training would not be disrupted or displaced by the attendance of other qualified individuals.

It is the further intent of the legislature that all costs of training are borne by the other qualified individuals and not by the state of Montana. Should rules be required to assure other qualified individuals bear the cost of the training, including the establishment of an adequate fee structure, it is the intent of the legislature that such rules be adopted.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 44-10-102, MCA, is amended to read:

**"44-10-102. Purpose.** The purpose of this chapter shall be to establish a Montana law enforcement academy to provide Montana law enforcement officers *and other qualified individuals* with a means of securing training in the field of law enforcement."

Section 2. Section 44-10-202, MCA, is amended to read:

**"44-10-202. Powers and duties of department.** The department of justice shall have the power and it shall be its duty to:

(1) establish qualifications for admission to the academy;

(2) select from among qualified applicants those officers *and other individuals* who are to attend the academy each year;

(3) determine the curriculum and methods of training for officers *and other individuals* attending the academy;

(4) select and hire staff as it *considers* necessary to implement this chapter;

(5) establish rules for the conduct of officers *and other individuals enrolled* at the academy;

(6) award appropriate certificates to officers *and other individuals* who successfully complete their training;

(7) provide for the keeping of permanent records of enrollment, attendance, and graduation and other records as the department *considers* necessary;

(8) make a yearly report in writing of the activities of the academy. Copies of this report shall be sent to the governor, attorney general, and secretary of state.

(9) do all other things necessary and desirable for the establishment and operation of the academy not inconsistent with this chapter or the constitution and statutes of the state of Montana;

Section 4. **Effective date.** [This act] is effective on passage and approval.

STATEMENT OF INTENT

A statement of intent is required for this bill because 23-2-525(4)(c) grants rulemaking authority to the fish and game commission. The department shall, when adopting rules, consult with law enforcement agencies, organizations representing diving interests, and search and rescue organizations within the state in order for these organizations and agencies to assist with adopting rules that will be appropriate for their activities and duties.

HeinOnline -- 1989 vol. I 68 1989

It is intended that the commission may, after a public hearing, establish areas where, because of diver safety or water traffic, underwater diving is not allowed.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 23-2-525, MCA, is amended to read:

**"23-2-525. Restricted areas.** (1) No person shall so anchor a vessel or other obstacle for fishing or pleasure purposes on any body of water over which the state has jurisdiction in such a position as to obstruct a passageway ordinarily used by other vessels.

Swimming areas shall be marked with white buoys having international orange markings in conformance with the uniform state waterway marking system by the owners of such areas.

(3) No person shall, without permission, operate or knowingly permit any person to operate a vessel within 50 feet of a person engaged in fishing, unless unavoidable.

In an emergency or if there is insufficient water on either side of the 100-foot safety zone to pass by and stay out of the zone, the operator may use power within the zone but may not exceed no-wake speed. The burden of proving that an emergency exists or that there is insufficient water is on the operator.*

*(c) The fish and game commission may by rule determine areas where establishment of a 100-foot safety zone is not allowed in order to provide for diver safety or the regulation of water traffic."*

Section 2. Section 23-2-507, MCA, is amended to read:

**"23-2-507. Penalty.** *(1)* Violations of any section of this part, except 23-2-526(3), unless otherwise specified shall be a misdemeanor and be punishable by fine of not less than $15 or more than $500 or by imprisonment up to 6 months or by both such fine and imprisonment. All fine and bond forfeitures, except those paid to a justice's court, shall be transmitted to the state treasurer, who shall deposit such fines and forfeitures in the motorboat account of an earmarked fund. The moneys shall be used only by the department for enforcement of this part, as amended.

HeinOnline -- 1989 vol. I 69 1989

*(2) If 23-2-525(4) is violated, 46-18-241 through 46-18-249 apply, except that the sentencing court shall order restitution and shall do so regardless of the court's disposition of the violator."*

Section 3. **Effective date.** [This act] is effective on passage and approval.

Section 1. Section 39-51-1212, MCA, is amended to read:

**"39-51-1212. Experience rating for governmental entities.** (1) Governmental entities newly covered under this chapter after December 31, 1974, shall make payments for the period prior to July 1, 1977, equal to 0.4% of total wages paid employees for services in employment during the calendar quarter and for the period after July 1, 1977, shall make payments at the median rate.

(2) The rates of governmental entities who have accumulated experience rating credits shall be adjusted annually as follows with each governmental entity assigned a rate based upon:

(a) its benefit cost experience, to be arrived at by dividing the total sum of benefits charged to the employer's account for all past periods which are completed transactions by December 31 by total wages from date of subjectivity of the employing unit through December 31; and

(b) the benefit cost for all past years of governmental entities electing to pay contributions compared with total payrolls reported for all past years by these governmental entities used as a median, with the rates so fixed using the median that the rates will, when applied to the total annual payroll for subject governmental entities, yield total paid contributions equaling approximately the total benefit costs.

(3) New governmental entities electing to pay contributions shall be assigned the median rate for the year in which they become subject.

(4) At no time may the minimum rate be less than 0.1% or the maximum rate be greater than 1.5%. The rates are to be graduated at one-tenth intervals.

(6) The computed rate is effective July 1 of each year.

*(7) Governmental entities must be charged for their share of the total benefits paid to a claimant if the governmental entity contributed wages during the claimant's base period. The benefit charged must be based on*

Section 2. Section 39-51-1214, MCA, is amended to read:

**"39-51-1217. Schedule of rates assigned based on trust fund reserve.** (1) The rate schedule for each calendar year is assigned based upon the ratio of the trust fund balance as of December 31 prior to the rate year to total wages in covered employment for the 12-month period prior to the computation date.

(2) The ratio at the top of each tax schedule in the tax table shown in 39-51-1218 represents the minimum fund level required for a specific tax schedule to be in effect.

(3) Employer rates are assigned in accord with the rates provided in each schedule for eligible, unrated, and deficit employers, based upon their experience as defined in this section.

*(4) For the calendar year 1990 and each year thereafter, any employer classified as unrated must be assigned a rate equal to the average rate of contributions paid by employers in the same major industrial classification for the calendar year preceding the computation date, plus an adjustment for the difference between the average tax rate assigned for the previous calendar year and the average rate in effect for the current calendar year. At no time may an unrated employer be assigned a rate lower than 1%. The computation of the average rate of contributions in a major industrial classification must exclude those employer accounts that are not eligible for the computation of an experience rating solely by reason of insufficient experience. The department shall develop the major industrial classifications for the state and shall annually determine the contribution rate for each classification."*

# CHAPTER NO. 56

[HB 314]

AN ACT GENERALLY REVISING THE LAWS RELATING TO THE TEACHERS' RETIREMENT SYSTEM; CLARIFYING THE DEFINITION OF "EARNED COMPENSATION" TO INCLUDE AMOUNTS PAID UNDER CAFETERIA PLANS; ALLOWING SUBSTITUTE TEACHERS TO QUALIFY SUBSTITUTE SERVICE; CLARIFYING AND DEFINING THE FIRST FULL YEAR'S TEACHING SALARY USED IN THE CALCULATION OF CREDITABLE SERVICE; CLARIFYING THE CALCULATION OF SURVIVOR BENEFITS; INCREASING THE MINOR CHILD BENEFIT FROM $100 TO $200 A MONTH; AMENDING SECTIONS 19-4-101, 19-4-302, 19-4-401, 19-4-1001, AND 19-4-1002, MCA; AND PROVIDING AN APPLICABILITY DATE AND AN EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 19-4-101, MCA, is amended to read:

**"19-4-101. Definitions.** As used in this chapter, unless the context clearly indicates otherwise, the following definitions apply:

(1) "Accumulated contributions" means the sum of all the amounts deducted from the compensation of a member or paid by a member and credited to his individual account in the annuity savings fund, together with interest. Regular interest shall be computed and allowed to provide a benefit at the time of retirement.

(2) "Actuarial equivalent" means a benefit of equal value when computed, with regular interest, on the basis of the 1971 Group Annuity Mortality Table, with ages set back 4 years and an interest rate of 8% compounded annually.

(3) "Annuity" means the payments made to a beneficiary for life which are derived from a member's accumulated contributions.

(4) "Annuity reserve" means the present value of all payments to be made on account of a member's annuity computed, with regular interest, on the basis of the mortality tables adopted by the retirement board.

(5) (a) "Average final compensation" means the average of the earned compensation of a member during the 3 consecutive years of full-time service which yield the highest average and on which contributions have been made as required by 19-4-602. If the earned compensation includes any termination pay, the member shall select one of the following options:

(i) use the total termination pay in the calculation of the average final compensation. The member and the employer shall pay contributions to the retirement system as are determined by the board to adequately compensate the system for the additional retirement benefit. The contributions must be made at the time the termination pay is received.

HeinOnline -- 1989 vol. I 81 1989

(ii) use a yearly amount of termination pay added to each of the 3 consecutive years' salary used in the calculation of the average final compensation, if the member has 4 or more years of service with the employer from which the termination pay was received. The amount of compensation used in the calculation of average final compensation must be divided by the total number of years of creditable service to determine a yearly amount. The member and the employer must pay contributions on the termination pay according to the rates provided for in 19-4-602(1) and 19-4-605(1).

(iii) exclude the termination pay from the average final compensation. No contribution is required of either the employer or member.

(b) For purposes of this subsection, termination pay includes any form of termination pay or any lump-sum payment for deferred compensation, sick leave, or accumulated vacation credit, or any other payment for time not worked other than compensation received while on sick leave or authorized leave of absence.

(6) "Beneficiary" means a person in receipt of a pension, annuity, retirement allowance, or other benefit provided by the retirement system.

(7) "Creditable service" is that service defined by 19-4-401.

(8) "Earned compensation" means the full compensation, pay, or salary actually paid to a member and reported to the retirement system, including amounts paid under a salary reduction agreement, *a cafeteria plan*, a tax sheltered annuity, *a* deferred compensation program, and the value of any housing provided by the employer. The employer shall fix the value of any housing provided. The term does not include any other amounts paid in kind or fringe benefits not actually paid to a member. The earned compensation of a member who had less than 3 consecutive years of full-time service during the 5 years preceding his retirement is the compensation, pay, or salary which he would have earned had his part-time service been full-time service. The earned compensation of a member who is awarded a disability retirement allowance prior to the completion of a full year is the compensation, pay, or salary which he would have received had he completed the full year, except that any termination pay, as defined in subsection (5)(b), received by the member is limited to the amount actually paid and is not the amount he would have earned had he completed the full year.

(9) "Employer" means the state of Montana, the trustees of a district, or any other agency or subdivision of the state which employs a person who is designated a member of the retirement system.

(10) "Full-time service" means service which is full-time and which extends over a normal academic year of at least 9 months. With respect to those members employed by the office of the superintendent of public instruction, any other state agency or institution, or the office of a county superintendent, "full-time service" means service which is full-time and which totals at least 9 months in any one year.

(11) "Member" means a person who has an individual account in the annuity savings fund. An active member is a person included under the

HeinOnline -- 1989 vol. I 82 1989

provisions of 19-4-302. An inactive member is a person included under the provisions of 19-4-303.

(12) "Part-time service" means service which is less than full-time or which totals less than 9 months in any one year. Part-time service shall be credited in the proportion that the actual time worked bears to full-time service.

(13) "Pension" means the payments made to a beneficiary for life which are paid out of the pension accumulation fund.

(14) "Pension reserve" means the present value of all payments to be made on account of a pension computed, with regular interest, on the basis of the mortality tables adopted by the retirement board.

(15) "Prior service" means employment of the same nature as service defined in subsection (20) of this section but rendered before September 1, 1937.

(16) "Regular interest" means interest at 4% per annum compounded annually or at such other rate as may be set by the retirement board in accordance with 19-4-501(2).

(17) "Retirement allowance" means the annuity plus the pension.

(18) "Retirement board" means the retirement system's governing board provided for in 2-15-1010.

(19) "Retirement system" means the teachers' retirement system of the state of Montana provided for in 19-4-102.

(20) "Service" means the performance of such instructional duties or related activities as would entitle the person to active membership in the retirement system under the provisions of 19-4-302."

Section 2. Section 19-4-302, MCA, is amended to read:

**"19-4-302. Active membership.** (1) Unless otherwise provided by this chapter, the following persons must be active members of the retirement system, with the exception that those persons who became eligible for membership on September 1, 1937, or on September 1, 1939, and who elected not to become members under the provisions of the law at that time are not required to be members:

(f) any person who has elected not to become a member of the retirement system, who has been continuously employed in a capacity prescribed by (a), (b), (c), or (d) of this subsection (1) since the time of such election, and who may thereafter elect to become a member of the retirement system.

(3) (a) A substitute teacher:

(i) may elect to become an active member of the retirement system on the first day of employment in any fiscal year; or

(ii) shall become an active member of the retirement system on the 31st day of employment in any fiscal year if he has not elected membership under subsection (3)(a)(i).

(b) The employer shall give written notification to a substitute teacher on his first day of employment in any fiscal year of his option to elect membership under subsection (3)(a)(i).

*(4) A substitute teacher who did not elect membership under subsection (3)(a)(i) and subsequently becomes a member must be awarded creditable service for his substitute teaching service if he contributes:*

*(a) an amount equal to the combined employee and employer contributions that would have been made if he had elected membership; plus*

*(b) interest at the rate the contributions would have earned if they had been on deposit with the retirement system.*

*(5)* At any time a person's eligibility to become a member of the retirement system is in doubt, the retirement board shall determine his eligibility for membership. All persons in similar circumstances shall be treated alike."

Section 3. Section 19-4-401, MCA, is amended to read:

**"19-4-401. Creditable service.** (1) The creditable service of a member begins on the date of his employment in a capacity prescribed for

HeinOnline -- 1989 vol. I 84 1989

(a) each year of service for which contributions to the retirement system were deducted from his compensation under the provisions of Chapter 87, Laws of 1937, Chapter 215, Laws of 1939, this chapter, and their subsequent amendments, except that no credit may be awarded for those years of service for which the contributions have been withdrawn and not replaced;

(b) any service awarded by a prior service certificate issued under the provisions of Chapter 87, Laws of 1937, Chapter 215, Laws of 1939, and their subsequent amendments or under the provisions of 19-4-406;

(h) any service awarded for absence due to employment-related injury under 19-4-411.

(3) The retirement board's determination of creditable service under this section is final and conclusive for the purposes of the retirement system unless, at any time the board discovers an error or fraud in the establishment of creditable service, in which case the board shall redetermine the creditable service.

*(4) For a member completing only part-time service during the qualifying period, the first full year's teaching salary used to calculate the cost to purchase creditable service is the salary that he would have earned if his first year part-time salary had been full-time.*"

Section 4. Section 19-4-1001, MCA, is amended to read:

"**19-4-1001. Allowances for death of member.** (1) If a member dies before retirement, his accumulated contributions shall be paid to his estate or such person as he may have nominated by a written designation filed with the retirement board prior to his death in the manner prescribed by the board.

(2) (a) In lieu of benefits provided for in subsection (1), if the deceased member qualified by reason of service for a retirement benefit, the beneficiary nominated by the deceased member may elect to receive a monthly life annuity. The monthly life annuity shall be determined as prescribed in 19-4-804(1) and section 5, Chapter 549, Laws of 1981, in the same manner as if the member elected option A provided for in 19-4-702(2)(a).

HeinOnline -- 1989 vol. I 85 1989

(b) In the event payments made to an annuitant do not equal the amount of the member's accumulated contributions prior to the annuitant's death, the difference between the total annuity payments made and the amount of the accumulated contributions shall be paid to the beneficiary.

(3) The trustees shall pay by warrants drawn on the tuition fund the tuition amounts owed to each district included in the county superintendent's notification provided under the provisions of *20-5-306*. At least one-half of the payments must be made in December, and the remaining payments must be made by June 15 of the fiscal year."

Section 30. Section 20-9-352, MCA, is amended to read:

**"20-9-352. Permissive amount and permissive levy.** (1) Whenever the trustees of any district shall deem it necessary to adopt a general fund budget in excess of the foundation program amount but not in excess of the maximum general fund budget amount for such district as established by the schedules in 20-9-316 through 20-9-321, the trustees shall

HeinOnline -- 1989 vol. I 149 1989

adopt a resolution stating the reasons and purposes for exceeding the foundation program amount. Such excess above the foundation program amount shall be known as the "permissive amount", and it shall be financed by a levy, as prescribed in 20-9-141, on the taxable value of all taxable property within the district, except for vehicles subject to taxation under 61-3-504(2), supplemented with any biennial appropriation by the legislature for this purpose. The proceeds of such an appropriation shall be deposited to the state special revenue fund.

(2) The district levies to be set for the purpose of funding the permissive amount are determined as follows:

(a) For each elementary school district, the county commissioners shall annually set a levy not exceeding 6 mills on all the taxable property in the district, except for vehicles subject to taxation under 61-3-504(2), for the purpose of funding the permissive amount of the district. The permissive levy in mills shall be obtained by multiplying the ratio of the permissive amount to the maximum permissive amount by 6 or by using the number of mills which would fund the permissive amount, whichever is less. If the amount of revenue raised by this levy, plus anticipated revenue from vehicle property taxes imposed under 61-3-504(2) and 61-3-537, is not sufficient to fund the permissive amount in full, the amount of the deficiency shall be paid to the district from the state special revenue fund according to the provisions of subsections (3) and (4) of this section.

(b) For each high school district, the county commissioners shall annually set a levy not exceeding 4 mills on all taxable property in the district, except for vehicles subject to taxation under 61-3-504(2), for the purpose of funding the permissive amount of the district. The permissive levy in mills shall be obtained by multiplying the ratio of the permissive levy to the maximum permissive amount by 4 or by using the number of mills which would fund the permissive amount, whichever is less. If the amount of revenue raised by this levy, plus anticipated revenue from vehicle property taxes imposed under 61-3-504(2) and 61-3-537, and plus net proceeds taxes for interim production and new production, as defined in 15-23-601, is not sufficient to fund the permissive amount in full, the amount of the deficiency shall be paid to the district from the state special revenue fund according to the provisions of subsections (3) and (4) of this section.

(3) The superintendent of public instruction shall, if the appropriation by the legislature for the permissive account for the biennium is insufficient, request the budget director to submit a request for a supplemental appropriation in the second year of the biennium. The supplemental appropriation shall provide enough revenue to fund the permissive deficiency of the elementary and high school districts of the state. The proceeds of this appropriation shall be deposited to the state special revenue fund and shall be distributed to the elementary and high school districts in accordance with their entitlements as determined by the superintendent of public instruction according to the provisions of subsections (1) and (2) of this section.

(4) Distribution under this section from the state special revenue fund shall be made in two payments. The first payment shall be made at the same time as the first distribution of state equalization aid is made after

HeinOnline -- 1989 vol. I 150 1989

January 1 of the fiscal year. The second payment shall be made at the same time as the last payment of state equalization aid is made for the fiscal year. If the appropriation is not sufficient to finance the deficiencies of the districts as determined according to subsection (2), each district will receive the same percentage of its deficiency. Surplus revenue in the second year of the biennium may be used to reduce the appropriation required for the next succeeding biennium or may be transferred to the state equalization aid state special revenue fund if revenues in that fund are insufficient to meet foundation program requirements."

Section 76. Section 80-7-814, MCA, is amended to read:

**"80-7-814. Administration and expenditure of funds.** (1) Money deposited in the noxious weed management trust fund may not be committed or expended until the principal reaches $2,500,000, except as provided by 80-7-815 in case of a noxious weed emergency. Once this amount is accumulated, any interest or revenue generated by the trust fund and by other funding measures provided by this part must be deposited in the special revenue fund and may be expended for noxious weed management projects in accordance with this section, so long as the principal of the trust fund remains at least $2,500,000.

(2) The department may expend funds under this section through grants or contracts to communities, weed control districts, or other entities it considers appropriate for noxious weed management projects. A project is eligible to receive funds only if the county in which the project occurs has funded its own weed management program with a levy in an amount not less than 1.6 mills or an equivalent amount from another source or by an amount of not less than $100,000 for first class counties, as defined in 7-1-2111.

(3) The department may expend funds without the restrictions specified in subsection (2) for the following:

(a) employment of a new and innovative noxious weed management project or the development, implementation, or demonstration of any noxious weed management project that may be proposed, implemented, or established by local, state, or national organizations, whether public or private. Such expenditures must be on a cost-share basis with such organizations.

(b) cost-share noxious weed management programs with local weed control districts;

(c) special grants to local weed control districts to eradicate or contain significant noxious weeds newly introduced into the county. These grants may be issued without matching funds from the district.

HeinOnline -- 1989 vol. I 177 1989

(d) costs of collecting the surcharge imposed by 80-7-812, not to exceed 3% of the total surcharge proceeds;

(e) administrative expenses incurred by the noxious weed management advisory council; and

(f) any project recommended by the noxious weed management advisory *council*, if the department determines the project will significantly contribute to the management of noxious weeds within the state.

(4) In making such expenditures, the department must give preference to weed control districts and community groups.

(5) If the noxious weed management trust fund is terminated by law, the money in the fund must be divided between all counties according to rules adopted by the department for that purpose."

Section 77. Section 81-9-228, MCA, is amended to read:

**"81-9-228. Inspection stamps.** (1) The board shall provide meat inspection stamps to all official establishments, which must contain the words "Montana Inspected and Passed". The inspection stamps must be designed by the board so as to be not in conflict with inspection stamps of the U.S. department of agriculture.

(2) Approved official establishments may use symbols of the inspection stamps on the processed meats and meat food products they *offer* for sale if they are in compliance with the provisions of 81-9-216 through 81-9-220 and 81-9-226 through 81-9-236.

(3) The meat inspection stamps must at all times be under the jurisdiction of the chief."

(2) the making and filing of acceptable well logs, including bottom-hole temperatures, to facilitate the discovery of potential geothermal energy sources, reports on well locations, and the filing of directional surveys, if made; however, logs of exploratory or wildcat wells need not be filed for a period of 6 months following completion of those wells;

(3) the drilling, casing, producing, and plugging of wells and class II injection wells in such manner as to prevent the escape of oil or gas out of one stratum into another, the intrusion of water into oil or gas *strata*, blowouts, *cave-ins*, seepages, and fires and the pollution of fresh water supplies by oil, gas, salt, or brackish water;

(4) the restoration of surface lands to their previous grade and productive capability after a well is plugged or a seismographic shot hole has been utilized and necessary measures to prevent adverse hydrological effects

HeinOnline -- 1989 vol. I 178 1989

from such well or hole, unless the surface owner agrees in writing, with the approval of the board or its representatives, to a different plan of restoration;

(5) the furnishing of a reasonable bond with good and sufficient surety, conditioned for performance of the duty to properly plug each dry or abandoned well;

(6) proper gauging or other measuring of oil and gas produced and saved to determine the quantity and quality thereof;

(7) that every person who produces, transports, or stores oil or gas or injects or disposes of water in this state shall make available within this state for a period of 5 years complete and accurate records of the quantities thereof, which records shall be available for examination by the board or its employees at all reasonable times, and that that person file with the board such reports as it may prescribe with respect to quantities, transportations, and storages of the oil or gas or water; and

(8) the installation, use, and maintenance of monitoring equipment or methods in the operation of class II injection wells."

(3) The board may institute and maintain any and all actions and proceedings and suits at law or in equity, necessary or proper in order to fully carry out the provisions of this chapter or to enforce, maintain, protect, or preserve any and all rights, privileges, and immunities created by this part or acquired in pursuance thereof. In all courts, suits, or proceedings, the board may sue, appear, and defend in person or by its attorneys and in the name of such board of control.

(4) The board may adopt rules and bylaws governing the calling and holding of meetings of the board; the manner of transacting business thereat; and the publishing or posting of the orders, resolutions, and proceedings of the board. The board shall pass or adopt bylaws and rules for the apportionment and distribution of water to the lands of the contracting districts and for the protection and preservation of the works and other property of the districts. All orders and resolutions shall be passed or adopted by a majority of the members of the board of control by a "yea" and "nay" vote, to be entered upon the records of the board.

(5) The board of control may perform all other acts necessary or appropriate to fully carry out the purposes of this part.

(6) The board of control may plan, acquire, construct, operate, maintain, lease, *or* finance an undertaking through the issuance of revenue bonds, as provided in part 14 of this chapter."

HeinOnline -- 1989 vol. I 179 1989

Section 80. Section 87-2-106, MCA, is amended to read:

**"87-2-106. Application for license.** (1) A license may be procured from the director, any warden, or any authorized agent of the director. The applicant shall state his name, age, occupation, place of residence, post-office address, the length of time in the state of Montana, whether a citizen of the United States or an alien, and such other facts, data, or descriptions as may be required by the department. Except as provided in subsections (2) through (4), the statements made by the applicant shall be subscribed to before the officer or agent issuing the license.

(2) Except as provided in subsection (3), department employees or officers may issue licenses by mail. Statements on an application for a license to be issued by mail need not be subscribed to before the employee or officer.

(3) To apply for a license under the provisions of 87-2-102(4), the applicant must apply to the director and must submit at the time of application a notarized affidavit that attests to fulfillment of the requirements of 87-2-102(4). The director shall process the application in an expedient manner.

(4) A resident may apply for and purchase a wildlife conservation license, hunting license, *or* fishing license for his spouse, parent, child, brother, or sister who is otherwise qualified to obtain such *license.*

(5) A license is void unless subscribed to by the licensee and by an employee or officer of the department or by a license agent or an authorized representative of the license agent.

(6) It is unlawful to subscribe to any statement, on any application or license, that is materially false. Any material false statement contained in an application renders the license issued pursuant to it void. Any person violating any provision of this statute is guilty of a misdemeanor."

Section 81. Section 90-3-101, MCA, is amended to read:

**"90-3-101. Purpose.** It is the purpose of this chapter to strengthen and diversify Montana's economy by establishing a public-private sector partnership to encourage scientific and technological development within the state in order to keep pace with a transforming economic structure and to create new jobs and expand small business opportunities."

Section 82. Section 90-8-102, MCA, is amended to read:

**"90-8-102. Declaration of policy.** (1) The legislature finds and declares that:

(a) economic insecurity due to unemployment is a serious menace to the health, safety, and general welfare of not only the affected people but of the people of the entire state;

HeinOnline -- 1989 vol. I 180 1989

(b) involuntary unemployment, with its resulting burden of indigency, falls with crushing force upon unemployed workers and ultimately on the state itself in the form of public assistance and unemployment compensation payments; and

(c) unemployment causes a migration of Montana workers and families seeking jobs and establishing homes elsewhere, which deprives the state of its most valuable resource, its people, and reduces the tax base of local governments, impairing their ability to provide basic services.

(2) (a) The legislature further finds that the best method of combating unemployment and protecting Montana against the loss of its people is by promoting, stimulating, developing, rehabilitating, and revitalizing the business prosperity and economic welfare of the state and its citizens.

(b) To accomplish this goal, the legislature seeks to encourage the formation of venture and equity capital in Montana for use in diversifying, strengthening, and stabilizing the Montana economy by increasing Montana employment and business opportunities while protecting the people's constitutional right to a clean and healthful environment.

(3) The legislature further finds that:

(a) private investment of venture and equity capital in the Montana economy will be encouraged and promoted by making tax credits available to taxpayers investing in Montana capital companies;

(b) demands on state revenues restrict the financial ability of the state to make unlimited tax credits available for investment purposes and require that the state place reasonable limits on the total amount of tax credits to be made available for investment incentive;

(c) establishment of a rational tax credit program which gives priority to investments in capital companies in the order in which they are qualified will encourage prompt private investment in Montana businesses.

(4) The legislature further finds that use of money from the Montana in-state investment fund established by *17-6-306* to purchase debentures issued by a capital company will promote the business prosperity and economic welfare of the state and its citizens."

Section 83. **Code commissioner instruction.** The code commissioner is instructed to implement 1-11-101(2)(g)(ii) by correcting any clearly inaccurate references to other sections of the Montana Code Annotated contained in material enacted by the 51st legislature.

Section 84. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Approved March 14, 1989.

The inspectors may enter a beauty parlor, manicuring shop, *booth,* school of cosmetology, or school of manicuring during business hours for the purpose of inspection, and the refusal of a licensee to permit the inspection during business hours is cause for revocation of the license.

(2) Upon application for a license, any cosmetological establishment or manicuring shop must pay an initial inspection fee prescribed by the board.

(3) The board may authorize the department to grant to a cosmetological establishment or manicuring shop, upon payment of the initial inspection fee, a temporary permit authorizing the cosmetological establishment or manicuring shop to operate for a period of not to exceed 90 days or until the inspector is able to make the inspection, whichever event occurs first. This temporary permit is not renewable.

(4) The board shall conduct an annual inspection of each cosmetological establishment and manicuring shop in the state."

[HB 581]

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO METAL MINE RECLAMATION; AND AMENDING SECTIONS 82-4-303, 82-4-305, 82-4-331, 82-4-335, 82-4-361, AND 82-4-362, MCA.

STATEMENT OF INTENT

A statement of intent is required for this bill because it delegates rulemaking authority to the board of land commissioners. Under the provisions of this bill, the board of land commissioners shall adopt rules to implement and administer a procedure for waiver of a minor violation from the civil penalty provisions provided in [section 5].

It is the intent of the legislature that the waiver be allowed only if a violation does not represent potential harm to the public health, public safety, or the environment and does not otherwise impair administration of the provisions of Title 84, chapter 4, part 3.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 82-4-303, MCA, is amended to read:

**"82-4-303. Definitions.** As used in this part, unless the context indicates otherwise, the following definitions apply:

(1) "Abandonment of surface or underground mining" may be presumed when it is shown that continued operation will not resume.

(2) "Board" means the board of land commissioners or such state employee or state agency as may succeed to its powers and duties under this part.

(3) "Department" means the department of state lands.

(4) "Disturbed land" means that area of land or surface water disturbed, beginning at the date of the issuance of the permit, and it comprises that area from which the overburden, tailings, waste materials, or minerals have been removed and tailings ponds, waste dumps, roads, conveyor systems, leach dumps, and all similar excavations or covering resulting from the operation and which have not been previously reclaimed under the reclamation plan.

(5) "Exploration" means all activities conducted on or beneath the surface of lands resulting in material disturbance of the surface for the purpose of determining the presence, location, extent, depth, grade, and

HeinOnline -- 1989 vol. I 194 1989

economic viability of mineralization in those lands, if any, other than mining for production and economic exploitation, as well as all roads made for the purpose of facilitating exploration, except as noted in 82-4-310.

(6) "Mineral" means any ore, rock, or substance, other than oil, gas, bentonite, clay, coal, sand, gravel, phosphate rock, or uranium, taken from below the surface or from the surface of the earth for the purpose of milling, concentration, refinement, smelting, manufacturing, or other subsequent use or processing or for stockpiling for future use, refinement, or smelting.

(7) "Mining" commences at such time as the operator first mines ores or minerals in commercial quantities for sale, beneficiation, refining, or other processing or disposition or first takes bulk samples for metallurgical testing in excess of aggregate of 10,000 short tons.

(8) "Ore processing" means milling, heap leaching, flotation, vat leaching, or other standard hard-rock mineral concentration processes.

(9) "Person" means any person, corporation, firm, association, partnership, or other legal entity engaged in exploration for or mining of minerals on or below the surface of the earth, reprocessing of tailings or waste materials, or operation of a hard-rock mill.

(10) "Reclamation plan" means the operator's written proposal, as required and approved by the board, for reclamation of the land that will be disturbed, which proposal shall include, to the extent practical at the time of application for an operating permit:

(a) a statement of the proposed subsequent use of the land after reclamation;

(b) plans for surface gradient restoration to a surface suitable for the proposed subsequent use of the land after reclamation is completed and the proposed method of accomplishment;

(c) the manner and type of revegetation or other surface treatment of disturbed areas;

(d) procedures proposed to avoid foreseeable situations of public nuisance, endangerment of public safety, damage to human life or property, or unnecessary damage to flora and fauna in or adjacent to the area;

(e) the method of disposal of mining debris;

(f) the method of diverting surface waters around the disturbed areas where necessary to prevent pollution of those waters or unnecessary erosion;

(g) the method of reclamation of stream channels and stream banks to control erosion, siltation, and pollution;

(h) such maps and other supporting documents as may be reasonably required by the department; and

(i) a time schedule for reclamation that meets the requirements of 82-4-336.

HeinOnline -- 1989 vol. I 195 1989

(11) (a) "Small miner" means a person, firm, or corporation that engages in the business of mining or reprocessing of tailings or waste materials that does not remove from the earth during any calendar year material in excess of 36,500 tons in the aggregate, that holds no operating permit under 82-4-335, and that conducts:

(i) *an operation* resulting in not more than 5 acres of the earth's surface being disturbed and unreclaimed; or

(ii) two operations which disturb and leave unreclaimed less than 5 acres per operation if the respective mining properties are:

(A) the only operations engaged in by the person, firm, or corporation;

(B) at least 1 mile apart at their closest point; and

(C) not operated simultaneously except during seasonal transitional periods not to exceed 30 days.

(b) For the purpose of this definition only, the department shall, in computing the area covered by the operation, exclude access or haulage roads that are required by a local, state, or federal agency having jurisdiction over that road to be constructed to certain specifications if that public agency notifies the department in writing that it desires to have the road remain in use and will maintain it after mining ceases.

(12) "Surface mining" means all or any part of the process involved in mining of minerals by removing the overburden and mining directly from the mineral deposits thereby exposed, including but not limited to open-pit mining of minerals naturally exposed at the surface of the earth, mining by the auger method, and all similar methods by which earth or minerals exposed at the surface are removed in the course of mining. Surface mining does not include the extraction of oil, gas, bentonite, clay, coal, sand, gravel, phosphate rock, or uranium or excavation or grading conducted for on-site farming, on-site road construction, or other on-site building construction.

(13) "Underground mining" means all methods of mining other than surface mining.

(14) "Unit of surface-mined area" means that area of land and surface water included within an operating permit actually disturbed by surface mining during each 12-month period of time, beginning at the date of the issuance of the permit, and it comprises and includes the area from which overburden or minerals have been removed, the area covered by mining debris, and all additional areas used in surface mining or underground mining operations which by virtue of such use are thereafter susceptible to erosion in excess of the surrounding undisturbed portions of land.

(15) "Vegetative cover" means the type of vegetation, grass, shrubs, trees, or any other form of natural cover considered suitable at time of reclamation."

Section 2. Section 82-4-305, MCA, is amended to read:

**"82-4-305. Exemption — small miners — written agreement.** (1) *The* provisions of this part *do not* apply to any small miner *if* the small miner:

HeinOnline -- 1989 vol. I 196 1989

*(a)* annually agrees in writing *that*:

*(i)* he *will* not pollute or contaminate any stream; *and*

*(ii)* he *will* provide protection for human and animal life through the installation of bulkheads installed over safety collars and the installation of doors on tunnel portals; and

*(b) provides* a map locating his mining operations. Such map shall be to a size and scale as determined by the department.

(2) For small-miner exemptions obtained after September 30, 1985, *a* small miner may *not* obtain or continue an exemption under subsection (1) unless he annually certifies in writing:

(a) if the small miner is a natural person, that:

(i) no business association or partnership of which he is a member or partner has a small-miner exemption; and

(ii) no corporation of which he is an officer, director, or owner of record of 25% or more of any class of voting stock has a small-miner exemption; or

(b) if the small miner is a partnership or business association, that:

(i) none of the associates or partners holds a small-miner exemption; and

(ii) none of the associates or partners is an officer, director, or owner of 25% or more of any class of voting stock of a corporation that has a small-miner exemption; or

(c) if the small miner is a corporation, that no officer, director, or owner of record of 25% or more of any class of voting stock of the corporation:

(i) holds a small-miner exemption;

(ii) is a member or partner in a business association or partnership that holds a small-miner exemption;

(iii) is an officer, director, or owner of record of 25% or more of any class of voting stock of another corporation that holds a small-miner exemption.

*(3) The exemption provided in this section does not apply to a person whose failure to comply with the provisions of this part, the rules adopted under this part, or a permit or license issued under this part has resulted in the forfeiture of a bond unless that person meets the conditions described under [section 7].*"

Section 3. Section 82-4-331, MCA, is amended to read:

"**82-4-331. Exploration license required — employees included — limitation.** (1) *A* person *may not* engage in exploration in the state without first obtaining an exploration license from the board. *A* license *must* be issued for a period of 1 year from date of issue and *is* renewable

HeinOnline -- 1989 vol. I 197 1989

from year to year on application. *An application for renewal must be* filed within 30 days preceding the expiration of the current license and *be accompanied by* payment of *a* fee as required for a new license. *A license may not be renewed if* the applicant for renewal is in violation of any provision of this *part. A* license *is* subject to suspension and revocation as provided by this part.

(2) Employees of persons holding a valid license under this part *are* included in and covered by *the* license.

*(3) A person may not be issued an exploration license if that person's failure to comply with the provisions of this part, the rules adopted under this part, or a permit or license issued under this part has resulted in the forfeiture of a bond unless that person meets the conditions described in [section 7].*"

Section 4. Section 82-4-335, MCA, is amended to read:

"**82-4-335. Operating permit — limitation.** (1) *A* person *may not* engage in mining, ore processing, or reprocessing of tailings or waste material or construct or operate a hard-rock mill or disturb land in anticipation of those activities in the state without first obtaining an operating permit from the board to do so. A separate operating permit *is* required for each complex. Prior to receiving an operating permit from the board, *a* person *shall* pay the basic permit fee of $25 and *shall* submit an application on a form provided by the board, which *must* contain the following information and any other pertinent data required by *rule*:

(a) name and address of the operator and, if a corporation or other business entity, the name and address of its principal officers, partners, and the like and its resident agent for service of process, if required by law;

(b) minerals expected to be mined;

(c) a proposed reclamation plan;

(d) expected starting date of operations;

(e) a map showing the specific area to be mined and the boundaries of the land which will be disturbed, topographic detail, the location and names of all streams, roads, railroads, and utility lines on or immediately adjacent to the area, location of proposed access roads to be built, and the names and addresses of the surface and mineral owners of all lands within the mining area, to the extent known to applicant;

(f) types of access roads to be built and manner of reclamation of road sites on abandonment;

(g) a plan which will provide, within limits of normal operating procedures of the industry, for completion of the operation;

(h) ground water and surface water hydrologic data gathered from a sufficient number of sources and length of time to characterize the hydrologic regime;

(i) a plan detailing the design, operation, and monitoring of impounding structures, including but not limited to tailings impoundments and water reservoirs, sufficient to ensure that such structures are safe and stable;

HeinOnline -- 1989 vol. I 198 1989

(j) a plan identifying methods to be used to monitor for the accidental discharge of objectionable materials and remedial action plans to be used to control and mitigate discharges to surface or ground water; and

(k) an evaluation of the expected life of any tailings impoundment or waste area and the potential for expansion of the tailings impoundment or waste site.

(2) Except as provided in subsection (4), the permit provided for in subsection (1) for a large-scale mineral development as defined in 90-6-302 *must* be conditioned to provide that activities under the permit may not commence until the impact plan is approved under 90-6-307 and until the permittee has provided a written guarantee to the department and to the hard-rock mining impact board of compliance within the time schedule with the commitment made in the approved impact plan, as provided in 90-6-307. If the permittee does not comply with that commitment within the time scheduled, the board, upon receipt of written notice from the hard-rock mining impact board, shall suspend the permit until it receives written notice from the hard-rock mining impact board that the permittee is in compliance.

(3) When the department determines that a permittee has become or will become a large-scale mineral developer pursuant to 82-4-339 and 90-6-302(4) and provides notice as required under 82-4-339, within 6 months of receiving the notice, the permittee shall provide the board with proof that he has obtained a waiver of the impact plan requirement from the hard-rock mining impact board or that he has filed an impact plan with the hard-rock mining impact board and the appropriate county or counties. If the permittee does not file the required proof or if the hard-rock mining impact board certifies to the board that the permittee has failed to comply with the hard-rock mining impact review and implementation requirements in Title 90, chapter 6, parts 3 and 4, the board shall suspend the permit until the permittee files the required proof or until the hard-rock mining impact board certifies that the permittee has complied with the hard-rock mining impact review and implementation requirements.

(4) Compliance with 90-6-307 is not required for exploration and bulk sampling for metallurgical testing when the aggregate samples are less than 10,000 tons.

*(5) A person may not be issued an operating permit if that person's failure to comply with the provisions of this part, the rules adopted under this part, or a permit or license issued under this part has resulted in the forfeiture of a bond unless that person meets the conditions described in [section 7].*"

Section 5. Section 82-4-361, MCA, is amended to read:

"**82-4-361. Violation — penalties — waiver.** (1) A person who violates any of the provisions of this part, *the* rules or orders adopted under this part *(*except 82-4-339*)*, or *the* conditions of a small-miner exemption shall pay a civil penalty of not less than $100 or more than $1,000 for the violations and an additional civil penalty of not less than $100 or more than $1,000 for each day during which a violation continues

HeinOnline -- 1989 vol. I 199 1989

and may be enjoined from continuing such violations as provided in this section. These penalties *are* recoverable in any action brought in the name of the state of Montana by the attorney general in the district court of the first judicial district of this state in and for the county of Lewis and Clark or in the district court having jurisdiction of the defendant.

(2) The attorney general shall, upon the request of the department, sue for the recovery of the penalties provided for in this section and bring an action for a restraining order *or a* temporary or permanent injunction against an operator or other person violating or threatening to violate an order adopted under this part.

*(3) The civil penalties provided for in this section may be waived for a minor violation if it is determined that the violation does not represent potential harm to public health, public safety, or the environment and does not impair the administration of this part. The board shall adopt rules to implement and administer a procedure for waiver of a penalty under this subsection."*

Section 6. Section 82-4-362, MCA, is amended to read:

**"82-4-362. Suspension of permits — hearing.** (1) If any of the requirements of this part, the rules *adopted under this part,* or the reclamation plan have not been complied with within the time limits set by the department or board or by this part, the department shall serve a notice of noncompliance on the licensee or permittee or, *if* necessary, the commissioner shall order the suspension of the permit. The notice or order *must* be handed to the licensee or permittee in person or served by certified or registered mail addressed to the permanent address shown on the application for a permit. The notice of noncompliance *must* specify in what respects the operator has failed to comply with this part, the rules *adopted under this part,* or the reclamation plan.

(2) If the licensee or permittee has not complied with the requirements set forth in the notice of noncompliance or order of suspension within the time limits set therein, the permit may be revoked by order of the board and the performance bond forfeited to the department. *The licensee or permittee is entitled to a hearing before the department on the revocation of a permit or license or the forfeiture of a performance bond if a hearing is requested within 30 days after service of notice as provided in subsection (1). The notice must state when those measures may be undertaken and must give notice of opportunity for a hearing. If a hearing is requested within the 30-day period, the permit or license may not be revoked and the bond may not be forfeited until a final decision is made by the department.*

(3) If a permittee fails to pay the fee or file the report required under 82-4-339, the department shall serve notice of this failure, by certified mail or personal delivery, on the permittee. If the permittee does not comply within 30 days of receipt of the notice, the commissioner shall suspend the permit. The commissioner shall reinstate the permit upon compliance."

Section 7. **Activity prohibited if bond forfeited — exception.** (1) Except as provided in subsection (2), a person may not conduct mining or exploration activities in this state if that person or any firm or business

HeinOnline -- 1989 vol. I 200 1989

association of which that person was a principal or controlling member had a bond forfeited under this part.

(2) A person described in subsection (1) may apply for an operations permit or an exploration license or may conclude a written agreement under 82-4-305 if that person first pays to the department:

(a) the full amount of the necessary expenses incurred by the board under 82-4-341(5) for reclamation of the area for which the bond was forfeited;

(b) the full amount of any penalties assessed under this part; and

(c) interest on these amounts and penalties incurred at the rate of 6% per year.

Section 8. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 9. **Codification instruction.** [Section 7] is intended to be codified as an integral part of Title 82, chapter 4, part 3, and the provisions of Title 82, chapter 4, part 3, apply to [section 7].

STATEMENT OF INTENT

A statement of intent is required for this bill because [sections 4 and 13] grant or extend rulemaking authority to the board of medical examiners in order to implement the provisions of this bill.

At a minimum, it is intended that the rules address the following topics:

(1) authorization for prescribing, dispensing, and administering drugs by a physician assistant-certified, including the extent and limitations of the prescribing and dispensing authority, required recordkeeping, and refilling of prescriptions; and

(2) considerations pertinent to approval of locum tenens utilization plans.

*Be it enacted by the Legislature of the State of Montana:*

Section 3. **Physician assistant-certified as agent of supervising physician.** (1) In establishing protocol, a physician assistant-certified must be considered the agent of the supervising physician with regard to all duties delegated to the physician assistant-certified under the utilization plan. A health care provider shall consider the instructions of a physician assistant-certified as being the instructions of the supervising physician as long as the instructions concern the duties delegated to the physician assistant-certified under the utilization plan.

(2) The supervising physician and the physician assistant-certified are responsible for making available a copy of the approved utilization plan to all other health care practitioners with whom they reasonably believe they will interact on a regular basis.

(3) Nothing in this chapter may be construed to conflict with the provisions of 37-3-322.

Section 4. **Prescribing and dispensing authority — discretion of supervising physician on limitation of authority.** (1) A physician assistant-certified may prescribe, dispense, and administer drugs to the extent authorized by the board by rule, by the utilization plan, or both. The prescribing, dispensing, and administration of drugs are also subject to the authority of the supervising physician, and the supervising physician in his discretion may impose additional limitations on the prescribing and dispensing authority granted by the board.

HeinOnline -- 1989 vol. I 206 1989

(e) Drugs dispensed by a physician assistant-certified must be prepackaged by a licensed pharmacist, except that samples provided by a pharmaceutical company representative may be dispensed.

(f) Prescriptions written by physician assistants-certified must comply with regulations relating to prescription requirements adopted by the board of pharmacy.

(g) The board shall adopt rules regarding the refilling of prescriptions written by physician assistants-certified.

AN ACT PROVIDING FOR CANCELLATION AND REISSUANCE OF A MOTOR VEHICLE CERTIFICATE OF OWNERSHIP CONTAINING AN ERROR CAUSED BY THE DEPARTMENT OF JUSTICE; CREATING A MISDEMEANOR OFFENSE FOR FAILING TO RETURN A CERTIFICATE FOLLOWING ACTUAL NOTICE OF THE DEPARTMENT'S DEMAND FOR THE RETURN; AND AMENDING SECTION 61-3-201, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 61-3-201, MCA, is amended to read:

**"61-3-201. Transfer of interest — cancellation of erroneous certificate of ownership.** (1) Upon a transfer of any interest in a motor

HeinOnline -- 1989 vol. I 221 1989

vehicle registered under the provisions of this chapter, the person whose interest is to be transferred shall write his signature with pen and ink upon the certificate of ownership issued for *the* vehicle in the appropriate space provided upon the reverse side of the certificate, and his signature *must* be acknowledged before a notary public.

(2) Within 20 calendar days thereafter, the transferee shall forward both the endorsed certificate of ownership with the odometer mileage statement required under 61-3-206 and the certificate of registration, together with the information required under 61-3-202, to the county treasurer, who shall forward them to the department. *The department may not issue a* certificate of ownership or certificate of registration until the outstanding certificates are surrendered to that office or their loss is established to its reasonable satisfaction. Failure to make application within the 20-day grace period subjects the transferee to a penalty of $10. The *county treasurer shall collect the* penalty at the time of registration. *The penalty* is in addition to the fees otherwise provided by law. If the transferee *does* not *make* application within 25 days, a creditor or secured party may pay the fees for the transfer of title and filing of security interest or lien in order to have title transferred to the transferee and have the security interest or lien filed. The creditor or secured party is not liable for the penalty, registration fees, or taxes. The department shall return the certificate of title to the county treasurer as provided in 61-3-103(1). When the certificate of ownership is returned by the department to the county treasurer, the treasurer shall hold the certificate of ownership until the vehicle is properly registered.

(3) In the event of a transfer by operation of law of any interest in a motor vehicle as upon inheritance, devise, or bequest, order in bankruptcy or insolvency, execution sale, repossession upon default in the performance of the terms of a lease or executory sales contract, or otherwise than by voluntary act of the person whose title or interest is transferred, the executor, administrator, receiver, trustee, sheriff, or other representative or successor in interest of the person whose interest is transferred shall forward to the department an application for a certificate of ownership in the form required for an original application for a certificate of ownership, together with a verified or certified statement of the transfer of such interest. The statement *must* set forth the reason for the involuntary transfer, the interest transferred, the name of the person to whom the interest is to be transferred, the process of procedure effecting *the* transfer, and other information requested by the department. Evidence and instruments otherwise required by law to effect a transfer of legal or equitable title to or an interest in chattels as may be required in such cases *must* be furnished with the statement. If the department is satisfied that the transfer is regular and that all formalities required by law have been complied with, it shall send to the owner, conditional sales vendor, lessor, mortgagee, and other lienor, as shown by its records, notice of the intended transfer and, not less than 5 days thereafter, shall issue a new certificate of ownership and certificate of registration to the *transferee.* The notice required *by this section* is complied with by deposit in the post office in Deer Lodge, Montana, *of the* notice, postage prepaid, addressed to the person at the respective address shown on its records.

HeinOnline -- 1989 vol. I 222 1989

(4) When the vehicle certificate of ownership that is involuntarily transferred is not registered in this state, the procedure *in subsection (3)* must be followed in applying for a new certificate of ownership and certificate of registration but the department need not send notice of intended transfer and shall issue a new certificate of ownership and a new certificate of registration to the person entitled thereto.

(5) (a) *If* the owner of one or more motor vehicles, trailers, semitrailers, or housetrailers registered *under this chapter* and not exceeding a combined value of $15,000 *dies* without leaving other property necessitating the procuring of letters of administration or letters testamentary, the surviving spouse or other heir unless *the* property is by will otherwise bequeathed may secure transfer of the decedent's certificate of ownership and the certificate of registration for the vehicle.

(b) The person seeking transfer of the certificate of ownership shall file an affidavit with the department setting forth the fact of survivorship and the name and address of any other heirs and other facts as are necessary *under subsection (5)(a)* to entitle the affiant to a transfer.

(c) The department is authorized to transfer the certificate of ownership and certificate of registration, subject to all security interests shown by its records, upon receipt of an affidavit showing that the affiant is entitled to a transfer under the provisions of subsection (5)(a) of this section.

(6) Nothing in subsection (5) *prevents* any secured party from assigning his interest in a motor vehicle registered under the provisions of this chapter to any other person without the consent of and without affecting the interest of the holder of the certificate of ownership and certificate of registration. Upon any assignment by a secured party of his security interest in any motor vehicle registered under this chapter, a copy of *the* assignment must be filed with the department and record *of the assignment* made upon its records.

(7) The *certificate* of ownership *is* valid until canceled by the department upon a transfer of any interest shown therein, and *annual renewal is not needed.*

*(8) (a) Upon its determination that a certificate of ownership contains an error caused by the department, the department may cancel the certificate of ownership and issue a replacement for the erroneous certificate if the owner has returned the certificate to be canceled.*

*(b) Any person who fails to return a certificate of ownership issued with an error caused by the department after receiving actual notice of the department's demand for the return of the certificate as required by subsection (8)(a) is guilty of a misdemeanor and upon conviction may be fined an amount not to exceed $500."*

Section 2. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

[SB 154]

AN ACT TO PROVIDE THAT THE DEPARTMENT OF STATE LANDS MAY KEEP CONFIDENTIAL CERTAIN GEOLOGIC INFORMATION RECEIVED FROM LESSEES.

STATEMENT OF INTENT

The legislature is extending the rulemaking authority of the board of land commissioners to allow the board to amend its existing mineral leasing rules to provide for protection of confidential information. The legislature intends that the rules be written broadly to cover all information that would legitimately be considered confidential by lessees, including, as appropriate, mineral quality and quantity, mineral location, mineral depth, cost of production, and the extent of the reserves. This information may include economic or engineering data. The legislature also intends that the rules establish a procedure whereby the lessee may notify the department of state lands of information it considers to be confidential and to be notified whether the department agrees before the lessee submits the information. Furthermore, the legislature intends that the rules include a process to protect the lessee's interests if the department considers declassification of the information at a future date.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Limitation on public inspection rights.** The department may withhold from public inspection any information obtained from a mining lessee or permittee under this part if the information relates to the geology of the mining lease or permit. The withholding is effective for as long as the department considers it necessary either to protect the mining lessee's or permittee's economic interest in the geologic information against unwarranted injury or to protect the public's best interest.

Section 2. **Limitation on public inspection rights.** The department may withhold from public inspection any information obtained from a lessee under this part if the information relates to the geology of the mining lease. The withholding is effective for as long as the department considers it necessary either to protect the lessee's economic interest in the geologic information against unwarranted injury or to protect the public's best interest.

Section 3. **Limitation on public inspection rights.** The department may withhold from public inspection any information obtained from a coal mining lessee or permittee under this part if the information relates to the geology of the mining lease or permit. The withholding is effective for as long as the department considers it necessary either to protect the lessee's or permittee's economic interest in the geologic information against unwarranted injury or to protect the public's best interest.

Section 4. **Limitation on public inspection rights.** The department may withhold from public inspection any information obtained from an oil

or gas lessee under this part if the information, including drill logs, seismic data, and lithographic descriptions, relates to the geology of the oil or gas lease. The withholding is effective for as long as the department considers it necessary either to protect the lessee's economic interest in the geologic information against unwarranted injury or to protect the public's best interest.

# CHAPTER NO. 111

[SB 30]

AN ACT AUTHORIZING THE DEPARTMENT OF REVENUE TO ENTER INTO THE INTERNATIONAL FUEL TAX AGREEMENT FOR THE TAXATION OF MOTOR FUELS USED BY VEHICLES OPERATED ON AN INTERJURISDICTIONAL BASIS; AND AMENDING SECTIONS 15-70-104 AND 15-70-302, MCA.

STATEMENT OF INTENT

[Section 1] of the bill requires the department of revenue to adopt rules implementing the International Fuel Tax Agreement. The rules are intended to provide for the exchange of information with member states, the timely collection and distribution of motor fuel taxes, and the efficient administration and enforcement of the provisions contained in the agreement.

The legislature intends that the rules to be adopted by the department should, at a minimum, address the following:

(1) the issuance of licenses and decals to Montana-based interstate carriers;

(2) the necessary forms and required procedures for an interstate carrier to report mileage, fuel consumption, and taxes due;

(3) the timely collection and distribution of taxes to member states;

(4) auditing and monitoring procedures for the enforcement of the agreement; and

(5) definition of terms and establishment of administrative policies and procedures to adhere to the terms of the agreement.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **International Fuel Tax Agreement.** (1) The department of revenue may enter into the International Fuel Tax Agreement for audits, exchange of information, and collection and distribution of motor fuel taxes pertaining to users of motor fuel in fleets of motor vehicles operated or

HeinOnline -- 1989 vol. I 231 1989

intended to operate across jurisdictional boundaries. The International Fuel Tax Agreement is not effective unless it is in writing and is signed by the department and the department has adopted rules implementing the agreement.

(2) The agreement may determine:

(a) the base jurisdiction for motor fuel users;

(b) motor fuel user records requirements;

(c) audit procedures;

(d) procedures for the exchange of information;

(e) persons eligible for tax licensing;

(f) the definition of qualified motor vehicles;

(g) bonding requirements;

(h) reporting requirements and periods;

(i) uniform penalty and interest rates for late reporting or payment of taxes;

(j) methods for collecting and forwarding of motor fuel taxes and penalties to another jurisdiction; and

(k) other provisions to facilitate the administration of the agreement.

(3) The department may, as required by the terms of the agreement, forward to officers of another jurisdiction any information in its possession relative to the manufacture, receipt, sale, use, transportation, or shipment of motor fuel. The department may disclose to officers of another jurisdiction the location of offices, motor vehicles, and other real and personal property of users of motor fuel.

(4) The agreement may provide each jurisdiction authority to audit the records of persons based in the jurisdiction to determine if the motor fuel taxes due each jurisdiction are properly reported and paid. Each jurisdiction shall forward the findings of the audits performed on persons based in the jurisdiction to each jurisdiction in which the person has taxable use of motor fuel. For a person not based in Montana who has taxable use of motor fuel in Montana, the department may serve the audit findings received from another jurisdiction in the form of an assessment on the person, as though an audit was conducted by the department.

(5) The agreement entered into pursuant to this section does not preclude the department from auditing the records of any person covered by the provisions of this chapter.

(6) If the specific requirements of the agreement, as the agreement reads on the effective date of adoption by the department, differ from the general provisions of this chapter or other rules promulgated by the department, the rules implementing the cooperative agreement prevail.

(7) The legal remedies for a person served with an order or assessment under this section are as prescribed in this chapter.

HeinOnline -- 1989 vol. I 232 1989

Section 2. **Definition.** (1) As used in [section 1], "motor fuel" means gasoline as defined in 15-70-201 and special fuel as defined in 15-70-301.

(2) As used in [sections 1 through 3], "agreement" means the International Fuel Tax Agreement provided for in [section 1].

Section 3. Section 15-70-104, MCA, is amended to read:

**"15-70-104. Rules to be established by department.** (1) The department of revenue shall have the power and it shall be its duty to adopt, publish, and enforce the rules consistent with and necessary for carrying out the provisions of this chapter.

(2) The department may prescribe, adopt, and enforce reasonable rules relating to the administration and enforcement of:

*(a)* part 3; *and*

*(b) the International Fuel Tax Agreement authorized by [section 1].*"

Section 4. Section 15-70-302, MCA, is amended to read:

**"15-70-302. Special fuel dealer's licenses and special fuel user's permits required — exceptions.** (1) It *is* unlawful for *a* person to act as a special fuel dealer in this state unless *the* person is the holder of an uncanceled fuel dealer's license issued to him by the department.

(2) Every special fuel user shall obtain annually from the department, prior to the use of special fuel for the propulsion of a motor vehicle or vehicles in this state, a special fuel user's permit and, except as provided in subsection (5), shall at all times display the original or a reproduced copy of the permit in each *special fuel* vehicle operated by him upon the highways. *The permit must* be exhibited for inspection on request of any checking station officer, Montana highway patrol officer, authorized employee of the department, or any other law enforcement officer. The special fuel user *is* responsible for reproducing clear and legible copies of the permit.

(3) A special fuel user's permit is not required of any person whose sole use of special fuel is for the propulsion of a privately operated passenger automobile provided the person purchases special fuel, tax paid, from a licensed special fuel dealer in this state. For purposes of this exemption, a privately operated passenger vehicle does not include a motor vehicle used for the transportation of persons for hire or for compensation or designed, used, or maintained primarily for transportation of property.

(4) Any out-of-state user who operates a special fuel vehicle solely for recreation or for religious, charitable, educational, or other eleemosynary purposes shall secure a special fuel user's courtesy vehicle permit. The permit *is* not transferable and *is* valid for 90 days. Permits will be issued at no cost to the user by the department, scale house personnel, and gross vehicle weight patrol crews. The department may require the user who has fuel capacity in excess of 30 gallons to file a report and pay the tax on fuel used in Montana on which the tax has not been paid.

(5) A special fuel user need not display the original or reproduced copy of the special fuel user's permit as required by subsection (2) if:

HeinOnline -- 1989 vol. I 233 1989

*(a) he is registered and licensed pursuant to the International Fuel Tax Agreement as authorized by [section 1] and the vehicle displays a license or decal issued pursuant to the agreement; or*

*(b)* the motor vehicle operated by him is a vehicle that is part of a motor vehicle fleet based in Montana that is proportionally registered under the provisions of 61-3-711 through 61-3-733;

*(c)* he obtains a registration card issued by the department of highways indicating the special fuel user's permit number; and

*(d)* the registration card indicating the special fuel user's permit number is carried in the vehicle and is available for inspection."

Section 5. **Collection of fuel tax.** The department of revenue and the department of highways may establish procedures under the International Fuel Tax Agreement to provide for the billing, collection, and administration of fuel taxes for those owners who proportionally register their fleet vehicles through the department of highways under 61-3-711 through 61-3-733.

Section 6. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 7. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 8. **Codification instruction.** [Sections 1, 2, and 5] are intended to be codified as an integral part of Title 15, chapter 70, part 1, and the provisions of Title 15, chapter 70, apply to [sections 1, 2, and 5].

# CHAPTER NO. 112

[SB 76]

AN ACT TO ADOPT A VARIABLE CONTRACT LAW AUTHORIZING LIFE INSURERS TO ESTABLISH SEPARATE ACCOUNTS TO PROVIDE FOR VARIABLE LIFE INSURANCE POLICIES AND VARIABLE ANNUITY CONTRACTS.

STATEMENT OF INTENT

A statement of intent is required for this bill because it delegates rulemaking authority to the commissioner of insurance in [section 5].

Although 33-1-313 delegates to the commissioner of insurance rulemaking authority to effectuate any provisions of the code, this bill substantively increases this power, necessitating a statement of intent.

[Section 5] empowers the commissioner of insurance with the sole authority to regulate the issuance and sale of variable contracts and allows

HeinOnline -- 1989 vol. I 234 1989

the commissioner to promulgate rules to carry out the provisions of this bill. The commissioner's authority to promulgate rules is limited in scope to the following areas:

(1) rules relating to maintaining reserves for guaranteed benefits and funds in a separate account;

(2) rules relating to valuation of assets allocated to a separate account;

(3) rules relating to the transfer of cash or securities among a life insurance company's accounts; and

(4) rules relating to the requirements of doing business under this bill.

All rules promulgated under this bill are subject to the provisions of the Montana Administrative Procedure Act.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Short title.** [Sections 1 through 6] may be cited as the "Montana Variable Contract Law".

Section 2. **Separate accounts for life insurance or annuities.** (1) Subject to the provisions of subsection (2), a domestic life insurer may establish one or more separate accounts and may allocate to such accounts the amounts necessary to provide for life insurance or annuities and benefits incidental thereto, payable in fixed or variable amounts, or both. The amounts allocated to such accounts may include without limitation proceeds applied under optional modes of settlement or under dividend options.

(2) Separate accounts for life insurance or annuities established under the provisions of subsection (1) are subject to the following:

(a) The income, gains, and losses, realized or unrealized, from assets allocated to a separate account must be credited to or charged against the account, without regard to other income, gains, or losses of the insurer.

(b) Except as provided for reserves for guaranteed benefits and funds in subsection (c):

(i) amounts allocated to a separate account and accumulations thereon may be invested and reinvested in any class of investment authorized under Title 33, chapter 2, part 8, if limitations under 33-2-806 on investments in stocks are not applicable;

(ii) the investments in the separate account or accounts may not be considered in applying the investment limitations otherwise applicable to the investments of the insurer.

(c) Except with the approval of the commissioner and under conditions relating to investments and other matters as he prescribes that recognize the guaranteed nature of the benefits provided, reserves for benefits guaranteed as to amount and duration and for funds guaranteed as to principal amount or stated rate of interest may not be maintained in a separate account.

HeinOnline -- 1989 vol. I 235 1989

(d) Unless otherwise approved by the commissioner, assets allocated to a separate account must be valued at their market value on the date of valuation or, if there is no readily available market, as provided under the terms of the contract or the rules or other written agreement applicable to that separate account; however, unless otherwise approved by the commissioner, the portion, if any, of the assets of that separate account equal to the insurer's reserve liability with regard to the guaranteed benefits and funds referred to in subsection (c) must be valued in accordance with the laws and rules otherwise applicable to the insurer's assets.

(e) Amounts allocated to a separate account in the exercise of the power granted by [sections 1 through 6] must be owned by the insurer, and the insurer may not be or hold itself out to be a trustee with respect to those amounts. If and to the extent provided under applicable contracts that portion of the assets of a separate account equal to the reserves and other contract liabilities with respect to the account are not chargeable with liabilities arising out of any other business the insurer may conduct.

(f) (i) No sale, exchange, or other transfer of assets may be made by an insurer between any of its separate accounts or between any other investment account and one or more of its separate accounts unless:

(A) in case of a transfer into a separate account, the transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made; or

(B) the transfer, whether into or from a separate account, is made by a transfer of cash or by a transfer of securities having a readily determinable market value and the transfer of securities is approved by the commissioner.

(ii) The commissioner may approve other transfers among these accounts if, in his opinion, transfers would not be inequitable.

(g) To the extent an insurer considers it necessary to comply with any applicable federal or state laws, the insurer, with respect to any separate account, including without limitation any separate account that is a management investment company or a unit investment trust account, may provide, for persons having an interest therein, appropriate voting and other rights and special procedures for the conduct of the business of that account, including without limitation special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and selection of a committee, the members of which need not be otherwise affiliated with the insurer, to manage the business of that account.

Section 3. **Contract to contain statement of essential features.** A contract providing benefits payable in variable amounts delivered or issued for delivery in this state must contain a statement of the essential features of the procedures to be followed by the insurer in determining the dollar amount of the variable benefits. A contract under which the benefits vary to reflect investment experience, including a group contract and a certificate evidencing the variable benefits issued thereunder, must state that the dollar amount will vary and must contain on its first page a statement to the effect that the benefits thereunder are on a variable basis.

HeinOnline -- 1989 vol. I 236 1989

Section 4. **Requirements for doing business.** (1) No insurer may deliver or issue for delivery within this state a variable contract unless the insurer is authorized to transact life insurance or annuity business in this state and the commissioner is satisfied that its condition or method of operation in connection with the issuance of variable contracts will not render its operation hazardous to the public or its policyholders in this state. In making such a determination, the commissioner must consider, among other things:

(a) the history and financial condition of the insurer;

(b) the character, responsibility, and fitness of the officers and directors of the insurer; and

(c) the laws and regulations under which the insurer is authorized in the state of domicile to issue variable contracts. For this purpose, the state of entry of an alien insurer is its place of domicile.

(2) The commissioner may consider an insurer to have met the provisions of this section if:

(a) the insurer is a subsidiary of an authorized life insurer or is affiliated with an authorized life insurer through common management or ownership; and

(b) either it, the parent, or the affiliated insurer meets the requirements of this section.

Section 5. **Powers of commissioner.** Except as provided in Title 30, chapter 10, parts 1 through 3, the commissioner has sole authority to regulate the issuance and sale of variable contracts and to adopt rules to carry out the purposes and provisions of [sections 1 through 6].

Section 6. **Variable contracts to meet insurance contract requirements.** (1) Except for 33-15-321 through 33-15-329, 33-20-302, and 33-20-307 for variable annuity contracts and 33-20-104, 33-20-111, 33-20-112, and 33-20-201 through 33-20-213 for variable life insurance policies and as otherwise provided in [sections 1 through 6], all pertinent provisions of Title 33 and other laws relating to insurance apply to separate accounts and their related policies and contracts.

(2) Any individual variable life insurance contract or any individual variable annuity contract delivered or issued for delivery in this state must contain grace and reinstatement provisions appropriate to the contract. Any individual variable life insurance contract must contain nonforfeiture provisions appropriate to such a contract.

(3) An insurer shall file with the commissioner a copy of a final prospectus, dated and effective, before it issues or delivers an individual variable life insurance contract or an individual variable annuity contract in this state.

(4) The reserve liability for any variable contract must be established in accordance with actuarial procedures that recognize the variable nature of benefits provided and mortality guarantees.

HeinOnline -- 1989 vol. I 237 1989

Section 7. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 8. **Codification instruction.** [Sections 1 through 6] are intended to be codified as an integral part of Title 33, chapter 20, and the provisions of Title 33, chapter 20, apply to [sections 1 through 6].

Section 9. **Saving clause.** [This act] does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

Section 10. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved March 16, 1989.

(v) for the fifth year of service purchased, the member's earned compensation for the 1988-89 school year or for his 25th year of service, whichever year is later.

(3) On or after July 1, 1989, a member eligible to purchase creditable service under 19-4-402, 19-4-403, 19-4-408, 19-4-410, or 19-4-411 may not purchase additional service under this section unless he elects in writing to:

(a) waive his eligibility to purchase creditable service under 19-4-402, 19-4-403, 19-4-408, 19-4-410, or 19-4-411; and

(b) apply the accumulated contributions made under 19-4-402, 19-4-403, 19-4-408, 19-4-410, or 19-4-411 to the cost of additional service purchased under this section.

(4) Additional service purchased under this section may not be used to qualify a member for service retirement.

Section 2. Section 19-4-402, MCA, is amended to read:

**"19-4-402. Creditable service for out-of-state employment.** A person applying for membership *before July 1, 1989,* may also apply for creditable service in the retirement system for out-of-state employment service that would have been acceptable under the provisions of this chapter if *the* service had been performed in the state of Montana. The person shall be awarded creditable service, conditional upon his completing 5 years of active membership in Montana, for the number of years, not exceeding 5, that the retirement board determines to be creditable service, if he contributes to the retirement system an amount equal to the combined employer and employee contribution for his first full year's teaching salary earned in Montana after his out-of-state service for each year of creditable service plus interest at the rate the contribution would have earned had the contribution been in his account upon the completion of 5 years of

membership service in Montana. The contribution rate shall be that rate in effect at the time he is eligible for *the* service. The contributions may be made in a lump-sum payment or in installments as agreed between the person and the retirement board."

Section 3. Section 19-4-403, MCA, is amended to read:

**"19-4-403. Creditable service for employment while on leave.** A person applying for membership *before July 1, 1989,* may also apply for creditable service in the retirement system for employment while on leave. The person shall be awarded creditable service, conditional upon his having been a member prior to his leave and upon his completing 5 years of active membership in Montana subsequent to his return, if his employment while on leave enhanced his teaching experience as determined by the board. The person shall be awarded creditable service as determined by the board in an amount not exceeding 2 years, if he contributes to the retirement system an amount equal to the combined employer and employee contributions for his first full year's teaching salary earned in Montana after his return from leave for each year of creditable service plus interest at the rate the contribution would have earned had the contribution been in his account upon the completion of 5 years of membership service in Montana. The contribution rate shall be that rate in effect at the time he is eligible for *the* service. The contribution may be made in a lump-sum payment or in installments as agreed between the person and the retirement board."

Section 4. Section 19-4-404, MCA, is amended to read:

Creditable service for active service in military, red cross, or merchant marine.** (1) A member may receive up to 4 years of creditable service without cost for active service in the armed forces of the United States, which includes the army, navy, marine corps, air force, and coast guard, during the Vietnam conflict between August 5, 1964, and May 7, 1975, both dates inclusive, if he has 5 years or more of creditable service in the retirement system. To qualify this service, a member shall submit to the board a completed application form and proper certification of his military service.

(2) *(a)* If a member is ineligible for service credit under subsection (1), he may apply under the provisions of this subsection for creditable service in the retirement system, *except as provided in subsection (2)(b),* for active service in the armed forces of the United States, which includes the army, navy, marine corps, air force, and coast guard, or in the American red cross or merchant marine. The person shall be awarded creditable service, conditional upon his completing 5 years of active membership in Montana, for the number of years, not exceeding 2, that the retirement board determines to be creditable service, if he contributes to the retirement system an amount equal to the combined employer and employee contributions for his first full year's teaching salary earned in Montana following the active service in the armed forces of the United States, the American red cross, or *the* merchant marine for each year of creditable service plus interest at the rate the contribution would have earned had the contribution been in his account upon completion of 5 years of membership service in Montana. The contribution rate shall be that rate in effect at the time he is eligible for *the* service.

HeinOnline -- 1989 vol. I 240 1989

*(b) If a member elects to purchase additional service under [section 1], service purchased under this subsection (2) may be used only for the purpose of calculating his retirement allowance and may not be considered creditable service for the purpose of determining eligibility under 19-4-801 or 19-4-802.*

*(3)* The contribution *required under subsection (2)* may be made in a lump-sum payment or in installments as agreed between the person and the retirement board."

Section 5. Section 19-4-408, MCA, is amended to read:

**"19-4-408. Creditable service for employment in private schools.** A person applying for membership *before July 1, 1989,* may also apply for creditable service in the retirement system for employment service in a private elementary, secondary, or postsecondary educational institution. Employment service must be of an instructional nature or be employment as an administrative officer or a member of the scientific staff. Employment service does not include students employed by a private elementary, secondary, or postsecondary educational institution. The person shall be awarded creditable service, conditional upon his completing 5 years of active membership in the retirement system, for the number of years, not exceeding 5, that the retirement board determines to be creditable service, if he contributes to the retirement system an amount equal to the combined employer and employee contribution for his first full year's teaching salary earned after becoming a member of the retirement system or returning to the retirement system, whichever is later, for each year of creditable service plus interest at the rate the contribution would have earned had the contribution been in his account upon the completion of 5 years of membership service. The contribution rate shall be that rate in effect at the time he is eligible for such service. The contributions may be made in lump-sum payment or in installments as agreed between the person and the retirement board. The provisions of 19-4-405 apply to creditable service purchased under this section."

Section 6. Section 19-4-410, MCA, is amended to read:

*(b)* the service involved instructional service at a unit of the Montana university system; and

*(c)* the member received a refund of his membership contributions under the civil service retirement system or the federal employees' retirement system for the service to be qualified.

(2) To qualify service under this section, the member shall contribute to the retirement system an amount equal to the combined employer and

HeinOnline -- 1989 vol. I 241 1989

The contribution rate must be that rate in effect at the time he is eligible for *the* service.

(3) Contributions to qualify service under this section may be made in a lump-sum payment or in installments as agreed upon by the member and the retirement board."

Section 7. Section 19-4-411, MCA, is amended to read:

**"19-4-411. Absence due to employment-related injury.** (1) (a) Subject to the limitation in subsection (5), time during which a member is absent because of an injury related to employment covered by the retirement system that entitles him to workers' compensation payments may be qualified under the retirement system *if the member was a member of the retirement system before July 1, 1989.* To qualify this service, a member shall contribute to the retirement system, upon his return to contributing membership service, an amount equal to:

(i) the contributions which would have been made by him had he not been absent, based on his compensation at the commencement of his absence;

(ii) interest, which begins to accrue 1 year from the date he returns to covered employment; and

(iii) interest not paid by the employer under subsection (1)(b).

(b) Whenever a member elects to contribute under subsection (1)(a), the employer shall contribute an amount equal to the contributions which would have been made by the employer had the member not been absent, based on the member's compensation at the commencement of his absence. The employer may contribute an amount equal to the interest accruing on the employer's contributions calculated in the same manner as interest on the employee's contributions under subsection (1)(a). If the employer elects not to pay the interest, this amount must be paid by the employee.

(2) A member shall file with the retirement board a written notice of his intent to pay the contributions under subsection (1)(a).

(2) Any retired member may be employed as a part-time or substitute teacher in Montana and may earn, without loss of retirement benefits, an amount not to exceed the greater of:

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 71-1-302, MCA, is amended to read:

**"71-1-302. Policy.** Because the financing of homes and business expansion is essential to the development of the state of Montana and because financing *of homes and business expansion*, usually involving areas of real estate of not more than *30* acres, has been restricted by the laws relating to mortgages of real property and because more financing of homes and business expansion is available if the parties can use security instruments and procedures not subject to all the provisions of the mortgage laws, it is hereby declared to be the public policy of the state of Montana to permit the use of trust indentures for estates in real property of not more than *30* acres as provided *in this part.*"

Section 2. Section 71-1-303, MCA, is amended to read:

**"71-1-303. Definitions.** As used in this part, unless the context requires otherwise, the following definitions apply:

(1) "Beneficiary" means the person named or otherwise designated in a trust indenture as the person for whose benefit a trust indenture is given or his successor in interest, and who shall not be the trustee.

(2) "*Thirty* acres" means *30* acres of land.

(3) "Grantor" means the person conveying real property by a trust indenture as security for the performance of an obligation.

(4) "Trust indenture" means an indenture executed in conformity with this part and conveying real property to a trustee in trust to secure the performance of an obligation of the grantor or other person named in the indenture to a beneficiary.

(5) "Trustee" means a person to whom the legal title to real property is conveyed by a trust indenture or his successor in interest."

Section 3. Section 71-1-304, MCA, is amended to read:

**"71-1-304. Trust indentures authorized — power of sale for breach in trustee.** (1) Transfers in trust of any interest in real property of an area not exceeding *30* acres may be made to secure the performance of an obligation of a grantor or any other person named in the indenture to a beneficiary provided that it *is* unlawful to substitute a trust indenture for any mortgage in existence on March 5, 1963.

HeinOnline -- 1989 vol. I 244 1989

(2) Where any transfer in trust of any interest in real property is made to secure the performance of *the* obligation *referred to in subsection (1)*, a power of sale is conferred upon the trustee to be exercised after a breach of the obligation for which *the* transfer is security.

(3) A trust indenture executed in conformity with this part may be foreclosed by advertisement and sale in the manner provided *in this part* or, at the option of the beneficiary, by judicial procedure as provided by law for the foreclosure of mortgages on real property. The power of sale may be exercised by the trustee without express provision in the trust indenture.

(4) Where the trust indenture states that the real property involved does not exceed *30* acres, *the* statement *is* binding upon all parties and conclusive as to compliance with the provisions of this part relative to the power to make a transfer, trust, and power of sale."

[HB 421]

AN ACT PROVIDING A POSTRETIREMENT ADJUSTMENT FOR CERTAIN MEMBERS OF THE PUBLIC EMPLOYEES', TEACHERS', SHERIFFS', AND STATE GAME WARDENS' RETIREMENT SYSTEMS OR THEIR BENEFICIARIES; AND PROVIDING AN EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Eligibility for postretirement adjustment.** (1) Except as provided in subsection (2), a member or beneficiary is eligible to receive a postretirement adjustment as provided in [section 3] if he is receiving a:

(a) service retirement allowance and is 55 years of age or older on or before June 30 in the year that the postretirement adjustment is made; or

(b) disability or survivorship allowance.

(2) A member or beneficiary is ineligible to receive a postretirement adjustment under subsection (1) unless he has been receiving a monthly service, disability, or survivorship allowance for at least 24 consecutive months on or before June 30 in the year the adjustment is made.

Section 2. **Funding for postretirement adjustment — reserve fund.** (1) At the end of each fiscal year, the board shall determine the total investment income earned on the retirement fund for that fiscal year. From this amount, the board shall subtract the:

(a) actuarial amount required to fund the retirement system for the fiscal year; and

HeinOnline -- 1989 vol. I 245 1989

(b) retirement system's administrative and investment expenses for the fiscal year.

(2) (a) From the remainder obtained in subsection (1), the board shall calculate the amount of investment income earned on that portion of the retirement fund balance representing retired members.

(b) The board shall deposit the amount calculated in subsection (2)(a) in a reserve fund.

(3) Subject to the restrictions contained in subsections (4) and (5), the board shall annually use 90% of the amount in the reserve fund provided for in subsection (2)(b) to pay a postretirement adjustment to eligible members or beneficiaries under [section 3].

(4) If the amount in the reserve fund is insufficient to provide an average monthly postretirement adjustment of at least $1 under [section 3], an adjustment may not be made in that calendar year.

(5) The amount available for payment of the postretirement allowance is limited to an amount that would provide a percentage increase in the average service, disability, or survivorship allowance of all eligible members, when combined with the postretirement adjustment, that is equal to or less than the percentage increase for the previous calendar year in the annual average consumer price index for urban wage earners and workers compiled by the bureau of labor statistics, United States department of labor, or its successor agency.

Section 3. **Payment and amount of postretirement adjustment.** (1) Effective January 1 of each year that funds are available under [section 2], a member or beneficiary eligible under [section 1] shall receive a postretirement adjustment in the form of a monthly benefit payable for life.

(2) The board shall calculate the amount of the postretirement allowance payable to an eligible member or beneficiary by:

(a) dividing the amount available under [section 2(3)] for payment of the postretirement allowance by the total accumulated years of service for all eligible members and beneficiaries;

(b) multiplying the quotient obtained in subsection (2)(a) by the member's total years of service;

(c) dividing the product obtained in subsection (2)(b) by a factor for calculating a monthly annuity from actuarial tables adopted by the board; and

(d) applying the provisions contained in subsections (3) and (4).

(3) If a member had elected to receive an optional retirement allowance, the amount of his postretirement allowance must be adjusted by the appropriate optional factor.

(4) If more than one beneficiary is receiving a member's retirement allowance, the postretirement adjustment must be divided in the same manner as the member's retirement allowance.

HeinOnline -- 1989 vol. I 246 1989

Section 4. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

## CHAPTER NO. 119

[SB 177]

AN ACT CREATING AN ADMINISTRATIVE PROCEDURE FOR DETERMINING PATERNITY OF CHILDREN RECEIVING CHILD SUPPORT ENFORCEMENT SERVICES FROM THE STATE; AUTHORIZING THE DEPARTMENT OF REVENUE TO DETERMINE PATERNITY IN CONTESTED AND UNCONTESTED CASES; COMPELLING PATERNITY BLOOD TESTS WHEN PATERNITY IS CONTESTED; CREATING A REBUTTABLE PRESUMPTION OF PATERNITY BASED ON PATERNITY BLOOD TEST RESULTS; EXPEDITING RESOLUTION OF CONTESTED PATERNITY CASES IN DISTRICT COURT; AND AMENDING SECTION 40-5-201, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 40-5-201, MCA, is amended to read:

**"40-5-201. Definitions.** As used in this part, the following definitions apply:

HeinOnline -- 1989 vol. I 251 1989

*(1) "Alleged father" means a man who is alleged to have engaged in sexual intercourse with a child's mother during a possible time of conception of the child or a man who is presumed to be a child's father under the provisions of 40-6-105.*

*(2)* "Child" or "dependent child" means any person under 18 years of age who is not otherwise emancipated, self-supporting, married, or a member of the armed forces of the United States *and for whom:*

*(a) support rights are assigned under 53-2-613;*

*(b) a public assistance payment has been made;*

*(c) the department is providing support enforcement services under 40-5-203; or*

*(d) the department has received a referral for interstate services from an agency of another state under the provisions of the Uniform Reciprocal Enforcement of Support Act or under Title IV-D of the Social Security Act.*

*(3)* "Department" means the department of revenue.

*(4)* "Director" means the director of the department of revenue or his authorized representative.

*(5)* "Disposable earnings" means that part of the earnings of any individual remaining after the deduction from those earnings of any amount required by law to be withheld.

*(6)* "District court order" means any judgment or order of the district court of the state of Montana or an order of a court of appropriate jurisdiction of another state ordering payment of a set or determinable amount of support money.

*(7)* "Earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus, or otherwise, and specifically includes periodic payments under pension or retirement programs or insurance policies of any type. "Earnings" specifically includes all gain derived from capital, labor, or both combined, including profit gained through sale or conversion of capital assets.

*(8)* "Need" means the necessary costs of food, clothing, shelter, and medical care for the support of a dependent child or children.

*(9) "Paternity blood test" means a test that demonstrates through examination of genetic markers either that an alleged father is not the natural father of a child or that there is a probability that an alleged father is the natural father of a child. Paternity blood tests may include but are not limited to the human leukocyte antigen test and DNA probe technology.*

*(10)* "Public assistance" means any type of monetary or other assistance, including medical and foster care benefits, furnished to a person by a state or county agency, regardless of the original source of the assistance.

*(11)* "Responsible parent" means the natural or adoptive parent of a dependent child.

*(12)* "Support debt" or "support obligation" means:

(a) the sum created by the failure to provide support to a dependent child under the laws of this state or the decree of any court of appropriate jurisdiction ordering a sum to be paid as child support; or

(b) the sum created by a decree or order of any court of appropriate jurisdiction ordering a sum to be paid as spousal maintenance under chapter 4, part 2, of this title when the judgment or order requiring payment of maintenance also contains a judgment or order requiring payment of child support for a child of whom the person awarded maintenance is the custodial parent."

Section 2. **Jurisdiction and venue.** (1) For purposes of an administrative action brought under [sections 2 through 8], personal jurisdiction is established in the department over any person who has had sexual intercourse in this state that has resulted in the birth of a child who is the subject of such proceedings and over any person subject to the provisions of Rule 4B of the Montana Rules of Civil Procedure, including but not limited to the child, the child's parents, any person having custody of the child, and any alleged father.

(2) Personal jurisdiction over the persons described in subsection (1) may be acquired by personal service or by service of notice by certified mail.

(3) If the child or either parent resides in this state, a hearing under [sections 2 through 8] may be held in the county where:

(a) the child resides;

(b) either parent resides; or

(c) the department or any of its regional offices is located.

Section 3. **Establishment of paternity — notice of paternity determination — contents.** (1) When the paternity of a child has not been legally established under the provisions of Title 40, chapter 6, part 1, or otherwise, the department may proceed to establish paternity under the provisions of [sections 2 through 8]. An administrative hearing held under the provisions of [sections 2 through 8] is a contested case within the meaning of 2-4-102 and is subject to the provisions of Title 2, chapter 4, except as otherwise provided in [sections 2 through 8].

(2) It is presumed to be in the best interest of a child to legally determine and establish his paternity. A presumption under this subsection may be rebutted by a preponderance of the evidence.

(3) In any proceeding under [sections 2 through 8], if a man acknowledges his paternity of a child in writing and such acknowledgment is filed with the department, the department may enter an order establishing legal paternity. An acknowledgment is binding on a parent who executes it, whether or not he is a minor.

(4) The department shall commence proceedings to establish paternity by serving on an alleged father a notice of paternity determination. The department may not serve such notice unless it has:

HeinOnline -- 1989 vol. I 253 1989

(a) a sworn statement from the child's mother claiming that the alleged father is the child's natural father;

(b) evidence of the existence of a presumption of paternity under 40-6-105; or

(c) any other reasonable cause to believe that the alleged father is the child's natural father.

(5) Service on the alleged father of the notice of paternity determination shall be made as provided in [section 2(2)]. The notice must include:

(a) an allegation that the alleged father is the natural father of the child involved;

(b) the child's name and place and date of birth;

(c) the name of the child's mother and the name of the person or agency having custody of the child, if other than the mother;

(d) the probable time or period of time during which conception took place;

(e) a statement that if the alleged father fails to timely deny the allegation of paternity, the question of paternity may be resolved against him without further notice;

(f) a statement that if the alleged father timely denies the allegation of paternity:

(i) he is subject to compulsory blood testing;

(ii) a blood test may result in a presumption of paternity; and

(iii) he may request a trial in district court to determine paternity before the final administrative decision is made.

(6) The alleged father may file a written denial of paternity with the department within 20 days after service of the notice of paternity determination.

(7) When there is more than one alleged father of a child, the department may serve a notice of paternity determination on each alleged father in the same consolidated proceeding or in separate proceedings. Failure to serve notice on an alleged father does not prevent the department from serving notice on any other alleged father of the same child.

Section 4. **Establishment of paternity — administrative hearing — subpoena — compulsory blood testing.** (1) When the department receives a timely written denial of paternity, it may order the alleged father to appear for an administrative hearing. The hearing may be conducted by teleconferencing methods. If the testimony and other supplementary evidence demonstrate a reasonable probability that the alleged father had sexual intercourse with the child's mother during the probable time of the child's conception or if the evidence shows a probable existence of a presumption under 40-6-105, the department may issue a subpoena ordering the alleged father to submit to paternity blood testing. A reasonable probability of sexual intercourse during the possible time of conception may be established by affidavit of the child's mother.

HeinOnline -- 1989 vol. I 254 1989

(2) If the department does not receive a timely written denial of paternity or if an alleged father fails to appear at a scheduled hearing or for a scheduled paternity blood test, the department may enter an order declaring the alleged father the legal father of the child. The order will take effect within 10 days after entry of the default unless the alleged father before the tenth day presents good cause for failure to make a timely denial or for failure to appear at the hearing or to undergo paternity blood testing. The department may not enter an order under this section if there is more than one alleged father unless the default applies to only one of them and all others have been excluded by the results of paternity blood testing. An order issued under the provisions of this section may be set aside as provided in [section 6(3)].

(3) If the rights of others and the interests of justice so require, the department may apply to any district court under the provisions of 2-4-104 for an order compelling an alleged father to submit to paternity blood testing. The court shall hear the matter as expeditiously as possible. If the court finds reasonable cause to believe that the alleged father is the natural or presumed father of the child, the court shall enter an order compelling the alleged father to submit to a paternity blood test. As provided in subsection (1), reasonable cause may be established by affidavit of the child's mother.

Section 5. **Paternity blood tests — use of expert's affidavit — effect of test results.** (1) The department shall appoint an expert who is qualified in examining genetic markers to conduct any paternity blood test required by [section 4]. If the issue of paternity is referred to the district court under [section 7], the expert's completed and certified report of the results and conclusions of a paternity blood test is admissible as evidence without additional testimony by the expert if the laboratory in which the expert performed the test is accredited for parentage testing by the American association of blood banks. Accreditation may be established by verified statement or reference to published sources.

(2) An affidavit documenting the chain of custody of any blood specimen is admissible to establish such chain of custody.

(3) If the scientific evidence resulting from a blood test:

(a) conclusively shows that the alleged father could not have been the natural father, the question of paternity shall be resolved accordingly. A finding under this subsection is sufficient to overcome a presumption created by 40-6-105.

(b) shows a 95% or higher statistical probability of paternity, the alleged father is presumed to be the natural father of the child. This presumption may be rebutted in an appropriate action in district court by a preponderance of the evidence.

(c) does not exclude the alleged father and shows less than a 95% statistical probability of paternity, the test results may be weighed in conjunction with other evidence to establish paternity.

Section 6. **Effect of order establishing paternity — birth records — relief from order.** (1) An administrative order of the department

declaring the paternity of a child, docketed as provided in 40-5-227, establishes the legal existence of the parent and child relationship for all purposes and confers or imposes all parental rights, privileges, duties, and obligations.

(2) Upon the request of the mother or father of the child, the department shall file a copy of its order with the department of health and environmental sciences, which shall prepare a substitute certificate of birth, if necessary, consistent with the administrative order. The substitute certificate of birth is subject to the provisions of 40-6-123, with references to "court" taken to mean "department".

(3) Except for an order based on a voluntary acknowledgment of paternity, the department may set aside an administrative order establishing the paternity of a child upon the application of any affected party and upon a showing of any of the grounds and within the time frames provided in Rule 60(b) of the Montana Rules of Civil Procedure.

(4) An order of the department under [sections 3 through 6] may be reviewed under the provisions of Title 2, chapter 4, part 7.

Section 7. **Referral of paternity issue to district court — record — parties — exclusion of other matters — fees.** (1) If the scientific evidence resulting from a blood test does not exclude the alleged father and he continues to deny paternity, the department shall refer the matter to the district court for a determination based on the contents of the administrative hearing record and any further evidence that may be produced at trial. Except as otherwise provided in [sections 2 through 8], proceedings in the district court shall be conducted pursuant to Title 40, chapter 6, part 1.

(2) The administrative record must include:

(a) a copy of the notice of paternity determination and the return of service thereof;

(b) the alleged father's written denial of paternity, if any;

(c) the transcript of the administrative hearing;

(d) the paternity blood test results and any report of an expert based on the results; and

(e) any other relevant information.

(3) Upon filing of the record with the district court, the court acquires jurisdiction over the parties as if they had been served with a summons and complaint. The department shall serve written notice upon the alleged father as provided in [section 2 (2)] that the issue of paternity has been referred to the district court for determination.

(4) In a proceeding in the district court, the department shall appear on the issue of paternity only. The court may not appoint a guardian ad litem for the child unless the court in its discretion determines that such an appointment is necessary and in the best interest of the child. Neither the mother nor the child is a necessary party, but either may testify as a witness.

(5) No other matter may be joined with an action to determine the existence or nonexistence of the parent and child relationship under this

HeinOnline -- 1989 vol. I 256 1989

section. The parties shall institute an independent action to address other issues, including visitation and custody.

(6) Except as provided in 25-10-711, the department is not liable for attorney fees, including fees for attorneys appointed under 40-6-119, or fees of a guardian ad litem appointed under 40-6-110.

Section 8. **District court proceedings — objection to tests — additional tests.** (1) If an alleged father objects to the procedures for or the results of a paternity blood test, he shall file a written objection with the court within 20 days after service of the notice required by [section 7(3)]. The court shall order an additional paternity blood test if a written objection is filed or at the request of the department. An additional test must be performed by the same or another expert who is qualified in paternity blood testing. Failure of the alleged father to make a timely challenge is considered a waiver of any defense to the test results or test procedures, including the chain of custody.

(2) In any hearing before the court or at trial, testimony relating to sexual intercourse of the mother with any person who has been excluded from consideration as a possible father of the child involved by the results of a paternity blood test is inadmissible in evidence.

(3) When a paternity blood test excludes an alleged father from possible paternity, the test shall be conclusive evidence of nonpaternity of the alleged father for all purposes in the district court.

Section 9. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 10. **Codification instruction.** [Sections 2 through 8] are intended to be codified as an integral part of Title 40, chapter 5, part 2, and the provisions of Title 40, chapter 5, part 2, apply to [sections 2 through 8].

Section 11. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

AN ACT TO CHANGE THE TAX REPORT FILING REQUIREMENT FOR THE LICENSE TAX ON METAL MINES AND THE RESOURCE INDEMNITY TRUST TAX FROM QUARTERLY TO ANNUALLY; TO INCREASE THE PENALTY PROVISIONS; TO CHANGE THE DATE FOR PAYMENT OF THE TAXES; AMENDING SECTIONS 15-37-102, 15-37-104 THROUGH 15-37-106, 15-37-108, AND 15-38-105 THROUGH 15-38-107, MCA; AND PROVIDING A RETROACTIVE APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 15-37-102, MCA, is amended to read:

**"15-37-102. Gross value of metal mine yield — computation.** The "*annual* reporting date", as used in this part, means the last day of the calendar *year*. The "*annual* gross value of product", as used in this part, means the market value of all merchantable metals or precious and semiprecious gems and stones extracted or produced each calendar *year* from any mine or mining property in the state or recovered from the smelting, milling, reduction, or treatment in any manner of ores extracted from any such mine or mining property or from tailings resulting from the smelting, reduction, or treatment of any such ores. Whenever the ores require smelting, reduction, or treatment to ascertain the metal contents of such ores, the *annual* gross value of the product thereof shall be determined by taking the market value of all merchantable metals or mineral products extracted or recovered thereby as shown by the gross smelter returns of such metals or mineral product in dollars and cents without any deductions for costs of smelting, reduction, or treatment or otherwise, based upon the average quotations of the price of such metals or mineral products in the city of New York, as evidenced by some established authority or market report, giving the market reports during the calendar *year* for which a report is being made. Should there be no quotation covering any particular product, the department of revenue shall fix the value of such gross product or such portion thereof in such a manner as may seem equitable."

(a) the name, address, and telephone number of the owner, lessee, or operator of the mine or mining property;

(b) the mine's location by county and legal description;

(c) the number of tons of ore, concentrate, or other mineral products or deposits extracted from the mine or mining property during the period covered by the statement;

(d) the name and location of the smelter, mill, or reduction works to which such ore or concentrate has been shipped or sold during the period covered by the statement and such other information as the department may require;

(e) the gross yield of such ores, concentrates, mineral products, or deposits in constituents of commercial value, that is to say, the number of ounces of gold or silver, pounds of copper, lead, or zinc, or other commercially valuable constituents of said ores, concentrates, or mineral products or deposits, measured by standard units of measurement, during the period covered by the statement;

(f) the *annual* gross value of product in dollars and cents.

(2) This section applies regardless of the location of any smelter, mill, or reduction works to which the ore or concentrate is shipped.

(3) Any sampling, testing, or assaying made necessary to comply with this section must be completed within this state and prior to any mixture of the ore or concentrate to be assayed with ore or concentrate from any other mine or mining property.

(4) If the *annual* statement of gross value described herein is not filed with the department *by March 31* following the calendar *yearend*, a penalty shall be assessed. The penalty shall be the greater of $25 or *10%* of the tax due under this part. If good cause is shown, the department may waive the penalty."

The tax due under this part becomes delinquent as of midnight on March *31* of the year immediately following the production year. If good cause is shown, the department may grant a reasonable extension of time for payment of the tax. During the period of any extension granted, the tax due bears interest at a rate of 1% a month or any part thereof.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 19-3-1102, MCA, is amended to read:

**"19-3-1102. Medical examination of disability retiree — cancellation and reinstatement.** (1) The board may, *in* its *discretion*, require the recipient of a *disability* retirement allowance to undergo *a* medical examination. The examination *must* be made by a physician or surgeon appointed by the board, at the place of residence of the recipient or another place mutually agreed upon. Upon the basis of the examination, the board shall determine whether the recipient is unable, by reason of physical or mental incapacity, to perform either the duties of the position held by him when he retired or the duties proposed to be assigned to him. If the board determines that the recipient is not incapacitated or if the

recipient refuses to submit to medical examination, his retirement allowance *must* be canceled.

*(2) If the board determines that a recipient of a disability retirement allowance should no longer be subject to medical review, the board may grant a service retirement status to the recipient without recalculating his monthly allowance. The board shall notify the recipient in writing as to the change in status. If the recipient disagrees with the board's determination, he may request the board to reconsider its action. The request for reconsideration must be made in writing within 60 days after receipt of the notice of the status change.*

*(3)* A *recipient* whose *disability* retirement allowance is canceled *because the board has determined that he is no longer incapacitated must* be reinstated to the position held by him immediately before his retirement or to a position in the same classification with duties within his capacity if he had been an employee of the state or of the university. If he had been an employee of a contracting employer, the board shall notify the proper official of the contracting employer that the retirement allowance has been canceled and that the former employee is eligible for reinstatement to duty. The fact that he was retired for disability may not prejudice any right to reinstatement to duty *that* he may have or claim to have.

*(4)* If a *recipient* whose *disability* retirement allowance is canceled is not reemployed in a position subject to the retirement system, his service is considered, for the purposes of 19-3-703, to have been discontinued coincident with the commencement of his retirement allowance."

If the board determines that the recipient is not incapacitated, his disability retirement allowance must be canceled when he is offered a position under subsection *(3)*. If the recipient refuses to submit to a medical examination, his retirement allowance must be canceled when he is notified of the determination of the board.

*(2) If the board determines that a recipient of a disability retirement allowance should no longer be subject to medical review, the board may grant a service retirement status to the recipient without recalculating his monthly allowance. The board shall notify the recipient in writing as to the change in status. If the recipient disagrees with the board's determination, he may request the board to reconsider its action. to the position held by him immediately before his retirement or to a position in the same classification within his capacity, whichever is first open. The fact that he was retired for disability may not prejudice any right to reinstatement to duty *that* he may have or claim to have.

*(4)* The department of justice may request a medical or psychological review as to the ability of the *recipient* to return to work as a member of the highway patrol. If the board's findings are upheld, the department shall pay the cost of the review."

Section 3. Section 19-8-712, MCA, is amended to read:

AN ACT TO REVISE THE FISH AND WILDLIFE RESTITUTION LAWS BY SPECIFICALLY PROVIDING FOR FORFEITURE OF BOND OR BAIL; AMENDING SECTIONS 46-9-504, 87-1-111, 87-1-112, AND 87-1-114, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 46-9-504, MCA, is amended to read:

"**46-9-504. Procedure on forfeiture — restitution.** (1) Unless restitution is ordered as provided for in subsection (2), the court having jurisdiction shall proceed with the disposition of forfeited bail as follows:

HeinOnline -- 1989 vol. I 294 1989

(a) If judgment be rendered or the forfeiture not discharged and the defendant has deposited money as bail, the court with whom it is deposited must, immediately after receiving notice of said judgment or order of forfeiture, pay over the money deposited to the treasury of the city or county wherein the bail was taken.

(b) When judgment is entered in favor of the state or the order of forfeiture is not discharged on any bail, execution may be issued forthwith for levy on stocks or bonds deposited with the court or upon the real estate described in the bail schedule. Such stocks, bonds, and real estate shall be sold in the same manner as in execution sales in civil actions. The proceeds of such sale shall be used to satisfy all court costs and prior encumbrances, if any, and from the balance a sufficient sum to satisfy the judgment or forfeiture shall be paid into the treasury of the city or county wherein the bail bond was taken. The balance shall be returned to the owner. The real estate so sold may be redeemed in the same manner as real estate may be redeemed after execution sales in civil actions.

(c) When judgment is entered in favor of the state and against the sureties or the surety company or when the forfeiture has not been discharged, execution may be issued against the sureties or the surety company in the same manner as executions in civil actions.

(2) If the court enters a judgment declaring bail to be forfeited or if the order of forfeiture is not discharged, the court having jurisdiction may order the bail forfeited to be paid as restitution to any victim of the offense for which the court has received bail. *Except as provided in 87-1-111, whenever* the court believes that restitution may be proper, the court shall order a hearing for the purpose of considering the nature and extent of the victim's pecuniary loss as defined in 46-18-243. If the court finds that restitution is appropriate, the court shall order restitution in an amount not exceeding the amount of the victim's complaint or the amount of the victim's pecuniary loss. An order to require restitution is a judgment against the defendant and his sureties, and the court may order the restitution to be made by payment of money deposited as bail. Any balance of the bail money must be disposed of in the same manner as provided in subsection (1). Provided no such determination or decision under this subsection shall be admissible as evidence in any other civil action, nor shall it be res judicata in any other civil action."

Section 2. Section 87-1-111, MCA, is amended to read:

**"87-1-111. Restitution for illegal killing or possession of certain wildlife.** *(1)* In addition to other penalties provided by law, a person convicted *or forfeiting bond or bail upon a charge* of the illegal killing or possession of a wild bird, mammal, or fish listed in this section shall reimburse the state for each such bird, mammal, or fish according to the following schedule:

*(e)* game bird (except swan), $25;

*(f)* game fish, $10.

*(2) When a court enters an order declaring bond or bail to be forfeited, the court may also order that some or all of the forfeited bond or bail be paid as restitution to the state according to the schedule in subsection (1). A hearing to determine the amount of restitution, as required under 46-9-504, is not required for an order of restitution under this section.*"

Section 3. Section 87-1-112, MCA, is amended to read:

"**87-1-112. Finding required.** Before restitution may be ordered pursuant to 87-1-111, the finder of fact at trial or the court upon entry of a guilty plea must find that such illegal killing or possession was done knowingly or purposely as defined in 45-2-101. *This finding is not required for state reimbursement under 87-1-111 when bond or bail is forfeited.*"

Section 4. Section 87-1-114, MCA, is amended to read:

"**87-1-114. Disposition of proceeds.** All money collected by a court pursuant to 87-1-111 through 87-1-113 must be remitted to the state treasurer for deposit in the state special revenue fund as provided in 87-1-601(1). *If restitution is ordered out of a forfeited bond or bail, any balance of bond or bail money must be disposed of as provided in 87-1-601(4).*"

In performing enforceable contracts by the decedent to convey or lease land, the personal representative, among other possible courses of action, may:

HeinOnline -- 1989 vol. I 310 1989

maintain records in such a manner as to reflect the total cash and invested balance of each fund and each account. The department of administration shall adopt the necessary procedures to insure that interdepartmental or intradepartmental transfers of money do not result in inflation of figures reflecting total governmental costs and revenues.

(2) When the expenditure of an appropriation is necessary and the cash balance in the account from which the appropriation was made is insufficient, the department of administration may authorize a transfer, as a temporary loan bearing no interest, of unrestricted moneys from other accounts, provided that there is reasonable evidence that the income will be sufficient to restore the amount so transferred within 1 calendar year and provided the loan is recorded in the state accounting records. The loan must be repaid within 1 calendar year of the date the loan is approved unless it is extended under subsection (3) or by specific legislative authorization. No account shall be so impaired that all proper demands thereon cannot be met even if the loan is extended.

(3) Under unusual circumstances the director of the department of administration may grant one extension of a loan for up to 1 year. The department of administration shall prepare a written justification and proposed repayment plan for each loan extension authorized and shall furnish a copy of the written justification and proposed repayment plan to the house appropriations and senate finance and claims committees at the next legislative session.

(4) Any loan from the general fund or the current unrestricted subfund to funds designated in subsections (1)(d)(i)(C), (1)(d)(i)(D), and (1)(d)(ii) through (1)(d)(vi) of 17-2-102 shall bear interest at a rate equivalent to the previous fiscal year's average rate of return on the board of investments' short-term investment pool. Except for investment earnings on restricted donations, all designated and restricted subfund investment earnings, other than investment earnings on student activity fees used to support student governments at units of the university system, are credited to the state general fund.

(5) No accounting entity may have a negative cash balance at fiscal yearend. The department of administration may, however, allow any entity to carry a negative balance at any point during the fiscal year subject to the following restrictions:

(a) Accounting entity negative cash balances may not exist more than 7 working days in the funds provided in subsections (1)(a) through (1)(c) of 17-2-102.

(b) Units of the university system and vocational-technical centers must maintain positive cash balances in the subfunds provided in subsections (1)(d)(i)(A) through (1)(d)(i)(D) and (1)(d)(ii) through (1)(d)(vi) of 17-2-102.

(6) Notwithstanding the provisions of subsections (2) through (4), the department of social and rehabilitation services may maintain positive cash balances in the federal *and other* special revenue *funds* with long-term repayment whenever necessary due to the timing for transmittal of obligated matching funds if it can be demonstrated to the satisfaction of the

HeinOnline -- 1989 vol. I 311 1989

department of administration that the total loan balance does not exceed total receivables from federal and county governments and receivables have been billed on a timely basis. The loan must be repaid under such terms and conditions as may be determined by the department of administration or by specific legislative authorization."

Section 2. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 3. **Coordination instruction.** If Senate Bill No. 80 is passed and approved to eliminate the other special revenue funds category, then the language "and other" inserted in 17-2-107 is deleted and the language "and state" is inserted in 17-2-107 in place of the language "and other".

Section 4. **Effective date.** [This act] is effective on passage and approval.

Approved March 18, 1989.

*Be it enacted by the Legislature of the State of Montana:*

**"33-1-501. Filing and approval of forms.** (1) No insurance policy or annuity contract form, application form, printed rider or endorsement form, or form of renewal certificate *may* be delivered or issued for delivery in *Montana* unless the form has been filed with and approved by the commissioner and *the regulatory official of* the state of domicile of the insurer, *if* required. This provision *does* not apply to surety bonds or policies, riders, endorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject or *that* relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or disability insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. As to forms for use in property, marine (other than ocean marine and foreign trade coverages), casualty, and surety insurance coverages, the filing required by this subsection may be made by a rating organization on behalf of its members and subscribers, but this provision *does* not prohibit *a* member or subscriber from filing *a form* on its own behalf.

(3) *An* order of the commissioner disapproving *a* form or withdrawing a previous approval *must* state the grounds *for disapproval or withdrawal* in *sufficient detail* to inform the insurer.

(4) The commissioner may by order exempt from the requirements of this section for so long as he *considers* proper *an* insurance document, form, or type *of document or form* specified in *the* order to which, in his opinion, this section may not practicably be applied or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

(5) This section *applies* to *a* form used by *a* domestic *insurer* for delivery in a jurisdiction outside *Montana* if the insurance supervisory official of *the* jurisdiction informs the commissioner that *the* form is not subject to approval or disapproval by *the* official and upon the commissioner's order requiring the form to be submitted to him for the purpose. The same standards apply to *these* forms as apply to forms for domestic use.

(6) This section and 33-1-502 *do* not apply to:

(a) reinsurance;

(b) policies or contracts not issued for delivery in *Montana* or delivered in *Montana*, except as provided in subsection (5);

(c) ocean marine and foreign trade insurances.

(7) *Except as provided in chapter 21, group certificates that are delivered or issued for delivery in Montana for* group insurance policies effectuated and delivered outside *Montana* but covering persons resident in *Montana must* be filed with the commissioner upon his request."

Nothing in this chapter is intended to prohibit or discourage reasonable competition. The provisions of this chapter shall be liberally construed.

**"33-21-103. Definitions.** *As used in* this chapter, the following definitions apply:

Section 4. Section 33-21-104, MCA, is amended to read:

"**33-21-104. Existing insurance — choice of insurer.** When credit life insurance or credit disability insurance is required as additional security for *an* indebtedness, the debtor, upon request to the creditor, *has* the option of furnishing the required amount of insurance through existing policies of insurance owned or controlled by him or of procuring and furnishing the required coverage through *an* insurer authorized to transact insurance within *Montana*."

Section 5. Section 33-21-105, MCA, is amended to read:

"**33-21-105. Claims.** (1) *A claim must* be promptly reported to the insurer or its designated claim representative, and the insurer shall maintain adequate claim files. *A claim must* be settled as soon as possible and in accordance with the terms of the insurance contract.

(2) *A claim must* be paid either by draft drawn upon the insurer or by check of the insurer to the order of the claimant to whom payment of the claim is due pursuant to the policy provisions or upon direction of *the* claimant to one specified.

(3) No plan or arrangement *may* be used whereby *a* person, *partnership*, or corporation other than the insurer or its designated claim representative *is* authorized to settle or adjust claims. The creditor *may* not be designated as claim representative for the insurer in adjusting claims, except that a group policyholder may, by arrangement with the group insurer, draw drafts or checks in payment of claims due to the group policyholder subject to audit and review by the insurer."

Section 6. Section 33-21-113, MCA, is amended to read:

"**33-21-113. Penalties.** In addition to any penalty provided by law, *a* person who violates an order of the commissioner after it has become final and while *the* order is in effect shall, upon proof thereof to the satisfaction of the court, forfeit and pay to the state of Montana a sum not to exceed $250 which may be recovered in a civil action, except that if *the* violation is found to be willful, the amount of *the* penalty *is* a sum not to exceed $1,000. The commissioner, in his discretion, may revoke or suspend the license or certificate of authority of the person, *partnership, or corporation* guilty of such violation. *The* order for suspension or revocation *is* subject to judicial review as provided in 33-1-711."

Section 7. Section 33-21-201, MCA, is amended to read:

"**33-21-201. Form of issuance.** *An insurer may deliver or issue for delivery credit* life insurance and credit disability insurance only in the following forms:

(1) individual policies of life insurance issued to debtors on *a* term plan;

(2) individual policies of disability insurance issued to debtors on a term plan or disability *benefit* provisions in individual policies *of credit life insurance*;

HeinOnline -- 1989 vol. I 320 1989

(3) group policies of life insurance issued to creditors providing insurance upon the lives of debtors on *a* term plan;

(4) group policies of disability insurance issued to creditors on a term plan insuring debtors or disability provisions in group *credit* life *insurance* policies to provide such coverage."

Section 8. Section 33-21-202, MCA, is amended to read:

**"33-21-202. Amount.** (1) The *initial* amount of credit life insurance *may not exceed the total amount repayable under the contract of* indebtedness. *If an* indebtedness *is* repayable in substantially equal installments, *the amount* of credit life insurance *may* not exceed the *scheduled or actual amount of* unpaid indebtedness on the date of death, *whichever is greater. The amount of credit life insurance written in connection with:*

*(a) a credit transaction repayable over a term in excess of 63 months or, at the option of the insurer, for a shorter term may not exceed the actual amount of unpaid indebtedness on the date of death, excluding any:*

*(i) unearned interest or finance charges; and*

*(ii) delinquency or extension exceeding 4 months;*

*(b) an open-end credit agreement having a credit limit exceeding $10,000 may not exceed the plan's credit limit;*

*(c) an* agricultural *loan commitment* not exceeding 1 year may *not exceed* the amount of the loan commitment on a nondecreasing or level term plan; *and*

*(d) an education loan commitment may be for the amount of the portion of the commitment that has not been advanced by the creditor.*

(2) The amount of periodic indemnity payable by credit disability insurance in the event of disability, as defined in the policy, *may not exceed:*

*(a)* the aggregate of the periodic scheduled unpaid installments of indebtedness; and

*(b)* the original indebtedness divided by the number of periodic installments."

Section 9. Section 33-21-203, MCA, is amended to read:

**"33-21-203. Term.** *(1)* The term of any credit life insurance or credit disability insurance *commences*, subject to acceptance by the insurer, on the date *on which* the debtor becomes obligated to the creditor. *However, if* a group policy provides coverage with respect to existing obligations, the insurance on a debtor with respect to *the* indebtedness *commences* on the effective date of the policy.

*(2) When evidence of insurability is required and the evidence is furnished more than 30 days after the date on which the debtor becomes obligated to the creditor, the term of the insurance may commence on the date the insurer determines the evidence is satisfactory. In that event, the insurer shall make an appropriate refund or adjustment of any charge to the debtor for insurance.*

HeinOnline -- 1989 vol. I 321 1989

*(3)* The term of *the* insurance *may* not extend more than 15 days beyond the scheduled maturity date of the indebtedness except when extended without additional cost to the debtor, *but the term of the insurance may be less than the term of the credit transaction to provide modified or partial coverage or extend beyond the maturity date to provide coverage consistent with 33-21-202(1)(a).*

*(4)* If the indebtedness is discharged due to renewal or refinancing prior to the scheduled maturity date, the insurance in force *must* be terminated before any new insurance may be issued in connection with the renewed or refinanced indebtedness. In all cases of termination prior to scheduled maturity, a refund *must* be paid or credited as provided in 33-21-206."

Section 10. Section 33-21-204, MCA, is amended to read:

**"33-21-204. Policy or certificate delivered — time of delivery — provisions.** (1) All credit life insurance and credit disability insurance sold *must* be evidenced by an individual policy or, in the case of group insurance, by a certificate of insurance, which individual policy or group certificate of insurance *must* be delivered to the debtor at the time the indebtedness is incurred except as hereinafter provided.

(2) If the individual policy or group certificate of insurance is not delivered to the debtor at the time the indebtedness is incurred, a copy of the application for *the* policy or a notice of proposed insurance, signed by the debtor and setting forth the name and home office address of the insurer, the name of *each* debtor, the *premium or* amount of payment, *if any,* by the debtor separately in connection with credit life insurance and credit disability insurance coverage, *the amount, term,* and a brief description of the coverage provided or to be provided, *must* be delivered to the debtor at the time such indebtedness is incurred. The copy of the application for or notice of proposed insurance *must also* refer exclusively to insurance coverage and *must* be separate and apart from the loan, sale, or other credit statement of account, instrument, or agreement unless the information required by this section is prominently set forth therein. Upon approval *by the insurer* of the application *for insurance* or acceptance of the insurance *by the insurer* and within 30 days of the date upon which the indebtedness is incurred, the insurer shall *deliver* the individual policy or group certificate of insurance to the debtor. The application or notice of proposed insurance *must* state that, upon acceptance by the insurer, the insurance *becomes* effective as of the date the indebtedness is incurred. *If the named insurer does not accept the risk, the debtor must receive a policy or certificate of insurance setting forth the name and home office address of the substituted insurer and the amount of the premium to be charged. If the amount of premium is less than that set forth in the notice of proposed insurance, the insurer shall make an appropriate refund.*

(3) Each individual policy or group certificate of credit life insurance and credit disability insurance *must,* in addition to other requirements of law, set forth the name and home office address of the insurer, *the name of each debtor or, in the case of a group certificate of insurance,* the identity by name or otherwise of the *debtor,* the rate or amount of payment, if any, by the debtor separately in connection with credit life insurance and credit disability insurance, a description of the coverages, including *the*

*amount and term thereof and* any exceptions, limitations, or restrictions, and *must* state that the benefits *must* be paid to the creditor to reduce or extinguish the unpaid indebtedness and, wherever the amount of insurance may exceed the unpaid indebtedness, that any such excess *must* be payable to a beneficiary, other than the creditor, named by the debtor or to his estate. *If the term of the insurance is less than the term of the loan, that fact must be stated on the face of the individual policy or group certificate in not less than 10-point boldface type.*

*(4) For the purposes of subsections (1) and (2), an individual policy or group certificate of insurance delivered in connection with an open-end credit agreement is considered to be delivered at the time the indebtedness is incurred if delivery occurs on or before the date the indebtedness is incurred."*

Section 11. Section 33-21-205, MCA, is amended to read:

**"33-21-205. Filing, approval, and withdrawal of forms and rates — disapproval.** (1) *With respect to credit life insurance or credit disability insurance:*

*(a) a policy, certificate* of insurance, *notice* of proposed insurance, *application* for insurance, *binder, endorsement, or rider may not be delivered or issued for delivery in Montana unless it has been* filed with *and approved by* the *commissioner, in accordance with 33-1-501, and the regulatory official* of the state in which *it* is issued*; and*

*(b) a schedule of premium rates pertaining to a policy, certificate of insurance, notice of proposed insurance, application for insurance, binder, endorsement, or rider may not be used in Montana unless it has been filed with the commissioner.*

(2) *With respect to credit life insurance or credit disability insurance and in accordance with 33-1-501, the* commissioner may *disapprove a policy, certificate* of insurance, *notice* of proposed insurance, *application* for insurance, *binder, endorsement, or rider:*

*(a) for a reason listed in 33-1-502;*

*(b)* if the table of premium rates charged or to be charged appears by reasonable assumptions to be excessive in relation to benefits*;* or

*(c)* if it contains provisions *that* are unjust, unfair, inequitable, misleading, deceptive, or encourage misrepresentation of *the insurance.*

(3) If the commissioner notifies the insurer that *a* form *is disapproved,* it is unlawful for *the* insurer to issue or use *the* form.

*(4) An insurer may not issue or use a form after the commissioner withdraws approval of the form pursuant to 33-1-501. An* order or final determination of the commissioner under this section *is* subject to judicial review."

Section 12. Section 33-21-206, MCA, is amended to read:

**"33-21-206. Premiums and refunds.** (1) Each insurer issuing credit life insurance or credit disability insurance shall file with the commissioner

its schedules of premium rates for use in connection with such insurance. Any insurer may revise *the* schedules from time to time and shall file *the* revised schedules with the commissioner. No insurer *may* issue any credit life insurance policy or credit disability insurance policy for which the premium rate exceeds that determined by the schedules of such insurer as then on file with the commissioner. The commissioner may require the filing of the schedule of premium rates for use in connection with and as a part of the specific policy filings as provided by 33-21-205.

(2) Each individual policy, group certificate *of insurance*, or notice of proposed insurance of credit life insurance and credit disability insurance *must* provide that, *if* the insurance *is terminated before* the scheduled maturity date of the indebtedness, any refund of premium *or amount paid by the debtor for insurance must* be paid or credited promptly to the person entitled thereto; provided, however, that the commissioner shall prescribe a minimum refund and no refund which would be less than such minimum need be made. The formula to be used in computing refunds *must* be filed with *and approved by* the commissioner.

(3) If a creditor requires a debtor to make a payment in connection with credit life insurance or credit disability insurance and an individual policy or group certificate of insurance is not issued, the creditor shall immediately give written notice to *the* debtor and shall promptly make an appropriate credit to the account.

(4) The amount charged to a debtor for any credit life *insurance* or credit disability insurance *may* not exceed the premiums charged by the insurer, as computed at the time the charge to the debtor is determined.

*(5) Nothing in this chapter may be construed to authorize any payments for insurance prohibited under a statute, or rule thereunder, governing credit transactions.*"

Section 13. Section 33-21-207, MCA, is amended to read:

"**33-21-207. Issuance of policies.** *Each policy, certificate of insurance, or notice of proposed insurance* of credit life insurance and credit disability insurance *must* be delivered or issued for delivery in *Montana* only by an insurer authorized to *transact* insurance *in Montana* and *must, except as provided in 33-17-103,* be issued only through *a licensed insurance agent.*"

Section 14. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 15. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Licenses to warehouseman — issuance — renewal — conditions precedent.** (1) The department is authorized to issue or renew, upon application, a license to any warehouseman for the conduct of a warehouse or warehouses in accordance with parts 5 and 6 of this chapter, provided the following conditions are met:

(a) Each applicant shall file and maintain satisfactory evidence of an effective policy of insurance issued by an insurance company authorized to do business in this state, insuring all agricultural commodities that are stored in the warehouse, including agricultural commodities owned by the warehouseman. The insurance shall insure the commodities for the full market value at the time of loss of such commodities against loss by fire, internal explosion, lightning, or tornado.

(b) Each warehouse must be found suitable for the proper storage of the particular agricultural commodity stored therein.

(c) A license fee must be submitted to the department as prescribed by 80-4-503.

(d) A current drawing of the warehouse, showing storage facilities and capacity of the warehouse, must be submitted to the department.

(e) A sufficient and valid bond must be filed and maintained as required by 80-4-504 and 80-4-505.

(f) The applicant has submitted to the department a current financial statement prepared by a licensed accountant according to generally accepted accounting principles, showing that the applicant has and does maintain current assets equal to or greater than current liabilities. *Applicants not having adequate current assets equal to or greater than current liabilities may provide the department with additional bonding, or an equivalent in the form of a certificate of deposit or irrevocable letter of credit, in the amount of $2,000 for each $1,000 of deficit. The bond or equivalent must be in addition to the bond amount required in 80-4-505.*

(h) The applicant must have complied with the terms of this part and the rules prescribed thereunder.

(2) All documents required for renewal of a license must be received by the department prior to the expiration date of the warehouse license. An expired warehouse license may be reinstated by the department upon receipt of all required licensing documents and a penalty fee of $50 if the documents are filed within 30 days from the date of expiration of the warehouse license. All license applications received after the 30-day penalty period must be considered original applications and an initial license fee must be assessed according to 80-4-503."

Section 2. Section 80-4-601, MCA, is amended to read:

**"80-4-601. Commodity dealer license requirements — financial responsibility.** (1) A person may not engage in the business of a commodity dealer in this state without first having obtained a license issued by the department.

(2) An application for a license to engage in business as a commodity dealer must be filed with the department and must be on a form prescribed by the department.

(3) A license application must include the following:

(a) the name of the applicant;

(b) the names of the officers and directors if the applicant is a corporation;

(c) the names of the partners if the applicant is a partnership;

(d) the location of the principal places of business;

(f) the number and description of trucks or tractor-trailer units owned or leased by the applicant that will be used in the transportation of agricultural commodities purchased pursuant to the provisions of this part;

(g) a complete financial statement prepared by a licensed accountant according to generally accepted accounting principles, setting forth the applicant's assets, liabilities, and net worth. The commodity dealer shall have and maintain current assets equal to or greater than current liabilities. *Applicants not having adequate current assets equal to or greater than current liabilities may provide the department with additional bonding, or an equivalent in the form of a certificate of deposit or irrevocable letter of credit, in the amount of $2,000 for each $1,000 of deficit. The bond or equivalent must be in addition to the bond amount required in 80-4-604.*

(h) any other reasonable information the department finds necessary to carry out the provisions and purpose of this part.

(4) In order to receive and retain a commodity dealer's license, a commodity dealer shall have and maintain net assets of at least $50,000 or maintain a bond in the amount of $2,000 for each $1,000 or fraction thereof of net assets deficiency. However, a minimum of $10,000 net assets

HeinOnline -- 1989 vol. I 326 1989

is required by a commodity dealer to qualify for a license. *Assets must be shown at original cost less depreciation, except that upon written request filed with the department, the director may allow asset valuations in accordance with a competent appraisal. In determining total net assets, credit may be given for insurable property, such as buildings, machinery, equipment, and merchandise inventory, only to the extent that such property is protected by insurance against loss or damage by fire. The insurance must be in the form of lawful policies issued by one or more insurance companies authorized to do business and subject to service of process in suits brought in this state.* A bond submitted for purposes of this subsection is in addition to any bond otherwise required under this part.

(5) The department shall adopt rules relating to the form and time of filing of financial statements. The department may require additional information or verification regarding the financial resources of the applicant and the applicant's ability to pay producers for agricultural commodities purchased from them."

(2) The period prescribed for the commencement of an action to recover damages for the death of one caused by the wrongful act or neglect of another is within 3 years.

(3) As used in this section, "childhood sexual abuse" means any act committed against a plaintiff who was less than 18 years of age at the time the act occurred and that would have been a violation of 45-5-502, 45-5-503, 45-5-504, 45-5-505, 45-5-507, 45-5-625, or prior similar laws in effect at the time the act occurred.

(4) The provisions of 27-2-401 apply to this section.

[SB 222]

AN ACT EXTENDING THE PROVISIONS FOR PASSING OF TITLE TO CATTLE RELEASED FROM AN AUCTION YARD; AND AMENDING SECTION 30-2-401, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 30-2-401, MCA, is amended to read:

**"30-2-401. Passing of title — reservation for security — limited application of this section.** Each provision of this chapter with regard to the rights, obligations and remedies of the seller, the buyer, purchasers or other third parties applies irrespective of title to the goods except where the provision refers to such title. Insofar as situations are not covered by the other provisions of this chapter and matters concerning title become material the following rules apply:

(1) Title to goods cannot pass under a contract for sale prior to their identification to the contract (30-2-501), and unless otherwise explicitly agreed the buyer acquires by their identification a special property as limited by this code. Any retention or reservation by the seller of the title (property) in goods shipped or delivered to the buyer is limited in effect to a reservation of a security interest. Subject to these provisions and to the provisions of the Chapter on Secured Transactions (Chapter 9), title to goods passes from the seller to the buyer in any manner and on any conditions explicitly agreed on by the parties.

(2) Unless otherwise explicitly agreed title passes to the buyer at the time and place at which the seller completes his performance with reference to the physical delivery of the goods, despite any reservation of a security interest and even though a document of title is to be delivered at a different time or place; and in particular and despite any reservation of a security interest by the bill of lading:

(a) if the contract requires or authorizes the seller to send the goods to the buyer but does not require him to deliver them at destination, title passes to the buyer at the time and place of shipment; but

(b) if the contract requires delivery at destination, title passes on tender there.

(3) Unless otherwise explicitly agreed where delivery is to be made without moving the goods,

(a) if the seller is to deliver a document of title, title passes at the time when and the place where he delivers such documents; or

(b) if the goods are at the time of contracting already identified and no documents are to be delivered, title passes at the time and place of contracting.

(4) For transactions involving interstate shipment of cattle *or cattle being released from auction yards for interstate shipment* the seller may

HeinOnline -- 1989 vol. I 329 1989

issue a regular title or bill of sale, or give a conditional transfer of title or bill of sale. The conditional transfer of title or bill of sale is fully validated and the title passes when the following conditions are met:

(a) the bank on which the buyer's warrant, check, or draft was drawn, notifies the seller, or his designated bank, that the instrument of payment has cleared the bank for payment, and

(b) a copy of the notification from the buyer's bank is attached to the conditional transfer of title or bill of sale.

(5) A rejection or other refusal by the buyer to receive or retain the goods, whether or not justified, or a justified revocation of acceptance revests title to the goods in the seller. Such revesting occurs by operation of law and is not a "sale"."

[HB 33]

AN ACT ALLOWING A WORKERS' COMPENSATION IMPAIRMENT EVALUATOR TO BE A CHIROPRACTOR IF THE CLAIMANT'S TREATING PHYSICIAN IS A CHIROPRACTOR; AND AMENDING SECTIONS 37-12-201 AND 39-71-711, MCA.

STATEMENT OF INTENT

This bill authorizes the board of chiropractors to adopt a rule for the certification of impairment evaluators within their profession. The board should consider the applicant's experience in treating industrial accidents and any academic training he may have in using the impairment rating guides recognized by the division of workers' compensation.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 37-12-201, MCA, is amended to read:

**"37-12-201. Organization of board — meetings — powers and duties.** (1) The board shall elect annually a president, vice-president, and secretary-treasurer from its membership.

(2) The board shall hold a regular meeting each year at Helena and shall hold special meetings at times and places as a majority of the board designates. A majority of the board constitutes a quorum.

(3) The board shall:

(a) administer oaths, take affidavits, summon witnesses, and take testimony as to matters coming within the scope of the board;

(b) adopt a seal which shall be affixed to licenses issued;

HeinOnline -- 1989 vol. I 330 1989

(c) make a schedule of minimum educational requirements, which are without prejudice, partiality, or discrimination, as to the different schools of chiropractic;

(d) adopt rules necessary for the implementation, administration, continuation, and enforcement of this chapter. The rules must address but are not limited to license applications, form and display of license, license examination format, criteria for and grading of examinations, and disciplinary standards for licensees;

(e) investigate complaints;

(f) make determinations of the qualifications of applicants under this chapter;

(g) administer the examination for licensure under this chapter;

(h) collect fees and charges prescribed in this chapter;

(i) issue, suspend, or revoke licenses under the conditions prescribed in this chapter; *and*

*(j) certify that a chiropractor who meets the standards that the board by rule adopts is a qualified evaluator for purposes of 39-71-711.*

(4) The department shall keep a record of the proceedings of the board, which shall at all times be open to public inspection."

Section 2. Section 39-71-711, MCA, is amended to read:

**"39-71-711. Impairment evaluation — ratings.** (1) An impairment rating:

(a) is a purely medical determination and must be determined by an impairment evaluator after a claimant has reached maximum healing;

(b) must be based on the current edition of the Guides to Evaluation of Permanent Impairment published by the American Medical Association; and

(c) must be expressed as a percentage of the whole person.

(2) A claimant or insurer, or both, may obtain an impairment rating from *a medical doctor or from a chiropractor if the claimant's treating physician is a chiropractor.* If the claimant and insurer cannot agree upon the rating, the procedure in subsection (3) must be followed.

(3) (a) Upon request of the claimant or insurer, the division shall direct the claimant to an evaluator for a rating. The evaluator shall:

(i) evaluate the claimant to determine the degree of impairment, if any, that exists due to the injury; and

(ii) submit a report to the division, the claimant, and the insurer.

HeinOnline -- 1989 vol. I 331 1989

(b) Unless the following procedure is followed, the insurer shall begin paying the impairment award, if any, within 30 days of the evaluator's mailing of the report:

(i) Either the claimant or the insurer, within 15 days after the date of mailing of the report by the first evaluator, may request that the claimant be evaluated by a second evaluator. If a second evaluation is requested, the division shall direct the claimant to a second evaluator, who shall determine the degree of impairment, if any, that exists due to the injury.

(ii) The reports of both examinations must be submitted to a third evaluator, who may also examine the claimant or seek other consultation. The three evaluators shall consult with one another, and then the third evaluator shall submit a final report to the division, the claimant, and the insurer. The final report must state the degree of impairment, if any, that exists due to the injury.

(iii) Unless either party disputes the rating in the final report as provided in subsection (6), the insurer shall begin paying the impairment award, if any, within 45 days of the date of mailing of the report by the third evaluator.

(4) The division shall appoint impairment evaluators to render ratings under subsection (1). The division shall adopt rules that set forth the qualifications of evaluators and the locations of examinations. An evaluator must be a physician licensed under Title 37, chapter 3, *except if the claimant's treating physician is a chiropractor, the evaluator may be a chiropractor who is certified as an evaluator under chapter 12.* The division may seek nominations from the board of medical examiners *for evaluators licensed under Title 37, chapter 3, and from the board of chiropractors for evaluators licensed under Title 37, chapter 12.*

(5) The cost of impairment evaluations is assessed to the insurer, except that the cost of an evaluation under subsection (3)(b)(i) or (3)(b)(ii) is assessed to the requesting party.

(6) A party may dispute a final impairment rating rendered under subsection (3)(b)(ii) by filing a petition with the workers' compensation court within 15 days of the evaluator's mailing of the report. Disputes over impairment ratings are not subject to 39-71-605 or to mandatory mediation.

(7) An impairment rating rendered under subsection (3) is presumed correct. This presumption is rebuttable."

Section 3. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

AN ACT GENERALLY REVISING LAWS RELATING TO PAYMENT OF RENTALS, DELAY DRILLING PENALTIES, COMPENSATORY ROYALTIES, AND ROYALTIES ON STATE OIL AND GAS LEASES; PROVIDING FOR REFUND OF DELAY DRILLING PENALTIES FOR YEARS IN WHICH DRILLING OCCURS; AMENDING SECTIONS 77-3-423 THROUGH 77-3-425, 77-3-427, AND 77-3-432, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 77-3-423, MCA, is amended to read:

**"77-3-423. Annual rental.** (1) The annual money rentals to be paid to the state for oil and gas leases issued on and after July 1, 1975, shall

HeinOnline -- 1989 vol. I 334 1989

be set by the board but may not be less than $1.50 for each acre of land leased.

(2) In addition to the sum of $1.50 per acre, the rental for the first year of the lease shall also include any sum in excess of $1.50 per acre offered and accepted for the first year's rental.

(3) This annual rental shall in no case be less than $100 a year.

(4) The first year's rental shall be paid before the issuance of the lease. The rentals for each subsequent year of the lease shall be due and payable before the beginning of such subsequent year, and upon failure to make such payment, the lease terminates *unless there is a producing well on the lease. Rental paid for any year shall be credited against any royalty that accrues during that year.*"

Section 2. Section 77-3-425, MCA, is amended to read:

"**77-3-425. Dry hole clause.** If the first well drilled is a dry hole and if a second well is not commenced on the land covered by the lease before the next anniversary of the lease following the completion of the well, the lease may be terminated by the board unless the lessee, on or before such anniversary, resumes *payment of any delay drilling penalties imposed by the board.* Upon the resumption of payment of *any required* delay drilling penalties and their continued payment, the lease continues in force during the primary term as though there had been no interruption in the delay drilling penalty payments."

Section 3. Section 77-3-427, MCA, is amended to read:

"**77-3-427. Provision for offset wells — compensatory royalties.** (1) Oil and gas leases granted by the state shall contain suitable provisions imposing upon all lessees the obligation to drill offset wells wherever and whenever necessary to prevent waste and damage to the property of the state.

(2) The board may allow the lessee the *following options in lieu of drilling an offset well:*

*(a) releasing the lands in question; or*

*(b)* paying a compensatory royalty on a nonproducing lease if *the board* determines that such compensatory royalty will fully compensate the state for waste and damage to the property of the state. The compensatory royalty shall be based upon the estimated drainage, as determined by the board, and shall be paid on a monthly basis unless circumstances require otherwise.

*(3) If the board or the lessee terminates the lease, that termination does not impair any implied covenant against drainage or the right of the board to seek damages from the lessee for the lessee's failure to protect the lease from drainage of oil or gas by a well adjacent to the state lease.*"

Section 4. Section 77-3-432, MCA, is amended to read:

"**77-3-432. Royalty.** In every oil and gas lease granted by the state under this part and acts amendatory thereto, there shall be reserved to the

HeinOnline -- 1989 vol. I 335 1989

state as consideration therefor a royalty *in* all oil and gas produced and saved from all lands covered thereby and not used for light, fuel, and operation purposes on the leased premises, which shall be equivalent to the full market value, as ascertained by the board at the date of such lease, of the estate or interest of the state in the lands and oil and gas deposits disposed of under such lease. Such royalty reservation shall be set by the board but may not be less than 12 ½% on gas and not less than 12 ½% on that portion of the average production of oil or casinghead gasoline for each producing well not exceeding 3,000 barrels for the calendar month. The state may share the expense of transporting the oil to the nearest market on a basis proportional to the state's royalty interest in such oil and at a rate per mile acceptable to the department."

Section 5. Section 77-3-424, MCA, is amended to read:

**"77-3-424. Power to terminate lease in absence of commencement of drilling or payment of delay drilling penalty.** (1) In every oil and gas lease granted after March 3, 1955, under this part there *must* be reserved to the board full power to declare termination of the lease at the end of the fifth year or any subsequent year of the primary term of the lease upon failure of the lessee to either:

(a) commence the drilling of a well for oil and gas upon the leased premises; or

(b) pay a delay drilling penalty as follows:

(i) for the sixth year of the lease $1.25 per acre per year; and

(ii) for the remainder of the primary term of the lease an amount per acre per year as the board may in its discretion determine.

(2) Notice of that determination *must* be given to the lessee, and if the lessee applies for a hearing thereon within 10 days after receipt of the notice, the determination *becomes* final only after *the* hearing has been held.

(3) This annual delay drilling penalty *must* be paid each year in advance. *The board shall refund delay drilling penalties paid on a lease for any year in which the lessee commences drilling on that lease.*

(4) If a well for oil and gas is commenced, the drilling of the well *must* be prosecuted with due diligence and dispatch to such depth as is necessary to make a reasonable test for oil or gas."

Section 6. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 7. **Applicability.** [This act] applies to all leases entered into after [the effective date of this act].

[SB 366]

AN ACT TO PROVIDE FOR THE FILING OF SECURITY INTERESTS FOR SNOWMOBILES; AND AMENDING SECTIONS 23-2-611 AND 30-9-203, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 23-2-611, MCA, is amended to read:

**"23-2-611. Certificate of ownership — filing of security interests.** (1) *A* snowmobile may *not* be operated upon any public lands, trails, easements, lakes, rivers, streams, roadways or shoulders of roadways, streets, or highways unless a certificate of ownership has first been obtained from the department of justice in accordance with the laws of this state.

(2) The owner of a snowmobile shall apply for a certificate of ownership with the county treasurer of the county in which the owner resides, upon forms to be furnished for this purpose. The forms must require the following information:

(a) name of the owner;

(b) residence of the owner, by town and county;

(c) business or home mail address of the owner;

(d) name and address of any lien holder;

(e) amount due under any contract or lien;

(f) name of the manufacturer;

(g) model number or name;

(h) identification number; and

(i) name and address of the dealer or other person from whom acquired.

(3) The application must be signed by at least one owner or by a properly authorized officer or representative of the owner.

(4) If a certificate of ownership has previously been issued under the provisions of 23-2-601 through 23-2-644, the application for a new certificate must be accompanied by the immediately previous certificate. This subsection does not apply to snowmobiles that are purchased as new and unused machines or that were operated when the provisions of 23-2-601 through 23-2-644 were not in force and effect.

(5) Upon completion of the application, on forms furnished by the department of justice, the county treasurer shall issue to the applicant two copies of the application, one of which shall be marked "file copy". The treasurer shall forward one copy and the original application to the department of justice, which shall enter the information contained in the application upon the corresponding records of its office, and shall furnish the

HeinOnline -- 1989 vol. I 337 1989

applicant a certificate of ownership which shall contain that information in the application considered necessary by the department of justice and a permanent ownership number. The certificate of ownership is not to be renewed annually and is valid as long as the person holding it owns the snowmobile.

(6) The owner shall at all times retain possession of the certificate of ownership, except when it is being transmitted to and from the department of justice for endorsement or cancellation.

(7) Upon application for a certificate of ownership, a fee of $3 shall be paid to the county treasurer, $2 of which shall be forwarded by the county treasurer to the department of justice and deposited in the motor vehicle recording account of the state special revenue fund.

*(8) A security interest in a snowmobile is not valid as against creditors, subsequent purchasers, or encumbrancers unless a lien notice, showing that a security interest has been created, has been filed with the department of justice as provided in this section. The lien notice must be filed on a form approved by the department. The department of justice may not file a security interest or other lien unless it is accompanied by or specified in the application for a certificate of ownership of the snowmobile encumbered. If the lien notice is transmitted to the department of justice, the security agreement or other lien instrument that creates the security interest must be retained by the secured party. A copy of the security agreement is sufficient as a lien notice if it contains the name and address of the debtor and the secured party, the complete snowmobile description, the amount of the lien, and the signature of the debtor. The department of justice shall file the security interest or lien by entering the name and address of the secured party upon the face of the certificate of ownership. The department of justice shall mail a statement certifying the filing of a security interest or lien to the secured party. The department of justice shall mail the certificate of ownership to the owner at the address given on the certificate; however, if the transfer of ownership and filing of the security interest are paid for by a creditor or secured party, the department of justice shall return the certificate of ownership to the county treasurer of the county where the snowmobile is to be registered. The owner of a snowmobile is the person entitled to operate and possess the snowmobile.*

*(9) A security interest in a snowmobile held as inventory by a dealer must be perfected in accordance with Title 30, chapter 9, and no endorsement on the certificate of title is necessary for perfection.*

*(10) Whenever a security interest or lien is filed against a snowmobile that is subject to two security interests previously perfected by filing under this section, the department of justice shall endorse on the face of the certificate of ownership: "NOTICE. This snowmobile is subject to additional security interest on file with the Department of Justice". No other information regarding the additional security interests need be endorsed on the certificate.*

*(11) Satisfactions or statements of release filed with the department of justice under this part must be retained for a period of 8 years after receipt, after which they may be destroyed.*

HeinOnline -- 1989 vol. I 338 1989

*(12) The filing of a security interest or other lien as herein provided perfects a security interest that has attached at the time the certificate of ownership noting the interest is issued. Issuance of a certificate of ownership constitutes constructive notice to subsequent purchasers or encumbrancers, from the time of filing, of the existence of the security interest.*

*(13) Upon default under a chattel mortgage or conditional sales contract covering a snowmobile, the mortgagee or vendor has the same remedies as in the case of other personal property. In case of attachment of a snowmobile all the provisions of 27-18-413, 27-18-414, and 27-18-804 are applicable, except that deposits must be made with the department of justice.*

*(14) A conditional sales vendor or chattel mortgagee or assignee who fails to file a satisfaction of a chattel mortgage, assignment, or conditional sales contract within 15 days after receiving final payment is required to pay the department of justice the sum of $1 for each day that he fails to file the satisfaction.*

*(15) Upon receipt of any liens, notice of liens dependent on possession, or attachments against the record of any snowmobile registered in this state, the department of justice shall within 24 hours mail to the owner, conditional sales vendor, mortgagee, or their assignee a notice showing the name and address of the lien claimant, the amount of the lien, the date of execution of the lien, and, in the case of attachment, the full title of the court, the action, and the name of the attorney for the plaintiff or the name of the attaching creditor, or both.*

*(16) It is not necessary to refile with the department of justice any instruments on file in the office of the county clerk and recorder on [the effective date of this act].*

*(17) A fee of $4 must be paid to the department of justice to file any security interest or other lien against a snowmobile. The $4 fee must cover the cost of filing a satisfaction or release of the security interest and the cost of entering the satisfaction or release on the records of the department of justice and deleting the endorsement of the security interest from the face of the certificate of ownership. A fee of $4 must be paid to the department of justice for issuing a certified copy of a certificate of ownership subject to a security interest or other lien on file with the department of justice or for filing an assignment of a security interest or other lien on file with the department of justice. All fees provided for in this section must be paid to the county treasurer for deposit in the motor vehicle recording account of the state special revenue fund in accordance with 15-1-504."*

Section 2. Section 30-9-203, MCA, is amended to read:

**"30-9-203. Attachment and enforceability of security interest — proceeds, formal requisites.** (1) Subject to the provisions of 30-4-208 on the security interest of a collecting bank, 30-8-321 on security interests in securities, and 30-9-113 on a security interest arising under the Chapter on Sales, a security interest is not enforceable against the debtor or third parties with respect to the collateral and does not attach unless:

(a) the collateral is in the possession of the secured party pursuant to agreement or the debtor has signed a security agreement which contains a

description of the collateral and in addition, when the security interest covers crops growing or to be grown or timber to be cut, a description of the land concerned;

(b) value has been given; and

(c) the debtor has rights in the collateral.

(2) A security interest attaches when it becomes enforceable against the debtor with respect to the collateral. Attachment occurs as soon as all of the events specified in subsection (1) have taken place unless explicit agreement postpones the time of attaching.

(3) Unless otherwise agreed a security agreement gives the secured party the rights to proceeds provided by 30-9-306.

(4) A transaction, although subject to this chapter, is also subject to *Title 23, chapter 2, part 6, to* Title 32, chapter 5, as enacted by Chapter 283, Laws of Montana 1959, to Title 31, chapter 1, part 2, as enacted by Chapter 282, Laws of Montana 1959, and to 81-8-301 through 81-8-305, Title 61, chapter 3, Title 16, chapters 1 through 6, and Title 31, chapter 1, part 4, as amended, and in the case of conflict between the provisions of this chapter and any such statute, the provisions of such statute control. Failure to comply with any applicable statute has only the effect which is specified therein."

Section 3. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

(g) model number or name;

(h) identification number;

(i) name and address of the dealer or other person from whom acquired, if known; and

(j) such other information as the department of justice may require.

(3) The application is to be accompanied by documentation of ownership, such as an invoice, bill of sale, foreign title, official certificate of boat number, fee in lieu of tax receipt, or a certificate of ownership of a trailer purchased with the motorboat or sailboat. An applicant who fails to provide such proof of ownership shall provide a certified statement describing how the motorboat or sailboat 12 feet in length or longer was acquired, from whom acquired if known, and other information requested by the department of justice.

(4) If a certificate of ownership has previously been issued under the provisions of this part, the application for a new certificate must be accompanied by the immediately previous certificate. (6) Upon completion of the application, the county treasurer shall issue to the applicant two copies of the certificate of number application, one of which must be marked "file copy". The treasurer shall forward one copy and the original application for a certificate of ownership to the department of justice, which shall enter the information contained in the application upon the corresponding records of its office, and shall furnish the applicant a certificate of ownership containing that information in the application considered necessary by the department and a permanent boat number. (9) A person who, on July 1, 1988, is the owner of a motorboat or sailboat 12 feet in length or longer with a valid certificate of number issued by the state is not required to file an application for a certificate of ownership for the motorboat or sailboat unless he transfers a part of his interest in the motorboat or sailboat or he renews the certificate of number for the motorboat or sailboat.

*(10) A security interest in a boat is not valid as against creditors, subsequent purchasers, or encumbrancers unless a lien notice, showing that a security interest has been created, has been filed with the department of justice as provided in this section. The lien notice must be filed on a form approved by the department. The department of justice may not file a security interest or other lien unless it is accompanied by or specified in the application for a certificate of ownership of the boat encumbered. The owner of a boat is the person entitled to operate and possess the boat.*

*(11) A security interest in a boat held as inventory by a dealer must be perfected in accordance with Title 30, chapter 9, and no endorsement on the certificate of title is necessary for perfection.*

*(12) Whenever a security interest or lien is filed against a boat that is subject to two security interests previously perfected by filing under this section, the department of justice shall endorse on the face of the certificate of ownership: "NOTICE. This boat is subject to additional security interest on file with the Department of Justice." No other information regarding the additional security interests need be endorsed on the certificate.*

*(13) Satisfactions or statements of release filed with the department of justice under this part must be retained for a period of 8 years after receipt, after which they may be destroyed.*

HeinOnline -- 1989 vol. I 342 1989

*(14) The filing of a security interest or other lien as herein provided perfects a security interest that has attached at the time the certificate of ownership noting the interest is issued. *(17) Upon receipt of any liens, notice of liens dependent on possession, or attachments against the record of any boat registered in this state, the department of justice shall within 24 hours mail to the owner, conditional sales vendor, mortgagee, or their assignee a notice showing the name and address of the lien claimant, the amount of the lien, the date of execution of the lien, and, in the case of attachment, the full title of the court, the action, and the name of the attorney for the plaintiff or the name of the attaching creditor, or both.*

*(18) It is not necessary to refile with the department of justice any instruments on file in the office of any county clerk and recorder on [the effective date of this act].*

*(19) A fee of $4 must be paid to the department of justice to file any security interest or other lien against a boat. The $4 fee must cover the cost of filing a satisfaction or release of the security interest and the cost of entering the satisfaction or release on the records of the department of justice and deleting the endorsement of the security interest from the face of the certificate of ownership. Section 5. Section 81-3-211, MCA, is amended to read:

**"81-3-211. Inspection of livestock before change of ownership or removal from county — transportation permits.** (1) For the purposes of this section:

(a) "Members of the same family" means a group whose membership is determined by including an individual, his spouse, and his parents, children, grandchildren, and the spouses of each.

(b) "Family business entity" means:

(i) a corporation whose stock is owned solely by members of the same family;

(ii) a partnership in which the partners are all members of the same family;

(iii) an association whose members all are members of the same family; or

(iv) any other entity owned solely by members of the same family.

*(c) "Rodeo producer" means a person who produces or furnishes livestock that is used for rodeo purposes.*

(2) Except as otherwise provided in this part, it is unlawful to remove or cause to be removed from a county in this state any livestock or to transfer ownership by sale or otherwise or for an intended purchaser or his agent to take possession of any such animal subject to title passing upon meeting or satisfaction of any conditions, unless the livestock has been inspected for brands by a state stock inspector or deputy state stock inspector and a certificate of the inspection has been issued in connection

HeinOnline -- 1989 vol. I 348 1989

with and for the purpose of the transportation or removal or of such change of ownership as provided in this part. The inspection must be made in daylight. However, the change of ownership inspection requirements of this subsection do not apply when the change of ownership transaction is accomplished without the livestock changing premises, involves part of a herd to which no livestock have been added other than by natural increase or after brand inspection, and is between:

(a) members of the same family;

(b) a member of one family and the same family's business entity; or

(c) the same family's business entities.

(3) (a) It is unlawful to sell or offer for sale at a livestock market any livestock originating within any county in this state in which a livestock market is maintained or transported under a market consignment permit until the livestock has been inspected for marks and brands by a state stock inspector, as provided in this part.

(b) It is unlawful to slaughter livestock at a licensed livestock slaughterhouse unless the livestock has been inspected for marks or brands by a state or deputy state stock inspector.

(4) It is unlawful to remove or cause to be removed any livestock from the premises of a livestock market in this state unless the livestock has been released by a state stock inspector and a certificate of release for the livestock has been issued in connection with and for the purpose of the removal from the premises of the livestock market. The release obtained pursuant to this subsection will permit the movement of the livestock so released directly to the destination shown on the certificate.

(5) The person in charge of livestock being removed from a county in this state, where inspection thereof is required by this section or where change of ownership has occurred or when moved under a market consignment permit or a market release certificate, shall have in his possession the certificate of inspection, market consignment permit, transportation permit, or market release certificate issued in connection therewith and shall exhibit the certificate to any sheriff, deputy sheriff, constable, highway patrolman, state stock inspector, or deputy state stock inspector upon request. Section 81-3-204 shall be extended to livestock transported or sold under the above-mentioned permits.

(6) The following transportation permits may be issued:

(a) If a saddle, work, or show horse is being transported from county to county in this state by the owner for his personal use or business or where a purebred cow is being transported from county to county in this state by its owner for show purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed, as to the purpose and extent of transportation, by the inspector issuing the certificate in order to serve as a travel permit in this state for a period not to exceed 1 year for the horse or cow described thereon. The permit becomes void upon any transfer of ownership or if the horse or cow is to be removed from the state. In such instances an inspection must be secured for removal and the endorsed certificate surrendered.

HeinOnline -- 1989 vol. I 349 1989

(b) The owner of a saddle, work, or show horse may apply for a permanent transportation permit valid for both interstate and intrastate transportation of the horse until there is a change of ownership. To obtain a permit a horse must have either a registered brand that has been legally cleared or a lip tattoo or the owner must present proof of ownership to a state stock inspector. A written application, on forms to be provided by the department, must be completed by the owner and presented to a state stock inspector, together with a permit fee established by the department, for each horse. The application shall contain a thorough physical description of the horse and list all brands and tattoos carried by the horse. Upon approval of the application by a state stock inspector, a permanent transportation permit shall be issued by the department to the owner for each horse, and such permit shall be valid for the life of the horse. If there is a change of ownership in a horse, the permit shall automatically become void. The permit must accompany the horse for which it was issued at all times while the horse is in transit. This permit shall be in lieu of other permits and certificates required under the provisions of this section. The state of Montana shall recognize as valid permanent transportation permits issued in other jurisdictions to the owner of a saddle, work, or show horse subsequently entering the state. Such a permit shall be automatically void upon a change of ownership.

(c) When livestock owned by and bearing the registered brand of a bona fide rodeo producer is being transported from county to county in this state by the owner for rodeo purposes and where there is no change of ownership, the inspection certificate required by this section may be endorsed, as to the purpose and extent of transportation, by the inspector issuing the certificate in order to serve as a travel permit in this state for the livestock described thereon. The certificate is effective for the calendar year for which it is issued. The certificate shall be issued by a state stock inspector.

(d) An owner of livestock or his agent may be issued a transportation permit allowing the movement of his livestock into an adjoining county and return when the livestock is being moved for grazing purposes and when it is being moved to and from land owned or controlled by the owner of the livestock or his agent. The permit is valid for *the period from March 31 through November 30 of the calendar year in which it is issued* and must be issued by a state stock inspector. *The permit may be issued only if the livestock is branded with the permittee's brand, which must be registered in Montana.* The department shall establish a fee for the permit, to be paid to the state stock inspector at the time the permit is issued and remitted by him to the department for deposit in the state treasury to the credit of the state special revenue fund for the use of the department. This permit may be used in lieu of the inspection and certificate required by this section for movement of livestock across a county line.

(7) Before any removal or change of ownership may take place, the seller of livestock shall request all required inspections and shall pay the required fees."

Section 6. Section 81-3-212, MCA, is amended to read:

**"81-3-212. Exceptions.** Section 81-3-211 does not apply to livestock:

(i) in the case of a youth in need of supervision, *the* court shall determine whether continuation in the home would be contrary to the welfare of the *youth* and whether reasonable efforts have been made to prevent or eliminate the need for removal of the *youth* from his home. The court shall include such determination in the order committing the youth to the department.

(ii) in the case of a delinquent youth who is *determined by the court to be* a serious juvenile offender, the judge may specify that the youth be placed in *a youth correctional facility* if the judge finds that such *placement* is necessary for the protection of the public;

*(c)* order restitution by the youth or his parents;

*(d)* impose a fine as authorized by law if the violation alleged would constitute a criminal offense if committed by an adult;

*(g)* require the medical and psychological evaluation of the youth, his parents, his guardians, or the persons having legal custody of the youth;

*not obligate funding from the department without the department's approval.*

*(2) When a youth is committed to the department, the department shall determine the appropriate placement and rehabilitation program for the youth after considering the recommendations made under 41-5-527 by the youth placement committee. Placement is subject to the following limitations:*

*(a) A youth in need of supervision may not be placed in a youth correctional facility.*

*(b) A youth may not be held in a youth correctional facility for a period of time in excess of the maximum period of imprisonment that could be imposed on an adult convicted of the offense or offenses that brought the youth under the jurisdiction of the youth court. *(c) No youth may be placed in or transferred to a penal institution or other facility used for the execution of sentence of adults convicted of crimes.*

*(3) A youth placed by the department in a youth correctional facility must be supervised by the department. A youth placed in any other placement must be supervised by the youth probation officer of the youth court having jurisdiction over the youth.*

*(4)* At any time after the youth has been taken into custody, the court may, with the consent of the youth in the manner provided in 41-5-303 for consent by a youth to a waiver of his constitutional rights or after the youth has been adjudicated delinquent or in need of supervision, order the youth to be evaluated by the department for a period not to exceed 45 days. The department shall determine the place and manner of evaluation.

*(5)* No evaluation of a youth may be performed at the Montana state hospital unless such youth is transferred to the district court under 41-5-206.

# CHAPTER NO. 178

[SB 115]

AN ACT CREATING A REVERSE ANNUITY MORTGAGE LOAN PROGRAM; AND AUTHORIZING THE BOARD OF HOUSING TO MAKE REVERSE ANNUITY MORTGAGE LOANS.

STATEMENT OF INTENT

A statement of intent is required for this bill because it grants the board of housing authority to adopt rules to secure, implement, and administer a reverse annuity mortgage loan program to be utilized by elderly Montanans. The legislature intends that the rules adopted by the board recognize the necessity for some elderly Montanans to draw income for essential living expenses and other purposes from the equity accumulated in their single-family homes during their lifetimes while continuing to enjoy the shelter and security afforded by those residences. The rules must afford the elderly homeowner monthly payments over 10 years, as provided in the loan agreement, under terms that assure life tenancy and the right to repay the loan balance at any time. The rules must be consistent with other statutory or regulatory provisions requiring sufficient security for a loan provided by the board. The rules must prescribe forms and procedures necessary to apply for and receive reverse annuity mortgages.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Short title.** [This act] may be cited as the "Reverse Annuity Mortgage Loan Act".

Section 2. **Purpose.** Many elderly citizens in Montana own their own homes and have little or no remaining mortgage debt. Many of these homeowners are persons of lower income who would benefit from an additional income source from the use of the equity in their homes. The legislature finds that reverse annuity mortgage loans would enable elderly homeowners to provide more substantially for their own in-home support and specialized care. The purpose of [this act] is to:

(1) establish a reverse annuity mortgage loan program within the board of housing;

(2) authorize the board to make reverse annuity mortgage loans;

(3) counsel, assist, and protect elderly homeowners who wish to obtain a reverse annuity mortgage loan; and

(4) administer a reverse annuity mortgage loan program that does not jeopardize the mortgagor's eligibility for medicaid and other means-tested programs.

Section 3. **Definitions.** As used in [this act], unless the context requires otherwise, the following terms apply:

(1) "Mortgage" means a mortgage as defined in 90-6-103.

(2) "Mortgagee" means the holder of a mortgage or its assignee.

HeinOnline -- 1989 vol. I 382 1989

(3) "Mortgagor" means a person:

(a) of lower income as determined by the board. In its determination of lower income, the board shall take into consideration the criteria in 90-6-103(16).

(b) 68 years of age or older;

(c) who is the owner and occupant of a single-family dwelling that is unencumbered by any prior mortgage, lien, or pledge; and

(d) who has completed a reverse annuity mortgage counseling program approved by the board.

(4) "Reverse annuity mortgage loan" means a loan in which loan proceeds are advanced to the mortgagor to provide a monthly tax-free cash payment for 10 years.

(5) "Single-family dwelling" means a one- to four-family living unit, excluding a condominium as defined in 70-23-102.

Section 4. **Reverse annuity mortgage loan program.** The board may make reverse annuity mortgage loans that are secured by a single-family dwelling located in this state. The loans must be made under terms and conditions adopted by the board pursuant to its authority under 90-6-104.

Section 5. **Repayment or termination of reverse annuity mortgage loan.** (1) The mortgagor shall repay the reverse annuity mortgage loan as provided in this section.

(2) Repayment of any part of the reverse annuity mortgage loan is not required prior to the maturity of the loan and while the mortgagor resides on the secured property. The mortgagor may pay the outstanding loan balance in full at any time without penalty.

(3) The reverse annuity mortgage loan matures, advances under a reverse annuity mortgage loan terminate, and the entire unpaid balance of the loan plus accrued interest becomes due and payable only upon the occurrence of any of the following events:

(a) the death of the last surviving mortgagor;

(b) the sale or other transfer of the secured property to a person other than any of the original mortgagors;

(c) vacation of the secured property by the mortgagor, whether voluntarily, involuntarily, or pursuant to legal process; or

(d) any other occurrence that materially decreases the value of the property securing the loan or that will have the likely effect of causing the loan to not be repaid.

(4) Any occurrence allowing the termination of a loan as provided in subsection (3)(d) must be clearly recited in the mortgage, deed of trust, or trust indenture.

(5) Payment of the reverse annuity mortgage loan may not be required from any source other than the secured property.

HeinOnline -- 1989 vol. I 383 1989

Section 6. **Mortgage requirements.** (1) Any mortgage securing payments made by a mortgagee to a mortgagor pursuant to a reverse annuity mortgage loan must be sufficiently definite, certain, and valid to secure all money actually advanced pursuant to and in accordance with its terms. The mortgage must secure money advanced at or subsequent to closing of the loan, up to but not exceeding the full amount of the loan. A reverse annuity mortgage has the same priority as if all money had been advanced at the time the mortgage was delivered. The mortgage must include but not be limited to the following:

(a) a statement that it is a reverse annuity mortgage loan;

(b) the full amount of the loan authorized;

(c) a statement of the dates on which advancements are to be made and the amounts of such advancements; and

(d) the events that will give rise to the maturity of the loan.

(2) The mortgagee and the mortgagor may modify the advancement dates in the mortgage by a statement signed by all parties to the mortgage and properly recorded with the original mortgage instrument. The modification may not limit or otherwise affect the priority of the mortgage.

Section 7. **Rulemaking authority.** The board shall adopt all procedural and substantive rules necessary for the administration of [this act], including rules required to secure, implement, and administer the reverse annuity mortgage loan program.

Section 8. **Codification instruction.** [Sections 1 through 7] are intended to be codified as an integral part of Title 90, chapter 6, and the provisions of Title 90, chapter 6, apply to [sections 1 through 7].

Section 9. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved March 20, 1989.

AN ACT TO GENERALLY REVISE THE ATTORNEY-IN-FACT EXEMPTION FROM REAL ESTATE BROKER AND SALESMAN LICENSE REQUIREMENTS; AND AMENDING SECTION 37-51-103, MCA.

WHEREAS, the Legislature of the State of Montana finds that there presently is an attorney-in-fact exemption from the requirement that a person be licensed as a real estate broker or salesman; and

WHEREAS, the Legislature of the State of Montana finds that there is a potential use of the attorney-in-fact exemption by certain persons on a

WHEREAS, the Legislature of the State of Montana finds the present attorney-in-fact exemption is limited to one based on a special power of attorney; and

WHEREAS, the Legislature of the State of Montana finds that the attorney-in-fact exemption from the requirement that a person be licensed as a real estate broker or salesman should be expanded to include a general power of attorney.

THEREFORE, the Legislature of the State of Montana finds it appropriate to expand the attorney-in-fact exemption to include one based on a general power of attorney and to limit all attorney-in-fact exemptions to occasional use under circumstances in which it is reasonably certain that adequate safeguards to the public are maintained.

Section 1. Section 37-51-103, MCA, is amended to read:

"**37-51-103. Exemptions.** A single act performed for a commission or compensation of any kind in the buying, selling, exchanging, leasing, or renting of real estate or in negotiating therefor for others, except as hereinafter specified, shall constitute the person performing any of such acts a real estate broker or real estate salesman. [HB 190]

AN ACT TO GENERALLY REVISE CERTAIN PROVISIONS OF THE MONTANA PESTICIDES ACT; PROVIDING WHEN CERTAIN EXPENSES MAY BE INCLUDED IN EDUCATIONAL PROGRAM FEES; INCREASING CERTAIN REGISTRATION AND LICENSING FEES; CLARIFYING APPLICATOR RESPONSIBILITY FOR OPERATORS; CLARIFYING GENERAL VIOLATIONS; AMENDING SECTIONS 80-8-109, 80-8-201, 80-8-203, 80-8-207, AND 80-8-305, MCA; AND PROVIDING AN EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 80-8-109, MCA, is amended to read:

"**80-8-109. Educational programs.** (1) The department shall develop and conduct appropriate educational programs. The educational programs shall inform those individuals dealing in and applying pesticides as to correct methods of formulating, applying, storing, disposing of, handling, and transporting pesticides.

(2) In developing and administering such programs, the department may consult other state and federal agencies and private industry, as well as such other persons it considers necessary, and may charge a fee for the programs commensurate with their administration costs. The fee may not include the salary or travel expenses of any employee of *a* state *agency* or of the Montana *cooperative extension service.*

(3) All fees collected pursuant to this section must be deposited in the state treasury to the credit of the state special revenue fund and must be spent for the purposes set forth in this section."

HeinOnline -- 1989 vol. I 388 1989

Section 2. Section 80-8-201, MCA, is amended to read:

"**80-8-201. Registration.** (1) Every pesticide distributed, sold, or offered for sale within this state or delivered for transportation or transported in intrastate commerce or between points within this state shall be registered with the department. The registration shall be renewed annually by the manufacturer, formulator, or distributor of the pesticide. The department shall register all federally approved pesticides, and those registered are subject to registration fees and all other provisions of this chapter. All registrations of pesticides expire on December 31 following the date of issuance unless otherwise terminated.

(2) The applicant for registration shall file with the department a statement including:

(a) the name and address of the applicant and the name and address of the person whose name will appear on the label, if other than the registrant;

(b) a complete copy of the label of the pesticide, the United States environmental protection agency registration number if the pesticide is so registered, and a statement of all claims to be made for it, including directions for use;

(c) the trade and chemical name of the pesticide;

(d) if requested by the department, a full description of tests made and the results upon which the claims are based. In the case of renewal of registration, a statement shall be required only with respect to information which is different from that furnished when the pesticide was registered or last reregistered.

(3) Any pesticide imported into this state which is subject to the provisions of any federal act providing for the registration of pesticides and has been registered under the provisions of a federal act shall be registered in the state. However, the state may restrict the sale or use and application of the pesticide by type of dealer, applicator, time, and place and may establish special registrations of pesticides as outlined in subsection (8) of this section and 80-8-105(3). The annual registration fee must also be paid, and registration information required by the department must be provided.

(4) The applicant shall pay an annual fee of *$75* for each pesticide registered. A registration fee is not required to register a federally approved experimental use permit. Fees collected shall be deposited in the state treasury to the credit of the general fund.

(5) The department may require the submission of the complete formula and certified analytical standards of any pesticide. If it appears to the department that the composition of the article warrants the proposed claims for it and if the article and its labeling and other material required to be submitted comply with the requirements of 80-8-202, it shall register the article.

(6) If it does not appear to the department that the article warrants the proposed claims for it or if the article and its labeling and other material required to be submitted do not comply with this chapter, it shall notify

HeinOnline -- 1989 vol. I 389 1989

the applicant of the manner in which the article, labeling, or other material required to be submitted fails to comply with the chapter so as to afford the applicant an opportunity to make the necessary corrections. If the applicant does not make the corrections upon receipt of the notice, the department may refuse to register the article. The department may suspend or cancel the registration of a pesticide whenever it does not appear that the article or its labeling comply with this chapter or whenever scientific evidence proves that the article endangers man or the general environment afforded protection under 80-8-105(3)(a). When an application for registration is refused or the department proposes to suspend or cancel a registration, the registrant may pursue administrative remedies under the Montana Administrative Procedure Act and rules of the department.

(7) Registration is not required in the case of a pesticide shipped from one plant in this state to another plant in this state by the same person.

(8) (a) The departments of health and environmental sciences, agriculture, and fish, wildlife, and parks shall review all applications for registration of an experimental-use permit or a registration for special local needs. The applicant shall pay a one-time fee of *$75* for a special local need or experimental-use permit registration. The departments shall utilize the same requirements and standards for reviewing registrations established by the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, and regulations adopted thereunder. The department of agriculture shall provide the departments of health and environmental sciences and fish, wildlife, and parks with a complete copy of the application, related correspondence, and a statement of the department of agriculture's proposed action on the application. The departments of health and environmental sciences and fish, wildlife, and parks shall approve or disapprove the application within 10 days after the receipt of the application. If the departments of health and environmental sciences, agriculture, and fish, wildlife, and parks are in agreement with the proposed registration, the department of agriculture shall issue the registration.

(b) The department of agriculture shall establish a time and place for an interagency conference for the purposes of resolving the registration of any pesticide or device. If two of the departments approve the proposed registration, the department of agriculture shall issue the registration.

(c) The registrant applying for registration shall be notified as to proposed changes in registration. If the departments cannot resolve the proposed registration following the interagency conference, the registrant may request a joint administrative hearing before the departments of agriculture, health and environmental sciences, and fish, wildlife, and parks.

(d) Following the interagency conference and, if requested, the administrative hearing, if the proposed registration of a pesticide or device has not been resolved, the department of agriculture shall appoint an advisory council as outlined in 80-8-108 to resolve by majority vote the registration of any pesticide. The advisory council's recommendations on the registration shall be accepted by the departments and implemented by the department of agriculture.

(9) Pesticides registered under any federal law when canceled for sale and use in total or in part by a federal agency responsible for registration

HeinOnline -- 1989 vol. I 390 1989

are considered canceled in total or in part for sale and use in Montana. The cancellation is effective on the final date of sale or use allowed under the federal law and rules or orders of the federal agency. If the federal cancellation allows existing stock to be used past the final date of cancellation, such sale or use in this state may not exceed 2 years. The department shall provide technical assistance to any person in possession of such products to insure their proper disposal, relabeling, or removal."

Section 3. Section 80-8-203, MCA, is amended to read:

**"80-8-203. The application shall be accompanied by a fee of *$45*. Applicators applying for a dealer's license under this chapter shall be required to pay only a $20 licensing fee for the dealer's license. The provisions of this subsection shall not apply to any person employed only to operate any equipment used for the application of any pesticide and in which the person has no financial interest or other control over such apparatus other than its day-to-day mechanical operation for the purpose of applying any pesticide.

(2) Public utility applicators shall be licensed in the same manner as commercial applicators, provided that public utility operators working under public utility applicators are not required to be licensed except as provided for under 80-8-205.

(3) Veterinarians licensed as provided in Title 37, chapter 18, part 3, shall not be required to be licensed to apply nonrestricted pesticides, provided that these veterinarians shall register with the department each year; provided further that the veterinarians shall be required to meet all other requirements and rules of the Montana Pesticides Act. The department shall consider the professional licensing requirements for veterinarians when adopting rules.

*(4) An applicator is responsible for the use of any pesticide by an operator or employee under the applicator's supervision or employment."*

Section 4. Section 80-8-207, MCA, is amended to read:

**"80-8-207. Dealers.** (1) It is unlawful for any person to sell, offer for sale, deliver, or have delivered within this state any pesticide without first procuring a license from the department of agriculture for each calendar year or portion thereof. A separate dealer's license and fee shall be required for each location or outlet from which pesticides are distributed, sold, held for sale, or offered for sale. Pesticide fieldmen or salesmen employed directly out of the same location or outlet and under a licensed dealer shall not be required to obtain a license. The dealer shall furnish the department the names and addresses of its fieldmen and salesmen selling pesticides within the state.

(2) The application for a license shall be accompanied by a fee of *$45*. Dealers applying for renewal of license shall do so on or before March 1 of that calendar year. Any dealer applying for renewal of license after March 1 shall be assessed a $25 late licensing fee.

HeinOnline -- 1989 vol. I 391 1989

(3) The dealer shall require the purchaser of any restricted pesticide to exhibit his license or permit issued under authority of this chapter before completing a sale.

(4) Dealers may make one application for two annual licenses if the application is accompanied by a *$45* licensing fee for each year of the state biennium.

(5) Pharmacists licensed as provided for in 37-7-302 and 37-7-303, veterinarians licensed as provided for in 37-18-302 and 37-18-303, and certified pharmacies licensed under 37-7-321 shall not be required to be licensed to sell pesticides, provided that the certified pharmacies and veterinarians shall register with the department each year. However, the certified pharmacies and veterinarians shall be required to meet all other requirements concerning the commercial sale of pesticides. The department shall take into account the professional licensing requirements of pharmacists, certified pharmacies, and veterinarians when adopting rules."

Section 5. Section 80-8-305, MCA, is amended to read:

**"80-8-305. General violations.** (1) It is unlawful for any person:

(a) to discard any pesticide or pesticide container in such a manner as to cause injury to humans, domestic animals, or wildlife, or to pollute any waterway in a way harmful to any wildlife therein or to the environment;

(b) to handle, transport, store, display, or distribute pesticides or pesticide containers in such a manner as to endanger man or the environment or to endanger food or any other products that may be transported, stored, displayed, or distributed with such pesticides;

(2) Each of the four appointed members must be a citizen of Montana who is actively involved in the growing of mint in this state. The qualifications of members must continue during their terms of office.

(3) A list of nominees for appointment must be submitted to the governor by Montana associations representing mint growers. Names of nominees must be submitted at least 91 days before the expiration of a committee member's term. The governor shall appoint members from among the persons nominated.

(a) improving the culture and production of mint grown in this state;

The term includes a mortgagee, pledgee, lienor, or other person, public or private, having a claim against a grower, where the actual or constructive

HeinOnline -- 1989 vol. I 394 1989

possession of mint oil is taken as partial payment or in satisfaction of a mortgage, pledge, lien, or claim.

(3) "Grower" means a landowner who is personally engaged in growing mint, a tenant who is personally engaged in growing mint, or both the landowner and tenant jointly, and includes a person, partnership, association, corporation, trust, sharecropper, or other business unit, device, or arrangement that grows mint.

(4) "Sale" means any pledge or mortgage of mint oil to any person, public or private.

Section 4. **Powers of the committee.** The committee may:

(1) provide for the administration and enforcement of this part;

(2) enter into contracts, in the name of the committee, to:

(a) improve the quality of mint;

(b) develop and improve control measures for diseases and pests that attack mint;

(c) improve mint growing culture;

(d) disseminate appropriate information among mint growers and dealers of the state; and

(e) carry out the purposes of this part;

(3) authorize the purchase of office equipment and supplies and incur other reasonable and necessary expenses and obligations required to carry out this part;

(6) cooperate with any local, state, or national organization or agency, whether voluntary or created by the law of any state or the United States, engaged in work or activities similar to the work and activities of the committee and enter into contracts with those organizations or agencies for conducting joint campaigns of research, education, disease control, product protection, and reciprocal enforcement of objectives;

(7) accept grants, donations, and gifts from any source for expenditure for any purpose consistent with this part and spend the proceeds in compliance with the conditions of the grants, donations, and gifts; and

(8) establish an integrated pest management program, complete with field scouting services, as provided in [section 7].

Section 5. **Compensation — per diem.** Each committee member is entitled to $25 compensation for each day he is engaged in the transaction

HeinOnline -- 1989 vol. I 395 1989

of official business, together with actual and necessary travel expenses as provided for in 2-18-501 through 2-18-503.

Section 6. **Election of chairman — time of meetings.** At the first meeting of the committee, it shall elect a chairman from among its members. The committee shall meet at least once annually and at such other times as called by the chairman or by any three members of the committee.

Section 7. **Integrated pest management program — field inspection services.** (1) The purpose of the integrated pest management program is to identify, as early as possible, any potentially damaging diseases, weeds, or pests that could inhibit the long-term future health of the Montana mint industry.

(2) Noxious weed counts, mint plant and soil-borne disease levels, and pest population levels must be provided by the committee on a regular basis to each grower for his individual farm.

(3) Two mandatory field inspections by a department-appointed consultant must be made annually. One inspection must be before harvest in an attempt to identify areas of verticillium wilt. One inspection must be after harvest to identify nematode damage.

Section 8. **Assessment on mint oil.** (1) There is levied on all mint oil produced in this state and sold through normal commercial channels an assessment of not less than 10 cents or more than 15 cents a pound. The assessment is levied on each grower in the following manner:

(a) in the case of the sale of mint oil, the assessment must be collected by the first purchaser from the grower at the time of each settlement for mint oil purchased; or

(b) in the case of a pledge or mortgage of mint oil as security for a loan, the assessment must be collected by deducting the amount of the assessment from the proceeds of the loan at the time the loan is made by the agency or person making the loan.

(2) The assessment must be deducted and collected whether the mint oil is stored in this state or any other state. The assessment is imposed on the initial sale, pledge, mortgage, or other transaction in which a grower parts with title to the mint oil or creates an interest in the mint oil in a pledgee, mortgagee, or other person, but a grower is not subject to assessment more than once regardless of the number of times the oil is subject to a sale, pledge, mortgage, or other transaction.

(3) The committee shall by rule set the amount of the assessment annually in accordance with subsection (1).

Section 9. **Buyer's delivery of invoice to grower — form.** The purchaser of mint oil at the time of sale or the pledgee, mortgagee, or other lender at the time of the loan or advance shall give a separate invoice for each purchase to the grower. The invoice must be on forms approved by the committee and must contain:

(1) the name and address of the grower and seller;

(2) the name and address of the purchaser or the lender;

HeinOnline -- 1989 vol. I 396 1989

(3) the number of pounds of mint oil sold, mortgaged, or pledged;

(4) the date of purchase, mortgage, or pledge; and

(5) the amount of the assessment collected and remitted to the committee.

Section 10. **Payment of assessment — sworn statement.** (1) The purchaser, mortgagor, or pledgee shall file with the committee, on forms prescribed by the committee, within 20 days after the end of a month in which mint oil is purchased, a sworn statement of the number of pounds of mint oil purchased in Montana or the number of pounds of mint oil mortgaged, transferred, or otherwise subject to a lien as security for a loan during the preceding calendar month. At the time the statement is filed, the purchaser or lender shall pay to the committee the assessment provided for in [section 8] for deposit in the mint account in the state special revenue fund.

(2) The sworn statement referred to in subsection (1) must be legible and free of corrections and alterations.

Section 11. **Mint account — sources — use — expenditures.** (1) There is an account in the state special revenue fund, known as the mint account. The following must be placed in the account:

(a) the proceeds of all assessments collected under this part; and

(b) the proceeds from all grants, gifts, or donations to the committee for research authorized under this part.

(2) The account must be maintained for the purposes of [sections 2 through 15] and is separate from all other accounts of the department.

(3) The committee may direct the board of investments to invest funds from the account pursuant to the provisions of the unified investment program for state funds. The income from the investments must be credited to the mint account.

Section 12. **Records required.** Every first purchaser of mint oil shall maintain accurate records of all mint oil handled, packed, shipped, or processed by him. The records must be in the form and contain the information the committee may by rule prescribe. The records must be preserved for 2 years and are subject to inspection at any time upon request of the committee or its agents.

Section 13. **Mint oil purchaser license — application — fee.** (1) Every person acting as a first purchaser shall annually file a written application with the committee for a license. The application must include:

(a) the applicant's name;

(b) the applicant's principal business addresses, both within and outside Montana;

(c) the name of a person authorized to receive service of summons and legal notices of all kinds for the applicant; and

(d) any other information the committee may require.

(2) Each application must be accompanied by a license fee of $50. A license is valid for the calendar year in which it is issued.

HeinOnline -- 1989 vol. I 397 1989

(3) A license must be issued if the committee is satisfied that the applicant is of good character and reputation and is financially responsible.

Section 14. **Penalty for nonpayment of assessment.** Any grower or first purchaser of mint oil who fails to make collection or pay an assessment within the time required pursuant to this part is subject to a penalty of 5% of the amount of the assessment determined to be due as provided in this part, plus 1% of that amount for each month of delay, or fraction thereof, after the expiration of the month after the assessment became due. The penalty must be paid to the committee and disposed of as provided in [section 11].

Section 15. **Penalty.** In addition to the penalty specified in [section 14], any person who violates or aids in the violation of any of the provisions of this part or any rules or orders of the committee adopted under this part is punishable upon conviction by a fine not to exceed $500. All fines collected must be deposited as provided in [section 11].

Section 16. **Sunrise exemption.** The provisions of Title 2, chapter 8, part 2, do not apply to [this act].

(2) [Sections 2 through 15] are intended to be codified as an integral part of Title 80, chapter 11, and the provisions of Title 80, chapter 11, apply to [sections 2 through 15].

Section 19. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

# CHAPTER NO. 183

[SB 57]

AN ACT AMENDING THE CUSTOM COMBINER'S SPECIAL PERMIT FEE; MAKING PURCHASE OF A SPECIAL PERMIT DISCRETIONARY FOR NONRESIDENTS; INCLUDING OVERLENGTH VEHICLES IN THE SPECIAL PERMIT; ESTABLISHING OVERWEIGHT TOLERANCES FOR CERTAIN VEHICLES INCLUDED IN THE SPECIAL PERMIT; REVISING THE PENALTY; AMENDING SECTION 15-24-1001, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

STATEMENT OF INTENT

This bill requires a statement of intent because [subsection (8) of section 1] authorizes the department of highways to adopt administrative rules to

HeinOnline -- 1989 vol. I 398 1989

implement the act. The act is intended to provide a special permit fee for the vehicles and equipment of custom combiners operating in the state, in lieu of the usual vehicle license fees and gross vehicle weight, overwidth, overlength, and overheight fees otherwise required. The custom combiner has the option of paying the regular fees.

The act also permits the use of the custom combiner's truck or trailer to haul grain, but only from the field to the point of first unloading, within certain limitations. This authority is given so that the combiner may assist the producer in getting the harvested grain out of the field and is not intended to allow transportation of the grain in commerce.

It is the intent of the legislature that the department of highways adopt necessary rules to implement the custom combiner's special permit and to regulate the operation of the vehicles involved in conformity with the act and special permit requirements.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 15-24-1001, MCA, is amended to read:

**"15-24-1001. Custom combiner's special permit — fee — collection — distribution — not transferable.** (1) In lieu of the taxes required by 15-24-301 and in lieu of motor vehicle license fees, gross vehicle weight fees, and overwidth, *overlength,* and overheight permits provided for in Title 61, a nonresident engaged in the business of custom combining who brings equipment into the state *may* pay a *special permit* fee of $40 per unit. A unit shall include:

(a) one truck suitable for hauling grain;

(b) one header trailer or one combine trailer; and

(c) pickup trucks and all other equipment, except combines, used by a nonresident and brought into the state as part of his business of custom combining.

(2) In lieu of gross vehicle weight fees and overwidth, *overlength,* and overheight permits, Montana residents engaged in the business of custom combining may pay the annual farm gross vehicle weight fees and a *special permit* fee of $20 per unit. A unit includes:

(a) one truck suitable for hauling grain;

(b) one header trailer or one combine trailer; and

(c) pickup trucks used by the resident in his business of custom combining.

*(3) When used to transport agricultural products, a truck authorized to be used under a custom combiner's special permit may be operated only within a 50-mile radius from the harvested field to the point of first unloading. The truck may not haul agricultural products from one commercial elevator to another commercial elevator. The truck may be operated on*

*any highway, except a highway that is part of the federal-aid interstate system, without incurring excess weight penalties under 61-10-145 if the total gross weight of the truck does not exceed allowable weight limitations by more than 20% per axle and the maximum load per inch of tire width does not exceed 670 pounds. The truck may not be operated in excess of 40 miles per hour. No trip permit is required. If the truck exceeds the tolerance provided under this subsection, the fine or penalty imposed applies to all weight over the legal limit allowed by 61-10-107.*

*(4) A combine trailer authorized to be used under subsections (1)(b) or (2)(b) may be operated under the same limitations and until July 1, 1991, may be operated within the same tolerances granted trucks under subsection (3), except that the 50-mile limitation does not apply and the combine trailer may be used upon any highway of the state, including a highway that is part of the federal-aid interstate system. If the combine trailer exceeds the tolerance provided under subsection (3), the fine or penalty imposed applies to all weight over the legal limit allowed by 61-10-107.*

*(5)* The fee required by this section must be collected by the department of highways. Upon payment of the fee, the department of highways must provide an identifying device to be displayed on each truck, header trailer, or combine trailer and other equipment used by the nonresident or resident in his business of custom combining in the state, which device is valid for the calendar year in which the fee is collected.

*(6)* All fees collected under this section must be distributed not later than January 31 immediately following the period of license as follows: 62 ½% to the county general fund in the county in which the permittee declares the greatest amount of time will be spent to operate, 37 ½% to the state special revenue fund for the department of highways.

*(7)* The identifying devices and fee paid for each unit are not transferable from one vehicle to another or transferable on the sale or change of ownership.

*(8) The department of highways may adopt rules, as provided in Title 2, chapter 4, to implement the provisions of this section."*

Section 2. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 3. **Codification instruction.** Section 15-24-1001 is intended to be renumbered and codified by the code commissioner as an integral part of Title 61, chapter 10, part 1, and the provisions of Title 61, chapter 10, part 1, apply to 15-24-1001.

Section 4. **Effective date.** [This act] is effective on passage and approval.

Approved March 20, 1989.

[HB 155]

AN ACT TO PROVIDE THAT A WORKERS' COMPENSATION INSURER IS NOT LIABLE FOR BENEFITS ON AN EXISTING CLAIM TO AN EMPLOYEE WHO SUFFERS A NONWORK-RELATED INJURY TO A PREVIOUSLY INJURED PART OF THE BODY IF THE EMPLOYEE PREVIOUSLY REACHED MAXIMUM HEALING; AND AMENDING SECTION 39-71-407, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 39-71-407, MCA, is amended to read:

**"39-71-407. Liability of insurers — limitations.** (1) Every insurer is liable for the payment of compensation, in the manner and to the extent hereinafter provided, to an employee of an employer it insures who receives an injury arising out of and in the course of his employment or, in the case of his death from such injury, to his beneficiaries, if any.

(2) (a) An insurer is liable for an injury as defined in 39-71-119 if the claimant establishes it is more probable than not that:

(i) a claimed injury has occurred; or

(ii) a claimed injury aggravated a preexisting condition.

(b) Proof that it was medically possible that a claimed injury occurred or that such claimed injury aggravated a preexisting condition is not sufficient to establish liability.

(3) An employee who suffers an injury or dies while traveling is not covered by this chapter unless:

(a) (i) the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement; and

(ii) the travel is necessitated by and on behalf of the employer as an integral part or condition of the employment; or

(b) the travel is required by the employer as part of the employee's job duties.

(4) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the sole and exclusive cause of the injury or death. However, if the employer had knowledge of and failed to attempt to stop the employee's use of alcohol or drugs, this subsection does not apply.

*(5) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to the same part of the body, the workers' compensation insurer is not liable for any compensation or medical benefits caused by the subsequent nonwork-related injury."*

# CHAPTER NO. 185

[HB 487]

AN ACT PROVIDING FOR THE STORAGE AND REPRODUCTION OF CERTAIN STATE RECORDS ACCORDING TO RULES ADOPTED BY THE SECRETARY OF STATE; AND AMENDING SECTIONS 2-6-111, 30-9-403, AND 30-9-404, MCA.

STATEMENT OF INTENT

A statement of intent is required for this bill because it permits the secretary of state to establish by rule methods for archiving documents filed in his office. Because the technology for archiving documents is developing quickly, it is necessary to provide the secretary of state with the flexibility for establishing the method of archiving.

The legislature intends that the rules require the storage of records in a manner that allows the retrieval of clear and accurate duplicates of the original document. The process must be quick and efficient for both reproducing the original and retrieving the duplicate. The process must have adequate safeguards to ensure that the stored documents will be preserved for many years.

The legislature intends that the rules permit the use of appropriate technology that meets these requirements. The rules must allow for the use of microfilm, photostatic or microphotographic means, computerized electronic disc, or other new technologies that may be developed. These rules may permit storage systems that allow public access through computer hookups as long as no person is able to tamper with the stored records.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 2-6-111, MCA, is amended to read:

**"2-6-111. Custody and reproduction of records by secretary of state.** (1) The secretary of state is charged with the custody of:

(a) the enrolled copy of the constitution;

(b) all the acts and resolutions passed by the legislature;

(c) the journals of the legislature;

(d) the great seal;

(e) all books, records, parchments, maps, and papers kept or deposited in his office pursuant to law.

HeinOnline -- 1989 vol. I 402 1989

(2) All records included in subsection (1) may be kept and *reproduced* in accordance with *rules adopted by the secretary of state in consultation with the state records committee provided for in 2-15-1013.*

(3) The state records committee created by 2-15-1013 may approve the disposal of original records once those records are reproduced as provided for in subsection (2), unless disposal takes the form of transfer of records; in that case, reproduction will not be necessary. The reproduction, or certified copy *of a record* may be used in place of the original for all purposes, including as evidence in any court or proceeding, and *has* the same force and effect as the original record.

(4) The secretary of state shall prepare enlarged typed or photographic copies of the records whenever their production is required by law.

(5) At least two copies shall be made of all records reproduced as provided for in subsection (2). The secretary of state shall place one copy in a fireproof storage place and shall retain the other copy in his office with suitable equipment for displaying *a* record by projection to not less than its original size and for preparing, for persons entitled thereto, copies of the record.

(6) All duplicates of all records shall be identified and indexed."

Section 2. Section 30-9-403, MCA, is amended to read:

**"30-9-403. What constitutes filing — duration of filing — fees — effect of lapsed filing — duties of filing officer — computerized farm statement system.** (1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this chapter.

(2) Except as provided in subsections (6) and (11), a filed financing statement is effective for a period of 5 years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the 5-year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the 5-year period, whichever occurs later. Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is considered to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within 6 months prior to the expiration of the 5-year period specified in subsection (2). Any such continuation statement must be signed by the secured party, identify the original statement by file number, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with 30-9-405(2), including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for 5 years after the last date to which

the filing was effective, whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record *or a record produced according to rules adopted by the secretary of state*, or in other cases after 1 year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if he physically destroys the financing statements of a period more than 5 years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained.

(4) Except as provided in subsection (7), a filing officer shall mark each statement with a file number and with the date and hour of filing. *The filing officer* shall hold the statement or a microfilm or other photographic copy *or a copy produced according to rules adopted by the secretary of state* for public inspection. In addition, the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The uniform fees for filing, indexing, and stamping a copy furnished by the filing party to show the date and place of filing shall be set pursuant to subsection (13).

(6) If the debtor is a transmitting utility and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage that is effective as a fixture filing under 30-9-402(6) remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to 30-9-103(5) or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or if indexing is by description, in the same fashion as if the financing statement were a mortgage of the real estate described.

(8) When a financing or continuation statement filed by a financial institution covers farm products or accounts, livestock, general intangibles arising from or relating to the sale of farm products by a farmer, crops growing or to be grown, or equipment used in farming operations, the fee for filing must be established by the secretary of state in an amount commensurate with the costs of establishing and operating the computerized access system described in subsection (9).

(9) Within one working day of receipt of a financing or continuation statement, the secretary of state shall record the information contained in

HeinOnline -- 1989 vol. I 404 1989

the statement on a centralized computer system that he shall establish. The computer system must allow access to financing statement information by any type of communications which conform to standards used by the state central computer. The system must have safeguards to allow only access to UCC data and to prevent alteration, addition, or deletion of the UCC data. The computer must be accessible whenever the state computer system is available. A perfected security interest is not created until the financing statement information is recorded on the system. A printout of information from the system is prima facie evidence of the existence or nonexistence of the filing of a financing statement. The secretary of state shall maintain adequate errors and omissions liability coverage to protect against input errors causing loss to a secured party.

(10) The secretary of state shall, upon request of a clerk and recorder, mail a certified copy of a financing statement, continuation statement, assignment, amendment, or termination covering collateral described in subsection (8) to the clerk and recorder in the county of the principal debtor's residence. The secretary of state shall mail the requested copies at least once each week. This subsection does not require the secretary of state to mail a copy of any document which does not specifically indicate the county of the principal debtor's residence on its face.

(11) When a financing or continuation statement covers property described in subsection (8), its effectiveness lapses on July 1, 1986, unless prior to that date there is filed in the office of the secretary of state a certified copy of the statement on file with the county clerk and all related documents.

(12) Financing statement information in the computer system constitutes public writings within the meaning of 2-6-101, but the information may not be used to compile mailing lists.

(13) The secretary of state, with advice from the county clerk and recorders, shall by administrative rule establish fees as required by this part. The fees must be commensurate with the costs of processing the documents. The secretary of state shall maintain records sufficient to support the amounts of the fees established under this subsection. The secretary of state shall deposit in a state special revenue fund in the state treasury all fees he collects, and the fee money may be paid out of the treasury only on appropriation made by the legislature as provided in 17-8-101. Any fee money collected under this part and remaining in the state treasury after all current fiscal year expenditures are met must be transferred to the general fund. The secretary of state shall disseminate the uniform fee schedule to the county clerk and recorders for their use."

Section 3. Section 30-9-404, MCA, is amended to read:

**"30-9-404. Termination statement.** (1) If a financing statement covering consumer goods is filed on or after October 1, 1983, then within 1 month or within 10 days following written demand by the debtor after there is no outstanding secured obligation and no commitment to make advances, incur obligations, or otherwise give value, the secured party must file with each filing officer with whom the financing statement was filed a termination statement to the effect that he no longer claims a security

interest under the financing statement, which shall be identified by file number. In other cases, whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations, or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, which shall be identified by file number. A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record complying with 30-9-405(2), including payment of the required fee. If the affected secured party fails to file such a termination statement as required by this subsection or to send such a termination statement within 10 days after proper demand therefor, he shall be liable to the debtor for $100, and in addition for any loss caused to the debtor by such failure.

(2) On presentation to the filing officer of such a termination statement, he must note it in the index. If he has received the termination statement in duplicate, he shall return one copy of the termination statement to the secured party, stamped to show the time of receipt thereof. If the filing officer has a microfilm or other photographic record *or a record produced according to rules adopted by the secretary of state* of the financing statement and of any related continuation statement, statement of assignment, and statement of release, he may remove the originals from the files at any time after receipt of the termination statement. *If* he has no such record, he may remove them from the files at any time after 1 year after receipt of the termination statement.

(3) The uniform fee for filing and indexing the termination statement shall be set pursuant to 30-9-403."

Section 4. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Approved March 20, 1989.

[SB 181]

AN ACT TO SIMPLIFY THE PREMARITAL SEROLOGY TEST REQUIREMENTS BY CHANGING THE CONTENT AND SIGNATURE OF THE MEDICAL CERTIFICATE AND DISTRIBUTION OF CERTIFICATE FORMS AND BY ELIMINATING THE REQUIREMENT THAT THE TEST BE PERFORMED NO MORE THAN 6 MONTHS BEFORE THE ISSUANCE OF A MARRIAGE LICENSE; AND AMENDING SECTIONS 40-1-203 THROUGH 40-1-205 AND 40-1-208, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 40-1-203, MCA, is amended to read:

**"40-1-203. Proof of age and medical certificate required.** (1) Before a person authorized by law to issue marriage licenses may issue a

marriage license, each applicant therefor shall exhibit to him a birth certificate or other satisfactory evidence of age and, if the applicant is a minor, the approval required by 40-1-213. Each female applicant, unless exempted on medical grounds by rule of the department of health and environmental sciences, shall file with the license issuer a medical certificate from a physician, licensed to practice medicine and surgery in any state or United States territory, or any other person authorized by *rule of the department* to make a medical certificate. The certificate shall state that the applicant has been given a standard serological test and that the report of the results of the serological test has been exhibited to the applicant tested and that the other party to the proposed marriage contract has examined the report of the serological test.

(2) A person who by law is able to obtain a marriage license in this state is also able to give consent to any examinations and tests required by this section. In submitting the blood specimen to the laboratory, the physician or any other person authorized by the laws of Montana to make a medical certificate shall designate that it is a premarital test."

Section 2. Section 40-1-204, MCA, is amended to read:

**"40-1-204. Contents and form of medical certificate.** (1) The medical certificate shall contain a statement from *a physician* or *other person* authorized *by rule of the department of health and environmental sciences* to make such reports, setting forth:

AN ACT TO IMPOSE A $25 PENALTY FOR LATE PAYMENT OF STATE AGRICULTURAL AND GRAZING LEASE RENTALS; AND AMENDING SECTION 77-6-506, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 77-6-506, MCA, is amended to read:

**"77-6-506. Date when rental due — penalty — cancellation for nonpayment.** (1) For grazing leases, the grazing portion of leases containing both agricultural and grazing land, and agricultural leases not based on a crop share, the rental for the first year of the lease shall be paid at or before the time of the execution of the lease; however, in the case of leases which take effect on and after October 1 and before the expiration of the coming February, both the rental for the fractional year and for the next full year beginning March 1 shall be paid and collected at the time of issuing the lease. If the United States is the lessee of state lands for grazing purposes, the rental shall be payable at the end of each year of the lease. The rental for each succeeding year on leases hereafter issued, with the exception of leases wherein the United States is the lessee, is due and payable before March 1. *If the rental is not paid before March 1, a $25 penalty*

HeinOnline -- 1989 vol. I 408 1989

*shall be imposed on the lessee. If the full rental and the $25 penalty are* not paid by April 1, the entire lease is canceled.

(2) For agricultural leases and the agricultural portion of leases containing both grazing and agricultural land, when the rental is paid on a crop share basis or on a crop share/cash basis, the rental is due in cash on or before November 15 of the year in which the crop is harvested. *If the rental is not paid on or before November 15 of the year of crop harvest, a $25 penalty shall be imposed on the lessee.* If the *full* rental *and the $25 penalty are* not paid on or before December 31 of the year in which the crop is harvested, the entire lease is canceled. The department may extend the deadline in writing. If the lessee does not make the rental payment by the date of extension, the entire lease is canceled. *Any rental payment made after November 15 of the year in which the crop is harvested, including payment made after an extension of the deadline, must include the $25 penalty.*

(3) At least 2 weeks prior to the final deadline for payment under subsection (1) or (2), the department shall send by certified mail to each lessee who has not made payment a letter notifying the lessee that the lease is canceled if payment *and the $25 penalty are* not received by the final deadline. The notice shall be sent to the lessee at the address given in the lease.

(4) When a lease is canceled under subsection (1) or (2), the department shall notify the lessee of the cancellation by letter at the address given in the lease. The land is then open for lease to applicants.

[HB 218]

AN ACT GENERALLY REVISING LAWS RELATING TO FINANCIAL INSTITUTIONS; REQUIRING A REPORT OF EXAMINATION WITHIN 120 DAYS OF COMPLETION; REVISING CHARGES FOR EXAMINATION OF FINANCIAL INSTITUTIONS; REDEFINING INVESTMENT IN CAPITAL STOCKS; ALLOWING INVESTMENT IN CERTAIN SECURITIES; CLARIFYING ISSUANCE OF DRAFTS; AMENDING SECTIONS 32-1-211, 32-1-215, 32-1-422, 32-1-433, AND 32-1-437, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

## STATEMENT OF INTENT

A statement of intent is required for this bill because it grants to the department of commerce authority to make rules relative to allowing a bank to invest in capital stock of certain corporations and removing the limit on certain securities that a bank may hold. In structuring these rules, the department shall consider the provisions of all applicable statutes and rules. Charges allowed may not exceed the actual costs, supported by documentation, incurred in conducting special examinations. The rules must provide adequate safeguards, in the form of substantiation of the fiscal stability of the issuer, to ensure the financial integrity of every quasi-governmental corporation in which an investment is allowed. The rules

HeinOnline -- 1989 vol. I 435 1989

may also require evaluation to determine suitability of particular investments. Paramount in any rule regarding bank investments must be the safety of depositors funds.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 32-1-211, MCA, is amended to read:

**"32-1-211. Examination and supervision by department.** (1) The department shall exercise constant supervision over the books and affairs of all banks doing business in this state.

(2) It shall:

*(a)* examine, at least once every 30 months, each of those banks and verify the assets and liabilities of each and investigate the character and value of the assets of each as to ascertain with reasonable certainty that the values are correctly carried on the books; *and*

*(b) submit in writing to the examined bank a report of the examination's findings no later than 120 days after the completion of the examination.*

(3) It shall further investigate the methods of operation and conduct of business of the banks and their systems of accounting to ascertain whether the methods and systems are in accordance with law and sound banking principles.

(4) It may examine under oath any of the officers, directors, agents, clerks, customers, or depositors of a bank regarding the affairs and business *of the bank.*

(5) It may, in the performance of its official duties, issue subpoenas and administer oaths. In case of a refusal to obey a subpoena issued by it, the refusal may at once be reported to the district court of the district in which the bank is located, and the court shall enforce obedience to the subpoena in the manner provided by law for enforcing obedience to the process of the court.

(6) In all matters relating to its official duties, the department has the same power possessed by courts of law to issue subpoenas and have them served and enforced.

(7) All officers, directors, agents, and employees of banks doing business under this chapter and all persons having dealings with or knowledge of the affairs or methods of a bank shall at all times afford reasonable facilities for the examinations and make returns and reports to the department as it may require. They shall also attend hearings and answer under oath the department's inquiries, produce and exhibit any books, accounts, documents, and property it desires to inspect, and in all things aid it in the performance of its duty."

Section 2. Section 32-1-215, MCA, is amended to read:

**"32-1-215. Special examinations and fees — report within 120 days.** Special examinations may be made of a bank, trust company, investment company, building and loan association, or credit union when in the

HeinOnline -- 1989 vol. I 436 1989

judgment of the department it is considered necessary, and the special examination shall be charged for at *a* rate *that equals the department's actual costs for examiner wages and travel expenses.* All special examination fees or charges shall be paid at the conclusion of the examination, and the moneys collected by the department shall be paid to the state treasurer for the credit of the state special revenue fund for the use of the department in its examination function. *The department shall submit in writing to the examined bank a report of the examination's findings no later than 120 days after the completion of the examination.*"

Section 3. Section 32-1-422, MCA, is amended to read:

"**32-1-422. Restriction on investment in corporate stock.** (1) No commercial or savings bank shall purchase or invest its capital or surplus or money of its depositors, or any part of either, in the capital stock of any corporation unless the purchase or acquisition of capital stock *is* necessary to prevent loss to the bank on a debt previously contracted in good faith. Any capital stock so purchased or acquired shall be sold by *the* bank within 6 months thereafter, if it can be sold for the amount of the claim of *the* bank against it. All capital stock purchased or acquired must be sold for the best price obtainable by *the* bank within 1 year after such purchase or acquisition, or if *the* stock is unmarketable, it shall be charged off as an investment loss, which shall be equivalent to *the stock's* sale. Every person or corporation violating any provision of this section shall forfeit to the state twice the nominal amount of such stock.

(2) Notwithstanding subsection (1), a bank may *acquire and hold for its own account:*

*(a) up to 20% of its capital and surplus in the capital stock of a bank service corporation organized solely for the purpose of providing services to banks;*

*(b) shares of stock of a federal reserve bank, without limitation of amount; and*

*(c) shares of stock in a Montana capital company within limits prescribed by the Montana Capital Company Act.*

*(3) A bank may invest any amount up to 5% of its unimpaired capital and surplus in shares of stock of:*

*(a) the federal national mortgage association;*

*(b) the federal home loan mortgage corporation;*

*(c) the federal agricultural mortgage corporation; and*

*(d) other corporations created pursuant to acts of congress to meet the agricultural, housing, health, transit, educational, environmental, or similar needs of the nation when the department determines that the investment is in the public interest.*"

Section 4. Section 32-1-433, MCA, is amended to read:

"**32-1-433. Investment in certain securities.** *A bank may purchase, sell, underwrite, and hold investment securities that are obligations*

HeinOnline -- 1989 vol. I 437 1989

*in the form of bonds, notes, or debentures, as provided in rules adopted by the department. A bank may hold without limit investment securities that are general obligations of the United States, obligations that are guaranteed fully as to principal and interest by the United States, or general obligations of any state.*"

Section 5. Section 32-1-437, MCA, is amended to read:

"**32-1-437. Acceptance and issuance of drafts.** Every bank organized and existing under the laws of Montana shall have power and authority to accept for payment at a future date drafts drawn upon it by its customers, authorizing holders thereof to draw drafts upon it or its correspondents at sight or on time, provided that the total amount of drafts so accepted for any one person, firm, or corporation shall not at any one time exceed 20% of the capital and surplus of the accepting or issuing bank."

Section 6. **Rulemaking authority.** The department shall adopt rules to implement [sections 3 through 5].

Section 7. **Codification instruction.** [Section 6] is intended to be codified as an integral part of Title 32, chapter 1, part 4, and the provisions of Title 32, chapter 1, part 4, apply to [section 6].

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 41-5-523, MCA, is amended to read:

**"41-5-523. Disposition of delinquent youth and youth in need of supervision.** (1) If a youth is found to be delinquent or in need of supervision, the youth court may enter its judgment making any of the following dispositions:

(a) place the youth on probation;

HeinOnline -- 1989 vol. I 454 1989

(b) commit the youth to the department. The department shall thereafter determine the appropriate placement, supervision, and rehabilitation program for the youth after considering the recommendation of the youth placement committee as provided in 41-5-527; provided, however, that:

(i) in the case of a youth in need of supervision, such commitment does not authorize the department to place the youth in a state youth correctional facility. The court shall determine whether continuation in the home would be contrary to the welfare of the child and whether reasonable efforts have been made to prevent or eliminate the need for removal of the child from his home. The court shall include such determination in the order committing the youth to the department.

(ii) in the case of a delinquent youth who is a serious juvenile offender, the judge may specify that the youth be placed in physical confinement in an appropriate facility only if the judge finds that such confinement is necessary for the protection of the public;

(iii) a youth may not be held in physical confinement for a period of time in excess of the maximum period of imprisonment that could be imposed on an adult convicted of the offense or offenses that brought the youth under the jurisdiction of the youth court. Nothing in this section limits the power of the department to enter into an aftercare agreement with the youth pursuant to 53-30-226.

(iv) a youth is under the supervision of a youth probation officer, except that a youth placed in a youth correctional facility is supervised by the department;

(c) order such further care and treatment or evaluation that does not obligate funding from the department without the department's approval;

(d) order restitution by the youth or his parents;

(e) impose a fine as authorized by law if the violation alleged would constitute a criminal offense if committed by an adult;

(f) require the performance of community service;

(g) require the youth, his parents, his guardians, or the persons having legal custody of the youth to receive counseling services;

(h) require the medical and psychological evaluation of the youth, his parents, his guardians, or the persons having legal custody of the youth;

(i) require the parents, guardians, or other persons having legal custody of the youth to furnish such services as the court may designate;

*(j) commit the youth to a mental health facility if, based upon the testimony of a professional person as defined in 53-21-102, the court finds that the youth is seriously mentally ill as defined in 53-21-102. The youth is entitled to all rights provided by 53-21-114 through 53-21-119. Upon release or discharge from the mental health facility, the youth must be returned to the court for further disposition in accordance with this section unless the court order has expired or the court no longer retains jurisdiction under 41-5-205.*

HeinOnline -- 1989 vol. I 455 1989

*(k)* such further care, treatment, evaluation, or relief that the court considers beneficial to the youth and the community.

(2) At any time after the youth has been taken into custody, the court may, with the consent of the youth in the manner provided in 41-5-303 for consent by a youth to a waiver of his constitutional rights or after the youth has been adjudicated delinquent or in need of supervision, order the youth to be evaluated by the department for a period not to exceed 45 days. The department shall determine the place and manner of evaluation.

(3) No evaluation of a youth may be performed at the Montana state hospital unless such youth is transferred to the district court under 41-5-206.

(4) No youth may be committed or transferred to a penal institution or other facility used for the execution of sentence of adult persons convicted of crimes.

(5) Any order of the court may be modified at any time. In the case of a youth committed to the department, an order pertaining to the youth may be modified only upon notice to the department and subsequent hearing.

(6) Whenever the court vests legal custody in an agency, institution, or department, it must transmit with the dispositional judgment copies of a medical report and such other clinical, predisposition, or other reports and information pertinent to the care and treatment of the youth.

(7) The order of commitment tc the department shall read as follows:

Section 3. Section 53-30-212, MCA, is amended to read:

"**53-30-212. Commutation of sentence to state prison and transfer of prisoner to youth correctional facility or Swan River forest camp.** (1) Upon the application of a person under *19* years of age who has been sentenced to the state prison or upon the application of his parents or guardian, the governor may, after consulting with the department of institutions and the department of family services and with the approval of the board of pardons, commute the sentence by committing such person to the department of family services until he is *19* years of age or until sooner placed or discharged.

(2) If such person's behavior after being committed to the department of family services indicates that he is not a proper person to reside at one of the youth correctional facilities, the governor, after consulting with the department of institutions and the department of family services and with the approval of the board of pardons, may revoke the commutation and return him to the state prison to serve out his unexpired term, and the time spent by him at one of the youth correctional facilities or while a refugee from one of the youth correctional facilities shall not be considered as a part of his original sentence.

(3) Upon recommendation of the warden and with the approval of the department of institutions and the department of family services, a person under *19* years of age who has been sentenced to the state prison may be transferred to any youth correctional facility under the jurisdiction and control of the department of family services.

(4) Upon recommendation of the warden and approval of a person sentenced to the state prison or application of a person sentenced to the state prison and approval of the warden and with the approval of the department of institutions, such person sentenced to the state prison who is 25 years of age or younger may be transferred to the Swan River forest camp. Prior to departmental approval of the transfer, the person must undergo an evaluation by the department to determine his suitability for transfer to the camp. The results of the evaluation must include a finding that a minimum security facility is an appropriate placement for such person or the transfer shall be denied. If the person is transferred, he shall be under the supervision and control of the facility to which he is transferred.

(5) If such person's behavior after transfer to a youth correctional facility or the Swan River forest camp indicates he might be released on parole

or his sentence be commuted and he be discharged from custody, the superintendent of such facility, with the approval of the department of institutions and the department of family services in the case of a youth correctional facility or with the approval of the department of institutions in the case of the Swan River forest camp, may make an appropriate recommendation to the board of pardons and the governor, who may in their discretion parole such person or commute his sentence.

(6) If such person's behavior after transfer to a youth correctional facility or the Swan River forest camp indicates he is not a proper person to reside in such facility, upon recommendation of the superintendent and with the approval of the department of institutions and the department of family services in the case of a youth correctional facility or with the approval of the department of institutions in the case of the Swan River forest camp, such person shall be returned to the state prison to serve out his unexpired term."

# CHAPTER NO. 213

[SB 118]

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO PROPERTY UNDER A TAX PROTEST OR APPEAL PROCEEDING; ALLOWING THE GOVERNING BODY OF A COUNTY, CITY, OR SCHOOL DISTRICT TO ISSUE BONDS WITHOUT AN ELECTION TO REPAY LOST TAX PROTESTS; EXCLUDING TAX PROTEST REPAYMENT BONDS FROM THE LIMITATIONS ON THE AMOUNT OF BONDED INDEBTEDNESS; EXCLUDING FROM LIMITATION TO 1986 LEVELS THOSE TAXES LEVIED TO REPAY TAXES PAID UNDER PROTEST; AMENDING SECTIONS 2-9-316, 7-7-2202, 7-7-2203, 7-7-2221, 7-7-4101, 7-7-4201, 7-7-4221, 15-1-402, 15-10-412, 20-9-403, 20-9-406, AND 20-9-421, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 15-1-402, MCA, is amended to read:

**"15-1-402. Payment of taxes under protest — action to recover.** (1) The person upon whom a tax or license fee is being imposed

HeinOnline -- 1989 vol. I 460 1989

may proceed under 15-1-406 or may, before the tax or license fee becomes delinquent, pay under written protest that portion of the tax or license fee protested. The payment must:

(a) be made to the officer designated and authorized to collect it;

(b) specify the grounds of protest; and

(c) not exceed the difference between the payment for the immediately preceding tax year and the amount owing in the tax year protested unless a different amount results from the specified grounds of protest, which grounds may include but are not limited to changes in assessment due to reappraisal under 15-7-111.

(2) After having exhausted the administrative appeals available under Title 15, chapters 2 and 15, a person or his legal representative may bring an action in any court of competent jurisdiction against the officers to whom said tax or license fee was paid or against the county or municipality in whose behalf the same was collected and the department of revenue.

(3) Both the officers to whom the tax or license fee was paid or the county or municipality in whose behalf the same was collected and the department of revenue must be served with timely summons and complaint within the time prescribed.

(4) *An* action instituted to recover any such portions of tax or license fee paid under protest *must* be commenced and summons timely served within 60 days after the date of the final decision of the state tax appeal board.

(5) *If a* protested tax or license fee is payable in installments, *a* subsequent installment portion considered unlawful by the state tax appeal board need not be paid and no action or suit need be commenced to recover the *subsequent installment. The* determination of the action or suit commenced to recover the first installment portion paid under protest *determines* the right of the party paying such subsequent installment to have the same or any part thereof refunded to him or the right of the taxing authority to collect a subsequent installment not paid by the taxpayer plus interest from the date the subsequent installment was due.

(6) All taxes and license fees paid under protest to a county or municipality *must* be deposited by the treasurer of the county or municipality to the credit of a special fund to be designated as a protest fund and *must* be retained in *the* protest fund until the final determination of any action or suit to recover the same unless released at the request of the county, municipality, or other local taxing jurisdiction pursuant to subsection (7). Nothing contained herein prohibits the investment of the money of this fund in the state unified investment program or in any manner provided in Title 7, chapter 6. The provision creating the special protest fund does not apply to any payments made under protest directly to the state.

(7) The governing board of a taxing jurisdiction affected by the payment of taxes under protest in the second and subsequent years that a tax protest remains unresolved may demand that the treasurer of the county or municipality pay the requesting taxing jurisdiction all or a portion of the

HeinOnline -- 1989 vol. I 461 1989

protest payments to which it is entitled, except the amount paid by the taxpayer in the first year of the protest. The decision in a previous year of a taxing jurisdiction to leave protested taxes in the protest fund does not preclude it from demanding in a subsequent year any or all of the payments to which it is entitled, except the first-year protest amount.

(8) (a) If no action is commenced within the time herein specified or if such action is commenced and finally determined in favor of the county or municipality or treasurer thereof, the amount of the protested portions of the tax or license fee *must* be taken from the protest fund and deposited to the credit of the fund or funds to which the same property belongs, less a pro rata deduction for the costs of administration of the protest fund and related expenses charged the local government units.

(b) If such action is finally determined adversely to a county or municipality or the treasurer thereof, then the treasurer shall, upon receiving a certified copy of the final judgment in said action from the state tax appeal board, or from the district or supreme court, as appropriate, if the final action of the state tax appeal board is appealed in the time prescribed, refund to the person in whose favor such judgment is rendered the amount of such protested portions of the tax or license fee deposited in the protest fund, and not released pursuant to subsection (7), as the person holding such judgment is entitled to recover, together with interest thereon from the date of payment under protest, *at the greater of:*

*(i) the rate of interest generated from the pooled investment fund provided for in 17-6-203 for the applicable period; or*

*(ii) 6% a year.*

*(c)* If the amount retained in the protest fund is insufficient to pay all sums due the taxpayer, the treasurer shall apply the available amount first to tax repayment, then interest owed, and lastly to costs.

*(d)* If the protest action is decided adversely to a taxing jurisdiction and the amount retained in the protest fund is insufficient to refund the tax payments and costs to which the taxpayer is entitled and for which local government units are responsible, the treasurer shall bill and the taxing jurisdiction shall refund to the treasurer that portion of the taxpayer refund, including tax payments and costs, for which the taxing jurisdiction is proratably responsible.

*(e)* In satisfying the requirements of subsection (8)*(d)*, the taxing jurisdiction is allowed not more than 1 year from the beginning of the fiscal year following a final resolution of the protest. The taxpayer is entitled to interest on the unpaid balance at the *greater of the rates referred to in subsections (8)(b)(i) and (8)(b)(ii)* from the date of payment under protest until the date of final resolution of the protest and at the combined rate of the federal reserve discount rate quoted from the federal reserve bank in New York, New York, on the date of final resolution, plus four percentage points, from the date of final resolution of the protest until refund is made.

(9) A taxing jurisdiction may satisfy the requirements of this section by use of funds from one or more of the following sources:

HeinOnline -- 1989 vol. I 462 1989

(a) imposition of a property tax to be collected by a special tax protest refund levy;

(b) the general fund, except that amount generated by the all-purpose mill levy, or any other funds legally available to the governing body; and

(c) proceeds from the sale of bonds issued by a county, city, or school district for the purpose of deriving revenue for the repayment of tax protests lost by the taxing jurisdiction. The governing body of a county, city, or school district is hereby authorized to issue such bonds pursuant to procedures established by law. *The bonds may be issued without being submitted to an election.* Property taxes may be levied to amortize *the* bonds."

Section 2. Section 15-10-412, MCA, is amended to read:

**"15-10-412. (Temporary) Property tax limited to 1986 levels — clarification — extension to all property classes.** Section 15-10-402 is interpreted and clarified as follows:

(1) The limitation to 1986 levels is extended to apply to all classes of property described in Title 15, chapter 6, part 1.

(2) The limitation on the amount of taxes levied is interpreted to mean that the actual tax liability for an individual property is capped at the dollar amount due in each taxing unit for the 1986 tax year. In tax years thereafter, the property must be taxed in each taxing unit at the 1986 cap or the product of the taxable value and mills levied, whichever is less for each taxing unit.

(3) The limitation on the amount of taxes levied does not mean that no further increase may be made in the total taxable valuation of a taxing unit as a result of:

(a) annexation of real property and improvements into a taxing unit;

(b) construction, expansion, or remodeling of improvements;

(c) transfer of property into a taxing unit;

(d) subdivision of real property;

(e) reclassification of property;

(f) increases in the amount of production or the value of production for property described in 15-6-131 or 15-6-132;

(g) transfer of property from tax-exempt to taxable status; or

(h) revaluations caused by:

(i) cyclical reappraisal; or

(ii) expansion, addition, replacement, or remodeling of improvements.

(4) The limitation on the amount of taxes levied does not mean that no further increase may be made in the taxable valuation or in the actual tax liability on individual property in each class as a result of:

(a) construction, expansion, replacement, or remodeling of improvements that adds value to the property;

HeinOnline -- 1989 vol. I 463 1989

(b) transfer of property into a taxing unit;

(c) reclassification of property;

(d) increases in the amount of production or the value of production for property described in 15-6-131 or 15-6-132;

(e) annexation of the individual property into a new taxing unit; or

(f) conversion of the individual property from tax-exempt to taxable status.

(5) Property in classes four, twelve, and fourteen is valued according to the procedures used in 1986, including the designation of 1982 as the base year, until the reappraisal cycle beginning January 1, 1986, is completed and new valuations are placed on the tax rolls and a new base year designated, if the property is:

(a) new construction;

(b) expanded, deleted, replaced, or remodeled improvements;

(c) annexed property; or

(d) property converted from tax-exempt to taxable status.

(6) Property described in subsections (5)(a) through (5)(d) that is not class four, class twelve, or class fourteen property is valued according to the procedures used in 1986 but is also subject to the dollar cap in each taxing unit based on 1986 mills levied.

(7) The limitation on the amount of taxes, as clarified in this section, is intended to leave the property appraisal and valuation methodology of the department of revenue intact. Determinations of county classifications, salaries of local government officers, and all other matters in which total taxable valuation is an integral component are not affected by 15-10-401 and 15-10-402 except for the use of taxable valuation in fixing tax levies. In fixing tax levies, the taxing units of local government may anticipate the deficiency in revenues resulting from the tax limitations in 15-10-401 and 15-10-402, while understanding that regardless of the amount of mills levied, a taxpayer's liability may not exceed the dollar amount due in each taxing unit for the 1986 tax year unless the taxing unit's taxable valuation decreases by 5% or more from the previous tax year. If a taxing unit's taxable valuation decreases by 5% or more from the previous tax year, it may levy additional mills to compensate for the decreased taxable valuation, but in no case may the mills levied exceed a number calculated to equal the revenue from property taxes for the 1986 tax year in that taxing unit.

(8) The limitation on the amount of taxes levied does not apply to the following levy or special assessment categories, whether or not they are based on commitments made before or after approval of 15-10-401 and 15-10-402:

(a) rural improvement districts;

(b) special improvement districts;

HeinOnline -- 1989 vol. I 464 1989

(c) levies pledged for the repayment of bonded indebtedness, including tax increment bonds;

(d) city street maintenance districts;

(e) tax increment financing districts;

(f) satisfaction of judgments against a taxing unit;

(g) electric company street lighting assessments; and

(h) revolving funds to support any categories specified in this subsection (8).

(9) The limitation on the amount of taxes levied does not apply in a taxing unit if the voters in the taxing unit approve an increase in tax liability following a resolution of the governing body of the taxing unit containing:

(a) a finding that there are insufficient funds to adequately operate the taxing unit as a result of 15-10-401 and 15-10-402;

(b) an explanation of the nature of the financial emergency;

(c) an estimate of the amount of funding shortfall expected by the taxing unit;

(d) a statement that applicable fund balances are or by the end of the fiscal year will be depleted;

(e) a finding that there are no alternative sources of revenue;

(f) a summary of the alternatives that the governing body of the taxing unit has considered; and

(g) a statement of the need for the increased revenue and how it will be used.

(10) The limitation on the amount of taxes levied does not apply to levies required to address the funding of relief of suffering of inhabitants caused by famine, conflagration, or other public calamity.

*(11) The limitation on the amount of taxes levied does not apply to a levy increase to repay taxes paid under protest in accordance with 15-1-402.* **(Terminates December 31, 1989—sec. 6, Ch. 654, L. 1987.)"**

Section 3. Section 2-9-316, MCA, is amended to read:

**"2-9-316. Judgments against governmental entities except state.** *Except as provided in 15-1-402, a* political subdivision of the state shall satisfy a final judgment out of funds that may be available from the following sources:

(1) insurance;

(2) the general fund or any other funds legally available to the governing body;

(3) a property tax, otherwise properly authorized by law, collected by a special levy authorized by law, in an amount necessary to pay any unpaid portion of the judgment, except that such levy may not exceed 10 mills;

HeinOnline -- 1989 vol. I 465 1989

(4) proceeds from the sale of bonds issued by a county, city, or school district for the purpose of deriving revenue for the payment of the judgment liability. The governing body of a county, city, or school district is hereby authorized to issue such bonds pursuant to procedures established by law. Property taxes may be levied to amortize such bonds, provided the levy for payment of any such bonds or judgments may not exceed, in the aggregate, 10 mills annually."

Section 4. Section 7-7-2202, MCA, is amended to read:

**"7-7-2202. Authority to issue general obligation bonds to satisfy judgments.** (1) The board of county commissioners of every county of the state is hereby vested with the power and authority to issue, negotiate, and sell coupon bonds on the credit of the county, as more specifically provided in this part, for the purpose of funding, paying in full, or compromising, settling, and satisfying any judgment which may have been rendered against the county in a court of competent jurisdiction, *including the repayment of tax protests lost by the county,* when:

(a) there are not sufficient funds available to pay such judgment; and

(b) sufficient money cannot be raised to satisfy such judgment by an annual tax levy of 10 mills levied on all the taxable property within the county through a period of 3 years.

(2) The resolution providing for the issue of such bonds must recite the facts concerning the judgment to be funded and the terms of any compromise agreement which may have been entered into between the board and the judgment creditor."

Section 5. Section 7-7-2221, MCA, is amended to read:

**"7-7-2221. Issuance of certain general obligation bonds without election.** Bonds may be issued without submitting the same to an election if the bonds are issued for the purpose of:

(1) enabling a county to liquidate its indebtedness to another county incident to the creation of a new county or the changing of a county boundary line, as set forth in 7-7-2201(5); and

(2) funding, paying in full, or compromising, settling, and satisfying any judgment which may have been rendered against the county in a court of competent jurisdiction, as set forth in 7-7-2202 *and 15-1-402.*"

Section 6. Section 7-7-4101, MCA, is amended to read:

**"7-7-4101. Purposes for which indebtedness may be incurred.** The city or town council has power to contract an indebtedness on behalf of a city or town, upon the credit thereof, by borrowing money or issuing bonds for the following purposes:

(1) erection of public buildings;

(2) construction of sewers, sewage treatment and disposal plants, waterworks, reservoirs, reservoir sites, and lighting plants;

HeinOnline -- 1989 vol. I 466 1989

(3) supplying the city or town with water by contract and the construction or purchase of canals or ditches and water rights for supplying the city or town with water;

(4) construction of bridges, docks, wharves, breakwaters, piers, jetties, and moles;

(5) to acquire, open, and/or widen any street and to improve the same by constructing, reconstructing, and repairing pavement, gutters, curbs, and vehicle parking strips and to pay all or any portion of the cost thereof;

(6) the purchase of fire apparatus and street and other equipment;

(7) building, purchasing, constructing, and maintaining devices intended to protect the safety of the public from open ditches carrying irrigation or other water;

(8) the funding of outstanding warrants and maturing bonds; *and*

*(9) the repayment of tax protests lost by the city, town, or other municipal corporation.*"

Section 7. Section 7-7-4221, MCA, is amended to read:

"**7-7-4221. Election on question of incurring indebtedness — exception.** (1) Except as provided in subsection (2) *and 15-1-402*, whenever the governing body of any municipality considers it necessary to issue bonds pledging the general credit of the municipality for any purpose authorized by law, the question of issuing the bonds shall first be submitted to the registered electors of the city or town.

(2) It is not necessary to submit to the electors the question of issuing refunding bonds to refund bonds issued and outstanding or the question of issuing revenue bonds not pledging the general credit of the municipality under any laws of this state."

Section 8. Section 20-9-403, MCA, is amended to read:

"**20-9-403. Bond issues for certain purposes.** (1) The trustees of a school district may issue and negotiate bonds on the credit of the school district for the purpose of:

(a) building, altering, repairing, buying, furnishing, equipping, purchasing lands for, and/or obtaining a water supply for a school, teacherage, dormitory, gymnasium, other building, or combination of said buildings for school purposes;

(b) buying a school bus or buses;

(c) providing the necessary money to redeem matured bonds, maturing bonds, or coupons appurtenant to bonds when there is not sufficient money to redeem them;

(d) providing the necessary money to redeem optional or redeemable bonds when it is for the best interest of the school district to issue refunding bonds; or

(e) funding a judgment against the district, *including the repayment of tax protests lost by the district.*

HeinOnline -- 1989 vol. I 467 1989

(2) Any money realized from the sale of any bonds issued on the credit of a high school district shall not be used for any of the above purposes in an elementary school district, and such money may be used for any of the above purposes for a junior high school but only to the extent that the 9th grade of the high school is served thereby."

Section 9. Section 20-9-421, MCA, is amended to read:

**"20-9-421. Election to authorize the issuance of school district bonds and the methods of introduction.** A school district shall not issue bonds for any purpose other than that provided in *15-1-402 and* 20-9-412 unless the issuance of bonds has been authorized by the qualified electors of the school district at an election called for the purpose of considering a proposition to issue such bonds. A school district bond election shall be called by a resolution as prescribed under the provisions of 20-20-201 when:

(1) the trustees, of their own volition, adopt a resolution to that effect; or

(2) the trustees have received a petition which asks that an election be held to consider a bond proposition and which has been validated under the provisions of 20-9-425."

Section 10. Section 7-7-2203, MCA, is amended to read:

**"7-7-2203. Limitation on amount of bonded indebtedness.** (1) Except as provided in subsections (2) through (4), no county may issue general obligation bonds for any purpose which, with all outstanding bonds and warrants except county high school bonds and emergency bonds, will exceed 11.25% of the total of the taxable value of the property therein, plus the amount of interim production and new production taxes levied divided by the appropriate tax rates described in 15-23-607(2)(a) or (2)(b) and multiplied by 60%, plus the amount of value represented by new production exempted from tax as provided in 15-23-612, to be ascertained by the last assessment for state and county taxes prior to the proposed issuance of bonds.

(2) In addition to the bonds allowed by subsection (1), a county may issue bonds which, with all outstanding bonds and warrants, will not exceed 27.75% of the total of the taxable value of the property in the county subject to taxation, plus the amount of interim production and new production taxes levied divided by the appropriate tax rates described in 15-23-607(2)(a) or (2)(b) and multiplied by 60%, plus the amount of value represented by new production exempted from tax as provided in 15-23-612, when necessary to do so, for the purpose of acquiring land for a site for county high school buildings and for erecting or acquiring buildings thereon and furnishing and equipping the same for county high school purposes.

(3) In addition to the bonds allowed by subsections (1) and (2), a county may issue bonds for the construction or improvement of a jail which will not exceed 12.5% of the taxable value of the property in the county subject to taxation.

(4) The limitation in subsection (1) *does* not apply to refunding bonds issued for the purpose of paying or retiring county bonds lawfully issued

HeinOnline -- 1989 vol. I 468 1989

prior to January 1, 1932, *or to bonds issued for the repayment of tax protests lost by the county.*"

Section 11. Section 7-7-4201, MCA, is amended to read:

"**7-7-4201. Limitation on amount of bonded indebtedness.** (1) Except as otherwise provided, no city or town may issue bonds or incur other indebtedness for any purpose in an amount which with all outstanding and unpaid indebtedness will exceed 28% of the taxable value of the property therein subject to taxation, to be ascertained by the last assessment for state and county taxes.

(2) The issuing of bonds for the purpose of funding or refunding outstanding warrants or bonds is not the incurring of a new or additional indebtedness but is merely the changing of the evidence of outstanding indebtedness.

*(3) The limitation in subsection (1) does not apply to bonds issued for the repayment of tax protests lost by the city or town.*"

Section 12. Section 20-9-406, MCA, is amended to read:

"**20-9-406. Limitations on amount of bond issue.** (1) The maximum amount for which each school district may become indebted by the issuance of bonds, including all indebtedness represented by outstanding bonds of previous issues and registered warrants, is 45% of the taxable value of the property subject to taxation as ascertained by the last completed assessment for state, county, and school taxes previous to the incurring of such indebtedness. The 45% maximum, however, may not pertain to indebtedness imposed by special improvement district obligations or assessments against the school district *or to bonds issued for the repayment of tax protests lost by the district.* All bonds issued in excess of such amount shall be null and void, except as provided in this section.

(2) When the total indebtedness of a school district has reached the 45% limitation prescribed in this section, the school district may pay all reasonable and necessary expenses of the school district on a cash basis in accordance with the financial administration provisions of this chapter.

(3) Whenever bonds are issued for the purpose of refunding bonds, any moneys to the credit of the debt service fund for the payment of the bonds to be refunded are applied towards the payment of such bonds and the refunding bond issue is decreased accordingly."

Section 13. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 14. **Effective date — retroactive applicability.** [This act] is effective on passage and approval and applies retroactively, within the meaning of 1-2-109, to any tax appeal or tax paid under protest after December 31, 1983.

AN ACT CORRECTING THE FORMULA FOR DETERMINING MAXIMUM ALLOWABLE GROSS VEHICLE WEIGHT; AND AMENDING SECTIONS 61-10-107 AND 61-10-1101, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 61-10-107, MCA, is amended to read:

**"61-10-107. (Temporary) Maximum gross weight — when permit required.** (1) An axle may not carry a load in excess of 20,000

HeinOnline -- 1989 vol. I 493 1989

pounds, and no two consecutive axles more than 40 inches or less than 96 inches apart may carry a load in excess of 34,000 pounds. For purposes of this section, axles 40 inches or less apart are considered as a single axle. A vehicle or combination may not have more than nine axles. The maximum gross weight allowed on a vehicle, group of axles, or combination of vehicles shall be determined by the formula:

$$W = 500((LN/(N - 1)) + 12N + 36)$$

in which W equals gross weight, L equals wheel base in feet, and N equals number of axles, except that two consecutive sets of tandem axles may carry a gross load of 34,000 pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is 36 feet or more.

(2) Notwithstanding a vehicle's conformance with the requirements of subsection (1), its maximum load per inch of tire width, excluding the steering axle, may not exceed 600 pounds, based on the table in 61-10-105(3).

(3) If the gross weight of a vehicle or combination exceeds 80,000 pounds, the vehicle or combination must have a special permit, which may be issued in the discretion of the department of highways based on evaluation of safety, highway capacity, and economics of highway maintenance and vehicle operation. The fee shall be $20 per trip permit or $100 per term permit. A term permit may not be issued for a period of time greater than the period for which the GVW license is valid. Owners of vehicles licensed in other jurisdictions may, at the discretion of the department, purchase permits to expire with their registration. Permits may specify and permits issued under 61-10-124(4) must specify highway routing.

(4) A special permit issued under subsection (3) for the transportation of agricultural products by farm vehicles from a harvesting combine or other harvesting machinery to the point of first unloading shall be for the full term of the harvest season of the agricultural product transported.

(5) This section does not apply to highways which are a part of the national system of interstate and defense highways (as referred to in 23 U.S.C. 127) when application of this section would prevent this state from receiving federal funds for highway purposes.

**61-10-107. (Effective July 1, 1989) Maximum gross weight — when permit required.** (1) An axle may not carry a load in excess of 20,000 pounds, and no two consecutive axles more than 40 inches or less than 96 inches apart may carry a load in excess of 34,000 pounds. first and last axles of such consecutive sets of tandem axles is 36 feet or more.

(2) Notwithstanding a vehicle's conformance with the requirements of subsection (1), its maximum load per inch of tire width, excluding the steering axle, may not exceed 600 pounds, based on the table in 61-10-105(3).

(3) If the gross weight of a vehicle or combination exceeds 80,000 pounds, the vehicle or combination must have a special permit, which may be issued in the discretion of the department of highways based on evaluation of safety, highway capacity, and economics of highway maintenance and vehicle operation. The fee shall be $20 per trip permit or $100 per term permit. A term permit may not be issued for a period of time greater than the period for which the GVW license is valid. (4) A special permit issued under subsection (3) for the transportation of agricultural products by farm vehicles from a harvesting combine or other harvesting machinery to the point of first unloading shall be for the full term of the harvest season of the agricultural product transported.

(5) This section does not apply to highways which are a part of the national system of interstate and defense highways (as referred to in 23 U.S.C. 127) when application of this section would prevent this state from receiving federal funds for highway purposes."

Section 2. Section 61-10-1101, MCA, is amended to read:

**"61-10-1101. Multistate Highway Transportation Agreement — enactment and text.** The Multistate Highway Transportation Agreement is hereby enacted into law and entered into with all other jurisdictions legally joining therein in the form substantially as follows:

MULTISTATE HIGHWAY TRANSPORTATION AGREEMENT

Pursuant to and in conformity with the laws of their respective jurisdictions, the participating jurisdictions, acting by and through their officials lawfully authorized to execute this agreement, do mutually agree as follows:

Article I. Findings and Purposes

Section 1. **Findings.** The participating jurisdictions find that:

(a) the expanding regional economy depends on expanding transportation capacity;

(b) highway transportation is the major mode for movement of people and goods in the western states;

(c) uniform application in the West of more adequate vehicle size and weight standards will result in a reduction of pollution, congestion, fuel consumption, and related transportation costs, which are necessary to permit increased productivity;

HeinOnline -- 1989 vol. I 495 1989

(d) a number of western states, already having adopted substantially the 1964 bureau of public roads recommended vehicle size and weight standards, still find current federal limits more restrictive;

(e) the 1974 revision of federal law (23 U.S.C. 127) did not contain any substantial improvements for vehicle size and weight standards in the western states and deprives states of interstate matching money if vehicle weights and widths are increased, even though the interstate system is nearly 92% complete; and

(f) the participating jurisdictions are most capable of developing vehicle size and weight standards most appropriate for the regional economy and transportation requirements, consistent with and in recognition of principles of highway safety.

Section 2. **Purposes.** The purposes of this agreement are to:

(a) adhere to the principle that each participating jurisdiction should have the freedom to develop vehicle size and weight standards that it determines to be most appropriate to its economy and highway system;

(b) establish a system authorizing the operation of vehicles traveling between two or more participating jurisdictions at more adequate size and weight standards;

(c) promote uniformity among participating jurisdictions in vehicle size and weight standards on the basis of the objectives set forth in this agreement;

(d) secure uniformity, insofar as possible, of administrative procedures in the enforcement of recommended vehicle size and weight standards;

(e) provide means for the encouragement and utilization of research that will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in section 1 of this article.

Article II. Definitions

Section 1. As used in this agreement:

(a) "designated representative" means a legislator or other person authorized to represent the jurisdiction;

(b) "jurisdiction" means a state of the United States or the District of Columbia;

(c) "vehicle" means any vehicle as defined by statute to be subject to size and weight standards that operates in two or more participating jurisdictions.

Article III. General Provisions

Section 1. **Qualifications for membership.** Participation in this agreement is open to jurisdictions that subscribe to the findings, purposes, and objectives of this agreement and will seek legislation necessary to accomplish these objectives.

Article IV. Cooperating Committee

Section 1. Pursuant to section 2, Article III, the designated representatives of the participating jurisdictions shall constitute a committee that shall have the power to:

(a) collect, correlate, analyze, and evaluate information resulting or derivable from research and testing activities in relation to vehicle size and weight related matters;

Copies of all such reports shall be made available to the transportation committee of the western conference, council of state governments, and to the western association of state highway and transportation officials.

Article V. Objectives of the Participating Jurisdictions

Section 1. **Objectives.** The participating jurisdictions hereby declare that:

(a) it is the objective of the participating jurisdictions to obtain more efficient and more economical transportation by motor vehicles between and among the participating jurisdictions by encouraging the adoption of standards that will, as minimums, allow the operation on all state highways, except those determined through engineering evaluation to be inadequate, with a single-axle weight not in excess of 20,000 pounds, a tandem-axle weight not in excess of 34,000 pounds, and a gross vehicle or combination weight not in excess of that resulting from application of the formula:

$$W = 500((LN/(N - 1)) + 12N + 36)$$

where

W = maximum weight in pounds carried on any group of two or computed to nearest 500 pounds;

L = distance in feet between the extremes of any group of two or more consecutive axles;

N = number of axles in group under consideration;

(b) it is the further objective of the participating jurisdictions that in the event the operation of a vehicle or combination of vehicles according to the provisions of subsection (a) of this section would result in withholding or forfeiture of federal-aid funds pursuant to section 127, Title 23, U.S. Code, the operation of such vehicle or combination of vehicles at axle and gross weights within the limits set forth in subsection (a) of this section will be authorized under special permit authority by each participating jurisdiction that could legally issue such permits prior to July 1, 1956, provided all regulations and procedures related to such issuance in effect as of July 1, 1956, are adhered to;

(c) the objectives of subsections (a) and (b) of this section relate to vehicles or combinations of vehicles in regular operation, and the authority

HeinOnline -- 1989 vol. I 498 1989

of any participating jurisdiction to issue special permits for the movement of any vehicle or combinations of vehicles having dimensions and/or weights in excess of the maximum statutory limits in each participating jurisdiction will not be affected;

(d) it is the further objective of the participating jurisdictions to facilitate and expedite the operation of any vehicle or combination of vehicles between and among the participating jurisdictions under the provisions of subsection (a) or (b) of this section, and to that end the participating jurisdictions hereby agree, through their designated representatives, to meet and cooperate in the consideration of vehicle size and weight related matters including but not limited to the development of uniform enforcement procedures; additional vehicle size and weight standards; operational standards; agreements or compacts to facilitate regional application and administration of vehicle size and weight standards; uniform permit procedures; uniform application forms; rules for the operation of vehicles, including equipment requirements, driver qualifications, and operating practices; and such other matters as may be pertinent;

(e) in recognition of the limited prospects of federal revision of section 127, Title 23, U.S. Code, and in order to protect participating jurisdictions against any possibility of withholding or forfeiture of federal-aid highway funds, it is the further objective of the participating jurisdictions to secure congressional approval of this agreement and specifically of the vehicle size and weight standards set forth in subsection (a) of this section;

(f) in recognition of desire for a degree of national uniformity of size and weight regulations, it is the further objective to encourage development of broad, uniform size and weight standards on a national basis and further that procedures adopted under this agreement be compatible with national standards.

Article VI. Entry Into Force and Withdrawal

Section 1. This agreement shall enter into force when enacted into law by any two or more jurisdictions. Thereafter, this agreement shall become effective as to any other jurisdiction upon its enactment thereof, except as otherwise provided in section 8, Article III.

Section 2. Any participating jurisdiction may withdraw from this agreement by canceling the same but no such withdrawal shall take effect until 30 days after the designated representative of the withdrawing jurisdiction has given notice in writing of the withdrawal to all other participating jurisdictions.

Article VII. Construction and Severability

Section 1. This agreement shall be liberally construed so as to effectuate the purposes thereof.

Section 2. The provisions of this agreement shall be severable and if any phrase, clause, sentence, or provision of this agreement is declared to be contrary to the constitution of any participating jurisdiction or the applicability thereto to any government, agency, person, or circumstance is

HeinOnline -- 1989 vol. I 499 1989

held invalid, the validity of the remainder of this agreement shall not be affected thereby. If this agreement shall be held contrary to the constitution of any jurisdiction participating herein, the agreement shall remain in full force and effect as to the jurisdictions affected as to all severable matters.

Article VIII. Filing of Documents

Section 1. A copy of this agreement, its amendments, and rules promulgated thereunder and interpretations thereof shall be filed in the highway department in each participating jurisdiction and shall be made available for review by interested parties.

Article IX. Existing Statutes Not Repealed

Section 1. All existing statutes prescribing weight and size standards and all existing statutes relating to special permits shall continue to be of force and effect until amended or repealed by law.

Article X. State Government Departments Authorized to Cooperate With Cooperating Committee

Section 1. Within appropriations available therefor, the departments, agencies, and officers of the government of this state shall cooperate with and assist the cooperating committee within the scope contemplated by Article IV, subsections 1(a) and 1(b) of the agreement. The departments, agencies, and officers of the government of this state are authorized generally to cooperate with said cooperating committee."

## STATEMENT OF INTENT

A statement of intent accompanies this bill because [section 6] delegates to the newly established board of directors of the Montana self-insurers guaranty fund rulemaking authority to administer the guaranty fund.

The fund is a private, nonprofit legal entity. The members of the board of directors must be elected by members of the fund, except for the initial appointments, which must be made by the governor.

It is the intent of [section 4] that the governor have the authority to implement staggered terms for board members during the initial appointing process.

It is the intent of [section 6] that the board of directors of the Montana self-insurers guaranty fund have the general authority to adopt rules to implement and enforce [this act]. The rules should provide:

(1) a process for electing members and officers of the board;

HeinOnline -- 1989 vol. I 510 1989

(2) a method for filling any vacancy on the board;

(3) a description of the duties of board members;

(4) a method of keeping records of the board;

(5) a method for transacting the business of the board; and

(6) a description of the banking and investment policy of the board.

The rules should also establish the general duties and powers of operation of the fund. These include establishing a method of assessing contributions to the fund and a method of prorating payment if available funds are not sufficient to pay all claims.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Short title.** [This act] may be cited as the "Montana Self-Insurers Guaranty Fund Act".

# CHAPTER NO. 246

[SB 294]

AN ACT TO ALLOW THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS TO REGULATE THE COMMERCIAL TAKING OF AQUATIC FISH FOOD ORGANISMS, INCLUDING CRAYFISH; REPEALING SECTION 87-4-604, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

STATEMENT OF INTENT

A statement of intent is required for this bill because rulemaking authority is granted to the department of fish, wildlife, and parks in [section 1] to regulate the taking, for sale or commercial distribution, of aquatic fish food organisms. Even though the bill provides for approval of permits for this activity on a case-by-case basis, the legislature anticipates that commercial activities for certain aquatic fish food organisms may increase to the extent that there is a need for general rulemaking. It is further anticipated that if this occurs, the department will have gathered sufficient information through the permit system and other monitoring to have sufficient knowledge to adopt appropriate rules to prevent overharvest of these organisms and conflicts with other uses of the waters.

[Section 2] allows the department by rule to set reasonable fees for permits and for the use of traps, nets, or seines in the taking of aquatic fish

HeinOnline -- 1989 vol. I 515 1989

food organisms for commercial purposes. It is intended that any fees should not exceed an amount necessary to meet administrative and monitoring costs of the department.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Regulation of commercial taking of aquatic fish food organisms — permit — rulemaking authority.** (1) The department shall regulate the taking, for sale or commercial distribution, of crayfish, mysis shrimp, and other aquatic organisms that provide a food source for fish.

(2) It is unlawful for a person to take aquatic fish food organisms for commercial purposes without obtaining a permit from the department. A permit applicant shall provide the department with sufficient details of the proposed operation to take any aquatic fish food organism for sale or commercial distribution to enable the department to evaluate any potential overharvest or conflict with existing fishing and recreational uses of the waters.

(3) The department may:

(a) deny a permit if it determines that there is substantial potential that the proposed operation may harm a fishery or conflict with existing recreational uses of the waters;

(b) condition a permit to restrict the method of taking, the location of the taking, and the quality and quantity of harvest, to prevent overharvest or conflict with existing fishing and recreational uses of the waters; or

(c) require a permittee to submit harvest data to the department.

(4) A permit may be revoked for a violation of the conditions of the permit.

(5) The department may adopt rules for the regulation of commercial taking of aquatic fish food organisms, including but not limited to the setting of seasons, methods of taking, quantities of harvest, size limitations, and reporting requirements for a particular aquatic fish food organism, in order to prevent overharvest or conflict with fishing and recreational uses of the waters.

Section 2. **Fees for commercial taking of aquatic fish food organisms — use of fees.** (1) To finance the administration and enforcement of the provisions of [section 1], the department may by rule set reasonable fees for:

(a) issuance of the permit required in [section 1]; and

(b) use of traps, nets, or seines in Montana waters for the taking of aquatic fish food organisms.

(2) The department shall deposit any fees collected under the provisions of subsection (1) in the state special revenue fund for use by the department.

HeinOnline -- 1989 vol. I 516 1989

Section 3. **Codification instruction.** [Sections 1 and 2] are intended to be codified as an integral part of Title 87, chapter 4, part 6, and the provisions of Title 87, chapter 4, part 6, apply to [sections 1 and 2].

Section 4. **Repealer.** Section 87-4-604, MCA, is repealed.

Section 5. **Effective date.** [This act] is effective on passage and approval.

Approved March 22, 1989.

(4) A broker-dealer or a salesman, acting as an agent for an issuer or as an agent for a broker-dealer in the offer or sale of securities for an issuer, or an investment adviser or investment adviser representative may apply for registration by filing an application in such form as the commissioner prescribes and payment of the fee prescribed in 30-10-209. The bond shall be in an amount determined by the commissioner, payable to the state of Montana and conditioned upon the faithful compliance with the provisions of parts 1 through 3 of this chapter, and provide that upon failure to so comply, the salesman shall be liable to any and all persons who may suffer loss by reason thereof.

(8) The registration of a salesman is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application. When a salesman begins or terminates a connection

with an issuer or registered broker-dealer, the salesman and the issuer or broker-dealer shall promptly notify the commissioner.

(9) The registration of an investment adviser representative is not effective during any period when he is not associated with an investment adviser registered under this act and specified in the application. When an investment adviser representative begins or terminates a connection with an investment adviser, the investment adviser shall promptly notify the commissioner.

(10) Registration of a broker-dealer, salesman, investment adviser, or investment adviser representative may be renewed by filing, prior to the expiration thereof, an application containing such information as the commissioner may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, salesman, investment adviser, or investment adviser representative filed by the applicant, payment of the prescribed fee, and, in the case of a broker-dealer who is not a member of NASD, inc., by filing a financial statement showing the financial condition of such broker-dealer as of a date within 90 days. A registered broker-dealer or investment adviser may file an application for registration of a successor, to become effective upon approval of the commissioner.

(11) Every registered broker-dealer and investment adviser shall make and keep such accounts and other records, except with respect to securities exempt under 30-10-104(1), as may be prescribed by the commissioner. All records so required shall be preserved for 3 years unless the commissioner prescribes otherwise for particular types of records. All the records of a registered broker-dealer or investment adviser are subject at any time or from time to time to such reasonable periodic, special, or other examinations, within or without this state, by representatives of the commissioner, as the commissioner considers necessary or appropriate in the public interest or for the protection of investors.

(12) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, salesman, investment adviser, or investment adviser representative if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer or investment adviser, any partner, officer, director, *person occupying a similar status or performing similar functions, or person directly or indirectly controlling the broker-dealer or investment adviser*:

(a) has filed an application for registration under this section which, as of its effective date or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) has willfully violated or willfully failed to comply with any provision of parts 1 through 3 of this chapter or a predecessor law or any rule or order under parts 1 through 3 of this chapter or a predecessor law;

(g) has engaged in dishonest or unethical practices in the securities business;

(h) is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature, but the commissioner may not enter an order against a broker-dealer or investment adviser under this subsection (h) without a finding of insolvency as to the broker-dealer or investment adviser;

(i) has not complied with a condition imposed by the commissioner under this section or is not qualified on the basis of such factors as training, experience, or knowledge of the securities business;

(j) has failed to pay the proper filing fee, but the commissioner may enter only a denial order under this subsection (j), and he shall vacate any such order when the deficiency has been corrected; or

(k) has failed to reasonably supervise his salesmen or employees, if he is a broker-dealer, or his investment adviser representatives or employees, if he is an investment adviser, to assure their compliance with this act.

(13) The commissioner may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within 30 days after the date on which the registration became effective.

(14) The commissioner may by order summarily postpone or suspend registration pending final determination of any proceeding under this section.

(15) Upon the entry of the order under subsection (12) of this section, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is a salesman or investment adviser representative, that it has been entered and of the reasons therefor and that if requested by the applicant or registrant within 15 days after the receipt of the commissioner's notification the matter will be promptly set down for hearing. If no hearing is requested within 15 days and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for

HeinOnline -- 1989 vol. I 529 1989

hearing, may modify or vacate the order or extend it until final determination.

(16) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, *salesman,* investment adviser, or investment adviser representative or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.

(17) The commissioner may, after suspending or revoking registration of any broker-dealer, salesman, investment adviser, or investment adviser representative, impose a fine not to exceed $5,000 upon such broker-dealer, salesman, investment adviser, or investment adviser representative. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general fund. Imposition of any fine under this subsection is an order from which an appeal may be taken pursuant to 30-10-308. If any broker-dealer, salesman, investment adviser, or investment adviser representative fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of such broker-dealer, salesman, investment adviser, or investment adviser representative in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of a broker-dealer, salesman, investment adviser, or investment adviser representative to pay a fine also constitutes a forfeiture of his right to do business in this state under parts 1 through 3 of this chapter."

Section 4. Section 30-10-210, MCA, is amended to read:

**"30-10-210. Examination costs.** (1) *An* issuer, broker-dealer, *or investment adviser* who is examined in connection with a registration under parts 1 through 3 of this chapter shall reimburse the commissioner or any of his duly authorized agents, officers, or employees for actual travel expenses, a reasonable living expense allowance, and a per diem as compensation of examiners, as necessarily incurred on account of the examination, upon presentation of a detailed account of such charges and expenses by the commissioner or pursuant to his written authorization; however, no reimbursement of expenses may be required for routine examinations performed in connection with an application for registration. No person *may* pay and no examiner *may* accept additional emolument on account of such *an* examination.

(2) The commissioner shall pay to the state treasurer to the credit of the general fund all moneys received hereunder. The commissioner may give written authorization for payment of the examination costs referred to in subsection (1) by the person examined directly to the examiner.

(3) If *an* issuer, broker-dealer, *or investment adviser* fails to pay the charges and expenses referred to above, the same shall be paid out of the funds of the commissioner in the same manner as other disbursements of such funds. The amount so paid *is* a first lien upon all of the assets and property in this state of *the* issuer, broker-dealer, *or investment adviser* and

HeinOnline -- 1989 vol. I 530 1989

may be recovered by suit by the attorney general on behalf of the state of Montana and restored to the appropriate fund. Failure of *the* issuer, broker-dealer, *or investment adviser* to pay *the* charges and expenses also *works* a forfeiture of his or its right to do business in this state under parts 1 through 3 of this chapter."

Section 5. Section 30-10-305, MCA, is amended to read:

**"30-10-305. Injunctions and other remedies — limitations on actions.** (1) If it appears to the commissioner that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of parts 1 through 3 of this chapter or any rule or order hereunder, he may in his discretion:

(a) issue an order directing the person to cease and desist from continuing the act or practice after reasonable notice and opportunity for a hearing. The commissioner may issue a temporary order pending the hearing that remains in effect until 10 days after the hearing on the allegations contained in the cease and desist order is held or that becomes final if the person to whom notice is addressed does not request a hearing within 15 days after receipt of the notice; or

(b) without the issuance of a cease and desist order, bring an action in any court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with parts 1 through 3 of this chapter or any rule or order hereunder. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The commissioner may not be required to post a bond. If the commissioner prevails, he is entitled to reasonable attorneys' fees as fixed by the court.

(2) A final judgment or decree, criminal or civil, determining that a person has violated parts 1 through 3 of this chapter in an action brought by the commissioner for such violation, other than a consent judgment or decree entered before trial, is prima facie evidence against that person in an action brought against him under 30-10-307.

(3) The commissioner may, after giving reasonable notice and an opportunity for a hearing under this section, impose a fine not to exceed $5,000 per violation upon a person found to have engaged in any act or practice constituting a violation of any provision of parts 1 through 3 of this chapter or any rule or order issued under parts 1 through 3 of this chapter. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general fund. Imposition of any fine under this subsection is an order from which an appeal may be taken pursuant to 30-10-308. If any person fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of such person in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of the person to pay a fine also constitutes a forfeiture of his right to do business in this state under parts 1 through 3 of this chapter.

HeinOnline -- 1989 vol. I 531 1989

(4) (a) *An* administrative or civil action may *not* be maintained by the commissioner under this section to enforce a liability founded on a violation of 30-10-201*(1)* through *30-10-201(3) or 30-10-202* unless it is brought within 2 years after the violation occurs.

(b) *An* administrative or civil action may *not* be maintained by the commissioner under this section to enforce a liability founded on a violation of parts 1 through 3 of this chapter or any rule or order issued thereunder, except 30-10-201*(1)* through *30-10-201(3) and 30-10-202*, unless it is brought within 2 years after discovery by the commissioner or his staff of the facts constituting the violation.

(c) In no event may an action be maintained under this section to enforce any liability founded on a violation of parts 1 through 3 of this chapter or any rule or order issued thereunder unless it is brought within 5 years after the transaction on which the action is based."

Section 6. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 7. **Effective date.** [This act] is effective on passage and approval.

Approved March 23, 1989.

# CHAPTER NO. 255

[SB 310]

AN ACT REVISING CERTAIN PROVISIONS OF THE MONTANA ELECTRONIC FUNDS TRANSFER ACT; AND AMENDING SECTIONS 32-6-103, 32-6-104, 32-6-303, AND 32-6-305, MCA.

WHEREAS, it is desirable to revise the Montana Electronic Funds Transfer Act to address obligations of merchants and business organizations and to provide for the use of a personal identification number at a point-of-sale terminal as an alternative to obtaining a customer's signature.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 32-6-103, MCA, is amended to read:

"**32-6-103. Definitions.** As used in this chapter, the following definitions apply unless the context otherwise requires:

(1) "Electronic funds transfer" means debiting or crediting a depositor's account or otherwise transacting any business in a financial institution by electronic impulse messages, authorized under this chapter, transmitted directly by wire or otherwise or stored on magnetic tape or equivalent technologies, or otherwise, and processing the adjustments without regular and customary direct human intervention. Nothing in this subsection prevents a financial institution from processing its bookkeeping entries through normal human intervention.

(2) "Financial institution" means a bank chartered under chapter 1 of this title, a bank chartered under the National Banking Acts in Title 12 of the United States Code, a building and loan association chartered under chapter 2 of this title, a savings and loan association chartered under the Home Owners' Loan Act in Title 12 of the United States Code, a credit union chartered under chapter 3 of this title, or a credit union chartered under the Federal Credit Union Act in Title 12 of the United States Code. For purposes of this chapter only, a consumer loan company licensed under chapter 5 *is* considered a financial institution.

(3) (a) "Satellite terminal" means any machine or device located off the premises of a financial institution which a financial institution or its customers may use to carry out electronic funds transfers.

HeinOnline -- 1989 vol. I 539 1989

(b) "Satellite terminal" includes:

(i) automated teller machine, which means a satellite terminal to make electronic funds transfers, located off the premises of financial institutions, operated by customers of financial institutions without assistance, activated by a unique identification device and personal identification number;

(ii) point-of-sale terminal, which means a satellite terminal located on the premises of a merchant, operated by a merchant or his employees solely to debit a customer's deposit or share account in a financial institution and solely to credit the merchant's account commensurately for transactions in goods or services. A point-of-sale terminal need not be activated by a unique personal identification device. A merchant has the option, provided that the necessary computer capability exists at a reasonable cost, of selling goods or services by point-of-sale terminals with the electronic funds transfer taking effect at the time of the transaction or at a stated time after the transaction.

(c) The definition of "satellite terminal" does not include and nothing in this chapter may be construed to apply to:

(i) an automated teller machine located on the premises of a financial institution;

(ii) an automated clearinghouse or any equivalent system designed to transfer funds between financial institutions; or

(iii) a point-of-sale terminal which is utilized by a merchant in the merchant's business only and does not provide access to a financial institution.

(4) "Premises" means those locations where by applicable law financial institutions are authorized to maintain a principal place of business and other offices for the conduct of their respective businesses; the term includes a detached drive-in or walk-up facility approved under 32-1-372.

(5) "Personal identification number" means a combination of numerals or letters selected for a customer of a financial institution, *merchant, or other person* and used, in conjunction with a unique identification device, to initiate a request for an electronic funds transfer.

(6) "Customer", in relation to a financial institution, means a holder of a demand or time account or a membership share in the institution or a person who is a borrower or a mortgagor; in relation to a merchant, it means a purchaser of goods or services.

(7) "Merchant" means a natural person, corporation, partnership, or association engaged in buying and selling goods or services, except that a financial institution is not a merchant.

(8) "Department" means the department of commerce.

(9) "Person" means an individual, partnership, corporation, association, or any other business organization.

(10) "Unique identification device" means a magnetic encoded plastic card or equivalent device containing a number unique to a customer *and issued by* a financial institution, *merchant, or other person.*"

HeinOnline -- 1989 vol. I 540 1989

Section 2. Section 32-6-104, MCA, is amended to read:

**"32-6-104. Consumer information.** (1) A financial institution or its affiliate engaging in electronic funds transfers with its customers shall, prior to authorizing a customer to make electronic funds transfers, provide the customer an itemized statement clearly setting forth, without limitation:

(a) the specific transactions which may be performed through satellite terminals;

(b) the charges, if any, for individual transactions engaged in through a satellite terminal;

(c) minimum balance requirements, if any;

(d) the liability of the various parties for unauthorized transactions made by electronic funds transfer, with special emphasis upon the liability when the customer makes his personal identification number readily available for discovery in connection with theft or loss of the unique identification device and upon the importance of immediate notification to the institution of theft or loss;

(e) the legal status of receipts issued from a satellite terminal;

(f) the right of the customer to a description of transactions performed by satellite terminal on any periodic statement of account furnished the customer;

(g) the right of the customer to seek correction of any errors he believes have been made in his account by electronic funds transfer;

(h) instructions in maintaining customer records and reconciling balances and in the importance of retaining receipts of electronic funds transfers; and

(i) the economic significance of having no "float" time and no stop-payment authority.

(2) The customer shall then sign a statement acknowledging his acceptance of these terms and conditions and give the statement to the financial institution. A copy of the statement, countersigned by an officer of the financial institution, *must* be provided the customer. In addition, the information set forth in subsection (1)(d) *must* be specifically acknowledged by the customer. The customer shall verify his acknowledgement by signing his initials immediately adjacent to the information provided.

*(3) A merchant or person other than a financial institution that issues a unique identification device to its customers for use at a point-of-sale terminal and that provides to the holders of the unique identification device a disclosure that satisfies the initial disclosures of terms and conditions under Regulation E of the federal Electronic Fund Transfer Act is considered to be in compliance with the disclosure requirements of this section."*

Section 3. Section 32-6-303, MCA, is amended to read:

**"32-6-303. Unauthorized transactions — liability.** (1) A customer whose account is debited by an electronic funds transfer without his

HeinOnline -- 1989 vol. I 541 1989

authorization is not liable for the amount of such transaction, and the amount *must* be recredited to his account as provided under 32-6-302, unless:

(a) the financial institution has provided the customer a unique identification device for initiating electronic funds transfer requests and transactions are made as a result of the theft or loss of that device, in which case the customer is liable for the first $50 of any consequent transactions made prior to the time the financial institution is notified of *the* loss or theft; or

(b) the financial institution has provided the customer a unique identification device for initiating, in conjunction with a personal identification number separate from the device, electronic funds transfer requests and the customer attaches the personal identification number to the device by writing or otherwise or in any way makes the number readily available for discovery in connection with the theft or loss of the device and transactions are made as a result of the theft or loss of the device, in which case the customer is liable for one-half the value of all consequent transactions made until the financial institution is notified of *the* theft or loss.

(2) A customer who willingly gives his unique identification device and personal identification number to another is presumed to have authorized any electronic funds transfers requested by *the* other person.

(3) A merchant who makes electronic funds transfer services available on his premises is liable for the amount of an unauthorized electronic funds transfer requested from his premises only if:

(a) he or his agent is negligent in requiring a user of electronic funds transfer services to furnish adequate self-identification;

(b) he fails to retain a physical record of the transaction for 1 year following the transaction; or

(c) he breaches the warranty required by subsection (4).

(4) A merchant operating a point-of-sale terminal shall warrant to the financial institution *or the department* that an order for an electronic funds transfer emanating from the terminal is part of a commercial transaction in which the customer receives goods or services of commensurate value.

(5) The liability for any unauthorized or erroneous electronic funds transfer *that* does not fall upon a customer or a merchant under this section falls upon the financial institution *that* carries out the transfer."

Section 4. Section 32-6-305, MCA, is amended to read:

**"32-6-305. Point-of-sale terminals — additional standards.** (1) Before the department approves a point-of-sale terminal, it must find that the merchant demonstrates on his application that:

(a) he will use acceptable procedures for customer self-identification;

(b) he will use a draft and receipt system, on which the customer's signature acknowledges receipt of the goods or services paid for by electronic funds transfer. *If the sale is initiated by the customer entering his personal*

HeinOnline -- 1989 vol. I 542 1989

*identification number in the point-of-sale terminal, the merchant is not required to obtain the customer's signature.*

(c) he will institute a procedure whereby he keeps one copy of each draft and receipt for 1 year following the date of transaction, he gives one copy to the customer in satisfaction of 32-6-301(1), and he forwards one copy to the customer's financial institution. The requirement of a copy to the financial institution may be waived by the department by rule if the point-of-sale terminal is activated by a customer's unique identification device.

(2) A financial institution involved in an electronic funds transfer initiated from a point-of-sale terminal may inspect the merchant's copy of the transaction record for any purpose consistent with the privacy provisions of 32-6-105."

Section 5. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

(2) *Bonds* issued for any of the purposes designated in 7-7-2201(5) and (6) *may not* be for a longer term than 10 years.

(3) Bonds issued for any of the purposes designated in 7-7-2202 *may* not be for a longer term than will be required to repay the bonds with interest through a tax levy of 10 mills on all the property within the county subject to taxation, and the term *may* not exceed 20 years.

(4) The length of the term required *must* be estimated and calculated by the board of county commissioners, based upon the percentage of valuation of the property upon which taxes are levied and paid within *the*

county as ascertained from the last completed assessment for state and county taxes, taking into account probable changes in the taxable valuation and losses in tax collections. Irrespective of any miscalculation by the county commissioners in fixing the term of the bonds, the county *shall* from year to year make a sufficient tax levy to pay the interest and installments on principal on the bonds as the same fall due.

*(5) For purposes of this section, the term of a bond issue commences on July 1 of the fiscal year in which the county first levies taxes to pay principal and interest on the bonds.*"

Section 2. Section 7-7-2211, MCA, is amended to read:

Section 4. Section 7-7-4210, MCA, is amended to read:

Serial bonds.** The term "serial bonds", as used in this part, *means* a bond issue payable in annual installments *commencing not more than 2 years from the date of issue, any one installment consisting of one or more bonds, with* the principal amount of bonds maturing in each installment not *exceeding* three times the principal amount of the bonds maturing in the immediately preceding installment."

Details relating to rural improvement district bonds and warrants — definitions of bond forms.** (1) The bonds and warrants shall be drawn against the special improvement district fund created for the district (that is, either the construction or maintenance fund, as the case may be) and shall bear interest from the date of registration until called for redemption or paid in full. The interest shall be payable annually or semiannually, at the discretion of the board of county commissioners, on dates the board prescribes. *The* warrants or bonds shall bear the signatures of the chairman of the board and the county clerk and shall bear the corporate seal of the county. They shall be registered in the office of the county clerk and the county treasurer, and if interest coupons *are* attached *to the warrants or bonds*, they shall also be registered and shall bear the signatures of the chairman of the board and the county clerk. *The* coupons may bear the facsimile signatures of *the* officers in the discretion of the board.

(4) As used in this part, unless the context clearly indicates otherwise, the following definitions apply:

(a) "Amortization bonds" means the form of bonds on which:

(i) a part of the principal must be paid each time interest becomes payable;

(ii) the part payment of principal increases at each installment in the same amount that the interest decreases;

(iii) the combined interest and principal due on each due date remains the same until the bonds are paid;

(3) All special improvement district bonds must be amortization bonds unless, in the judgment of the city council, serial bonds will be more advantageous to the district and can be sold at a comparatively reasonable rate or rates of interest.

(4) As used in part 41 and this part, unless the context clearly indicates otherwise, the following definitions apply:

(a) "Amortization bonds" means the form of bonds on which:

(i) a part of the principal must be paid each time interest becomes payable;

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 7-4-2503, MCA, is amended to read:

HeinOnline -- 1989 vol. I 547 1989

(b) $12,000 for counties of the sixth and seventh class to the population increment of $20 per 100 persons or major fraction thereof in the county's population as determined by the 1980 federal decennial census.

(2) (a) An elected county superintendent of schools shall receive, in addition to the salary based upon subsection (1), the sum of $400 per year, except that an elected county superintendent of schools who holds a master of arts degree or a master's degree in education, with an endorsement in school administration, from a unit of the Montana university system or an equivalent institution may, at the discretion of the county commissioners, receive, in addition to the salary based upon subsection (1), up to $2,000 per year.

(b) The county sheriff shall receive, in addition to the salary based upon subsection (1), the sum of $2,000 per year.

(3) (a) In each county with a population in excess of 30,000, the county attorney shall be a full-time official under 7-4-2704, and his salary for the fiscal year beginning July 1, 1981, shall be $36,500. In counties with a population less than 30,000, the county attorney who is a part-time official for a county of the first, second, or third class is entitled to receive an annual salary equal to 60% of the annual salary of a full-time county attorney. A county attorney who is a part-time official for a county of the fourth, fifth, sixth, or seventh class is entitled to receive an annual salary equal to 50% of the annual salary of a full-time county attorney.

(b) In those counties where the office of the county attorney has been established as a full-time position pursuant to 7-4-2706, the salary of the county attorney for the fiscal year beginning July 1, 1981, shall be $36,500.

(c) Beginning on July 1, 1982, and on July 1 of each succeeding year, each county attorney shall be entitled to an increase in salary calculated by adding to his annual salary on July 1, 1981, an increment of 70% of the last previous calendar year's consumer price index for all urban consumers, U.S. department of labor, bureau of labor statistics, or other index that the bureau of business and economic research of the university of Montana may in the future recognize as the successor to that index. However, the county commissioners may, for all or the remainder of each fiscal year, in conjunction with setting salaries for other officers as provided in 7-4-2504(1), set the salary at the prior fiscal year level if that level is lower than the level required by this subsection (3)(c). The cost-of-living increment for the fiscal year beginning July 1, 1983, and for each subsequent fiscal year shall be added to all cost-of-living increments granted for previous years unless salaries were set for the fiscal year at the level of salaries received in the prior fiscal year. *Unless restored pursuant to 7-4-2504(2), any* cost-of-living increment that would have been received for such fiscal year, computed on the prior fiscal year, may not be added to previous increments.

the anniversary date of his employment. After completing 6 years of service as deputy county attorney and for each year of service thereafter up to completion of the 11th year of service, each deputy county attorney is entitled to an additional annual increase in salary of $500.

(ii) The years of service as a deputy county attorney accumulated prior to July 1, 1985, must be included in the calculation of the longevity increase, but, *unless longevity increases are restored pursuant to 7-4-2504(2), the* years of service during any year in which the salary was set at the level of the salary of the prior fiscal year may not be included in any calculation of longevity increases.

(4) For each 10th year after the fiscal year beginning July 1, 1981, the latest federal decennial census statistics shall be the basis for computation of population increments under this section. During the intervening 9 years, the computation of population increments applicable on July 1 of each year shall be based on the last calendar year's annual estimates of counties' populations compiled by the federal-state cooperative program for estimates of the university of Montana bureau of business and economic research and the U.S. bureau of the census or other estimate that the bureau of business and economic research may certify."

Section 2. Section 7-4-2504, MCA, is amended to read:

**"7-4-2504. Salaries to be fixed by resolution — cost-of-living increments.** (1) The county governing body shall by resolution, on or before July 1, 1982, and on or before July 1 of each year thereafter adjust and uniformly fix the salaries of the county treasurer, county clerk, county assessor, county school superintendent, county sheriff, and the clerk of the district court; the county auditor (if there is one); and the county surveyor (if he receives a salary) for cost-of-living increase by adding to the annual salary computed under 7-4-2503 an increment calculated by applying to the annual salary established by 7-4-2503(1) plus previous cost-of-living increments, 70% of the last previous calendar year's consumer price index for all urban consumers, U.S. department of labor, bureau of labor statistics, or other index that the bureau of business and economic research of the university of Montana may in the future recognize as the successor to that index. The county governing body may, however, for all or the remainder of each fiscal year, in conjunction with setting salaries for the same action on the salaries of justices of the peace (if applicable), the county governing body, county attorney, and coroner, set the salary at the prior fiscal year level if that level is lower than the level required by this subsection. The cost-of-living increment for the fiscal year beginning July 1, 1983, and for each subsequent fiscal year shall be added to all cost-of-living increments granted for previous years unless salaries were set for the fiscal year at the level of salaries received in the prior fiscal year. In such case the cost-of-living increment that would have been received for such fiscal year, computed on the prior fiscal year, may not be added to previous increments.

*(2) The county governing body may, in any subsequent fiscal year, restore for 1 or more years the annual cost-of-living increments withheld pursuant to subsection (1). If cost-of-living increments are restored, the longevity increases provided for deputy county attorneys in 7-4-2503(3)(d)(i)*

*and for undersheriffs and deputy sheriffs in 7-4-2510 must also be restored for the years for which the cost-of-living increment was restored.*

*(3)* If the application of 7-4-2503 does not qualify a county official for a salary increase of at least 7% on July 1, 1981, his salary on that date shall be increased by an amount sufficient to provide him total salary equal to 7% more than during the previous year.

*(4)* The county governing body shall by resolution, prior to July 1 of each year, establish the salary of the coroner and may, for all or the remainder of each fiscal year, in conjunction with setting salaries for other officers as provided in subsection (1), set the salary at the prior fiscal year level. The salary must be in effect upon the first day of each ensuing fiscal year."

AN ACT CREATING A PANEL TO REVIEW CHIROPRACTOR MALPRACTICE CLAIMS PRIOR TO A COURT ACTION; APPROPRIATING FUNDS FOR ADMINISTRATION OF THE ACT; AMENDING SECTION 17-7-502, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Short title.** [Sections 1 through 37] may be cited as the "Montana Chiropractic Legal Panel Act".

Section 2. **Purpose.** The purpose of [sections 1 through 37] is to:

HeinOnline -- 1989 vol. I 553 1989

(1) prevent, whenever possible, filed court actions against chiropractic physicians and their employees for professional liability in situations in which the facts do not permit at least a reasonable inference of malpractice; and

(2) make possible the fair and equitable disposition of such claims against chiropractic physicians as are or reasonably may be well founded.

Section 3. **Definitions.** As used in [sections 1 through 37], the following definitions apply:

(1) "Chiropractic physician" means:

(a) for purposes of the annual assessment under [section 12], a person licensed to practice chiropractic under Title 37, chapter 12, who at the time of the assessment:

(i) has his principal residence or place of chiropractic practice in the state of Montana;

(ii) is not employed full time by any federal agency or entity; and

(iii) is not fully retired from the practice of chiropractic; or

(b) for all other purposes, a person licensed to practice chiropractic under Title 37, chapter 12, who at the time of the occurrence of the incident giving rise to a malpractice claim:

(i) had his principal residence or place of chiropractic practice in the state of Montana and was not employed full time by any federal agency or entity; or

(ii) was a professional service corporation, partnership, or other business entity organized under the laws of a state to render chiropractic services and each of whose shareholders, partners, or owners were chiropractic physicians licensed to practice chiropractic under Title 37, chapter 12.

(2) "Director" means the director of the Montana chiropractic legal panel.

(3) "Malpractice claim" means any claim or potential claim against a chiropractic physician for chiropractic treatment, lack of chiropractic treatment, or alleged departure from accepted standards of chiropractic health care that proximately results in damage to the claimant, and includes but is not limited to a tort or contract claim or potential claim.

(4) "Panel" means the Montana chiropractic legal panel created in [section 4].

Section 4. **Creation of panel.** There is a Montana chiropractic legal panel. The panel is a state agency allocated to the Montana supreme court for administrative purposes only, except that 2-15-121(2) does not apply.

Section 5. **What claims panel to review.** The panel shall review all malpractice claims or potential claims against chiropractic physicians covered by [sections 1 through 37], except claims subject to a valid arbitration agreement allowed by law.

HeinOnline -- 1989 vol. I 554 1989

Section 6. **Immunity of panel members and witnesses from civil liability.** Panelists and witnesses are absolutely immune from civil liability for all communications, findings, opinions, and conclusions made in the course and scope of the duties prescribed by [sections 1 through 37].

Section 7. **Appointment, term, and salary of director.** The executive director of the Montana chiropractic association shall appoint the director of the panel, subject to the approval of the chief justice of the Montana supreme court. The director shall serve at the pleasure of and the director's salary must be set by the executive director of the Montana chiropractic association, subject to the approval of the chief justice.

Section 8. **Employment of staff and maintenance of offices.** (1) The director, subject to the approval of the chief justice, may employ and fix the compensation for clerical and other assistants as he considers necessary.

(2) The panel shall maintain adequate offices, in which its records must be kept and official business transacted.

Section 9. **Compensation of panel members and staff.** (1) Each member of the panel must be paid a salary of $40 an hour, under guidelines promulgated by the Montana supreme court.

(2) Each member of the panel, the director, and his staff are entitled to travel expenses incurred while on the business of the panel, as provided in 2-18-501 through 2-18-503. The director shall approve such expenses before payment is made.

Section 10. **Authority to adopt rules.** The director, in consultation with the state bar of Montana and subject to approval of the supreme court, is authorized to adopt and publish rules of procedure necessary to implement and carry out the duties of the panel. Rules may not be adopted that require a party to make a monetary payment as a condition of bringing a malpractice claim before the chiropractic review panel.

Section 11. **Powers of panel.** The panel may provide for the administration of oaths, the receipt of claims filed, the promulgation of forms required by rules adopted by the director, the issuance of subpoenas, and the performance of all other acts required to fairly and effectively administer [sections 1 through 37].

Section 12. **Funding.** (1) There is an account in the state special revenue fund. Money from the assessments levied under this section must be deposited in the account. The money in the account is statutorily appropriated, as provided in 17-7-502, to the director to be used to administer [sections 1 through 37].

(2) For each fiscal year, beginning July 1, an annual assessment is levied on all chiropractic physicians. The amount of the assessment must be annually set by the director and equally assessed against all chiropractic physicians. A fund surplus at the end of a fiscal year, not required for the administration of [sections 1 through 37], must be retained by the director and used to finance the administration of [sections 1 through 37] during the next fiscal year, in which event the director shall reduce the next

HeinOnline -- 1989 vol. I 555 1989

annual assessment to an amount estimated to be necessary for the proper administration of [sections 1 through 37] during that fiscal year.

(3) The annual assessment must be paid on or before the date the chiropractic physician's annual renewal fee under 37-12-307 is due. An unpaid assessment bears a late charge fee equal to the judgment rate of interest. The late charge fee is part of the annual assessment. The director has the same powers and duties in connection with the collection of and failure to pay the annual assessment as the department of commerce has under 37-12-307 with a chiropractic physician's annual license fee.

Section 13. **Panel audits.** (1) The panel and fund must be audited by or at the direction of the legislative auditor and in accordance with 5-13-304 and 5-13-309. The audit must include a determination of the adequacy, sufficiency, and reasonableness of the annual assessment.

(2) A copy of each audit report must be furnished to the supreme court.

(3) The cost of an audit must be paid by the panel.

Section 14. **How cases submitted.** A claimant shall submit a case for the consideration of the panel before filing a complaint in a court sitting in Montana by addressing an application in writing, signed by the claimant or his attorney, to the director of the panel.

Section 15. **Content of application — waiver of confidentiality of medical records.** The application must contain a statement:

(1) in reasonable detail of the elements of the chiropractic physician's conduct that are believed to constitute a malpractice claim, the dates the conduct occurred, and the names and addresses of all witnesses, chiropractic and other physicians, and hospitals having contact with the claimant; and

(2) authorizing the panel to obtain access to all medical and hospital records and information pertaining to the claim and, for the purposes of the panel's consideration of the claim, waiving any privilege as to the contents of those records. Nothing in the statement may in any way be construed as waiving any privilege for any other purpose or in any other context, in or out of court.

Section 16. **Amendments to application.** Amendments to an application may be made in the manner authorized by rule.

Section 17. **Copies of application to professional societies when vicarious liability claimed.** If an application employs a theory of respondeat superior or any other derivative theory of recovery, the director shall give a copy of the application to the state professional society, association, or licensing board of both the individual chiropractic physician whose alleged malpractice caused the application to be filed and the chiropractic physician named a defendant as employer, master, or principal.

Section 18. **Service on health care provider.** Upon receipt of an application, the director or his delegate shall serve a copy of the application

HeinOnline -- 1989 vol. I 556 1989

Section 19. **Chiropractic physician's appearance and answer — waiver of confidentiality of records.** (1) If a chiropractic physician whose alleged malpractice caused the application to be filed chooses to retain legal counsel, his attorney must informally enter an appearance with the director.

(2) The chiropractic physician shall answer the application and submit a statement authorizing the panel to inspect all medical and hospital records and information pertaining to the application and, for the purposes of such inspection only, waiving any privilege as to the content of those records. Nothing in the statement waives any privilege for any other purpose.

Section 20. **Assistance to claimant in obtaining expert consultation.** The director shall cooperate fully with the claimant in retaining as an expert consultant a chiropractic physician qualified in the field of chiropractic.

Section 21. **Director to furnish panel members with documents.** At least 10 days prior to the hearing, the director shall give each panel member copies of all claims, briefs, medical or hospital records, and other documents the director considers necessary.

Section 22. **Composition of panel.** Those eligible to sit on the panel are chiropractic physicians licensed under Montana law and residing in Montana and attorneys who are members of the state bar of Montana. Three panel members who are chiropractic physicians and three panel members who are attorneys shall sit in review of each case.

Section 23. **Selection of panelists.** (1) The director shall promptly transmit an application submitted under [section 14] to the directors of the chiropractic physician's state professional society or association and the state bar of Montana. Within 14 days from the date of transmittal of the application, the director of the professional society or association and the state bar of Montana shall each select 12 proposed panelists from which the director shall select three from each list to serve on the panel. The director shall notify the parties of the names of the panelists.

(2) If no state professional society or association exists or if the chiropractic physician does not belong to such a society or association, the director shall transmit the application to the chiropractic physician's state licensing board and the licensing board shall select 12 proposed panelists from the chiropractic physician's profession and, when applicable, from persons specializing in the same field or discipline as the chiropractic physician.

Section 24. **Panel in cases involving multiple defendants.** If there are multiple defendants, the case against each may be reviewed by a separate panel or, at the discretion of the panel initially appointed or by stipulation of the parties, a single combined panel may review all the claims against all defendants.

HeinOnline -- 1989 vol. I 557 1989

Section 25. **Disqualification of panel member.** (1) A panel member or proposed member shall disqualify himself from consideration of a case in which, by virtue of his circumstances he believes his presence on the panel would be inappropriate, considering the purpose of the panel. The director may excuse a panel member or proposed member from serving.

(2) If a party files an affidavit stating that he believes a panel member cannot impartially sit in review of the application, that panel member is disqualified from consideration of the case. The affidavit must be filed within 15 days of the transmittal by the director, under [section 23], of the names of the panel members selected. A party may not disqualify more than three panel members. The entity that chose the disqualified member shall select another panel member.

Section 26. **Time and place of hearing.** (1) Subject to subsection (2), the director shall choose a date, time, and place for hearing and give prompt notice thereof to the parties involved, their attorneys, and the members of the panel. The hearing date may not be more than 120 days after transmittal of the application by the director, unless the panel finds that good cause exists for extending the 120-day period.

(2) Panel hearings may be held in any county the panel considers necessary or advisable. The county commissioners or other governing authority shall, upon request of the director of the panel, provide suitable facilities for the hearing.

Section 27. **Conduct of hearing.** (1) At the time set for hearing, the claimant must be present and give a brief statement of his case, including the facts constituting the alleged professional malpractice that he is prepared to prove. The chiropractic physician against whom the claim is brought and his attorney may be present and may make an introductory statement of his case.

(2) A party may call witnesses to testify before the panel. Witnesses must be sworn. Medical texts, journals, studies, and other documentary evidence relied upon by a party may be offered and admitted if relevant. Written statements of facts by treating chiropractic physicians may be reviewed.

(3) The hearing is informal, and an official transcript must not be made.

Section 28. **Conclusion of hearing — supplemental hearing.** (1) At the conclusion of the hearing, the panel may take the case under advisement or may request that additional facts, records, witnesses, or other information be obtained and presented to it at a supplemental hearing. The supplemental hearing must be held at a date and time no more than 30 days from the date of the original hearing, unless the claimant or his attorney consents in writing to a longer period.

(2) A supplemental hearing must be held in the same manner as the original hearing, and the parties and their attorneys may be present.

Section 29. **Selection of chairman.** At or prior to the time set for the hearing, the attorney members of the panel shall select a chairman, who must be an attorney.

HeinOnline -- 1989 vol. I 558 1989

Section 30. **Questions panel must decide.** Upon consideration of all relevant evidence, the panel shall decide whether there is:

(1) substantial evidence that the acts complained of occurred and that they constitute malpractice; and

(2) a reasonable medical probability that the patient was injured thereby.

Section 31. **Deliberations to be secret — voting.** The deliberations of the panel are confidential. Each vote of the panel on a question for discussion must be by secret ballot. The decision must be by a majority vote of those voting members of the panel who sat during the case.

Section 32. **Form and content of decision.** (1) The decision must:

(a) be in writing and signed by the chairman;

(b) contain only the conclusions reached by a majority of the panel; and

(c) list the number of dissenting members, if any.

(2) The majority may briefly explain the reasoning and the basis for its decision, and the dissenters may likewise explain the reasons for disagreement.

Section 33. **Decision to be filed and copies sent to parties, attorneys, and licensing board.** A copy of the decision must be:

(2) retained in the permanent files of the panel; and

(3) given to the chiropractic physician's professional licensing board.

Section 34. **Decision not binding — settlement agreements.** The panel's decision is without administrative or judicial authority and is not binding upon a party. The panel may recommend an award or approve a settlement agreement. An approved settlement agreement is binding on the parties.

Section 35. **Tolling of statute of limitations.** (1) Upon receipt of an application by the director, the running of an applicable limitation period in a malpractice claim is tolled as to each chiropractic physician named as a party and as to each other person or entity named as a necessary or proper party for a court action that might subsequently arise out of the factual circumstances set forth in the application.

(2) The running of the applicable limitation period in a malpractice claim does not begin again until:

(a) 30 days after an order of dismissal, with or without prejudice against refiling, is issued; or

(b) after the panel's final decision is entered in the permanent files of the panel and a copy is served upon the complainant or his attorney.

Section 36. **Records of proceedings — confidentiality.** The director shall maintain records of all proceedings before the panel. The record

HeinOnline -- 1989 vol. I 559 1989

must include the nature of the act or omission complained of, a brief summary of the evidence, the decision of the panel, and any majority or dissenting opinions filed. Records that identify a party to the proceedings may not be made public, are not subject to subpoena, and may be used only to compile statistical data and facilitate studies of medical malpractice in Montana.

Section 37. **Panel proceedings and decision privileged from disclosure in court actions.** (1) A panel member must not be called to testify in any proceeding concerning the deliberations, discussions, decisions, and internal proceedings of the panel.

(2) A decision of the panel is not admissible as evidence in an action subsequently brought in a court of law.

# CHAPTER NO. 271

[HB 310]

AN ACT REVISING THE MONTANA YOUTH COURT ACT; CHANGING THE TIME IN WHICH A PETITION CHARGING A YOUTH HELD IN DETENTION MUST BE FILED FROM 5 WORKING DAYS TO 7 WORKING DAYS; ALLOWING HEARINGS TO DETERMINE PROBABLE CAUSE TO DETAIN A YOUTH FOR MORE THAN 24 HOURS TO BE HELD BY A JUSTICE OF THE PEACE, A MUNICIPAL OR CITY JUDGE, OR A MAGISTRATE; PROVIDING THAT RECORDS OF HEARINGS MUST BE MADE EITHER BY A COURT REPORTER OR BY A TAPE RECORDING; AMENDING SECTIONS 41-5-301 AND 41-5-303, MCA; AND PROVIDING AN EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 41-5-301, MCA, is amended to read:

**"41-5-301. Preliminary investigation and disposition.** (1) Whenever the court receives information from any agency or person, based upon reasonable grounds, that a youth is or appears to be a delinquent youth or a youth in need of supervision or, being subject to a court order or consent order, has violated the terms thereof, a probation officer shall make a preliminary inquiry into the matter.

HeinOnline -- 1989 vol. I 575 1989

(2) The probation officer may:

(a) require the presence of any person relevant to the inquiry;

(b) request subpoenas from the judge to accomplish this purpose;

(c) require investigation of the matter by any law enforcement agency or any other appropriate state or local agency.

(3) If the probation officer determines that the facts indicate a youth in need of care, the matter shall be immediately referred to the department.

(4) (a) The probation officer in the conduct of the preliminary inquiry shall:

(i) advise the youth of the youth's rights under this chapter and the constitutions of the state of Montana and the United States;

(ii) determine whether the matter is within the jurisdiction of the court;

(iii) determine, if the youth is in detention or shelter care, whether such detention or shelter care should be continued based upon criteria set forth in 41-5-305.

(b) Once relevant information is secured, the probation officer shall:

(i) determine whether the interest of the public or the youth requires that further action be taken;

(ii) terminate the inquiry upon the determination that no further action be taken; and

(iii) release the youth immediately upon the determination that the filing of a petition is not authorized.

(5) The probation officer upon determining that further action is required may:

(a) provide counseling, refer the youth and his parents to another agency providing appropriate services, or take any other action or make any informal adjustment that does not involve probation or detention;

(b) provide for treatment or adjustment involving probation or other disposition authorized under 41-5-401 through 41-5-403, provided such treatment or adjustment is voluntarily accepted by the youth's parents or guardian and the youth, and provided further that said matter is referred immediately to the county attorney for review and that the probation officer proceed no further unless authorized by the county attorney; or

(c) refer the matter to the county attorney for filing a petition charging the youth to be a delinquent youth or a youth in need of supervision.

(6) The county attorney may apply to the youth court for permission to file a petition charging a youth to be a delinquent youth or a youth in need of supervision. The application must be supported by such evidence as the youth court may require. If it appears that there is probable cause to believe that the allegations of the petition are true, the youth court shall grant leave to file the petition.

HeinOnline -- 1989 vol. I 576 1989

(7) A petition charging a youth held in detention must be filed within 7 working days from the date the youth was first taken into custody or the petition shall be dismissed and the youth released unless good cause is shown to further detain such youth.

(8) If no petition is filed under this section, the complainant and victim, if any, shall be informed by the probation officer of the action and the reasons therefor and shall be advised of the right to submit the matter to the county attorney for review. The county attorney, upon receiving a request for review, shall consider the facts, consult with the probation officer, and make the final decision as to whether a petition shall be filed."

Section 2. Section 41-5-303, MCA, is amended to read:

**"41-5-303. (Temporary) Rights of youth taken into custody — questioning — hearing for probable cause — detention.** (1) When a youth is taken into custody for questioning upon a matter which could result in a petition alleging that the youth is either delinquent or in need of supervision, the following requirements must be met:

(a) The youth shall be advised of his right against self-incrimination and his right to counsel.

(b) The youth may waive such rights under the following situations:

(i) when the youth is 16 years of age or older, the youth may make an effective waiver;

(ii) when the youth is under the age of 16 years and the youth and a parent or guardian agree, they may make an effective waiver; and

(iii) when the youth is under the age of 16 years and the youth and his parent or guardian do not agree, the youth may make an effective waiver only with advice of counsel.

(c) The investigating officer, probation officer, or person assigned to give notice shall immediately notify the parents, guardian, or legal custodian of the youth that the youth has been taken into custody, the reasons for taking the youth into custody, and where the youth is being held. If the parents, guardian, or legal custodian cannot be found through diligent efforts, a close relative or friend chosen by the youth must be notified.

(2) A youth who has been taken into custody may not be held longer than 24 hours, excluding weekends and legal holidays, unless a hearing has been held by the court, *a justice of the peace, a municipal or city judge, or a magistrate* to determine whether there is probable cause to believe he is a delinquent youth or a youth in need of supervision. *If a hearing under this subsection is held by a justice of the peace, a municipal or city judge, or a magistrate, a record of the hearing shall be made by a court reporter or by a tape recording of the hearing.*

(3) At the probable cause hearing, the youth *shall be informed* of his constitutional rights and his rights under this chapter.

(4) A parent, guardian, or legal custodian of the youth may be held in contempt of court for failing to be present at the probable cause hearing, unless he:

HeinOnline -- 1989 vol. I 577 1989

(a) cannot be located through diligent efforts of the investigating peace officer or peace officers; or

(b) is excused by the court for good cause.

(5) At the probable cause hearing, a guardian ad litem *may be appointed* as provided in 41-5-512.

(6) If *it is determined* that there is probable cause to believe the youth is delinquent or is a youth in need of supervision and if the youth meets the criteria in 41-5-305, the youth may be placed in a shelter care facility or detention facility as provided in 41-5-306. If probable cause *is not found*, the youth must be immediately released.

**41-5-303. (Effective July 1, 1989) Rights of youth taken into custody — questioning — hearing for probable cause — detention.** (1) When a youth is taken into custody for questioning upon a matter which could result in a petition alleging that the youth is either delinquent or in need of supervision, the following requirements must be met:

(a) The youth shall be advised of his right against self-incrimination and his right to counsel.

(b) The youth may waive such rights under the following situations:

(i) when the youth is 16 years of age or older, the youth may make an effective waiver;

(ii) when the youth is under the age of 16 years and the youth and a parent or guardian agree, they may make an effective waiver; and

(iii) when the youth is under the age of 16 years and the youth and his parent or guardian do not agree, the youth may make an effective waiver only with advice of counsel.

(c) The investigating officer, probation officer, or person assigned to give notice shall immediately notify the parents, guardian, or legal custodian of the youth that the youth has been taken into custody, the reasons for taking the youth into custody, and where the youth is being held. If the parents, guardian, or legal custodian cannot be found through diligent efforts, a close relative or friend chosen by the youth must be notified.

(2) A youth who has been taken into custody may not be held longer than 24 hours, excluding weekends and legal holidays, unless a hearing has been held by the court, *a justice of the peace, a municipal or city judge, or a magistrate* to determine whether there is probable cause to believe he is a delinquent youth or a youth in need of supervision. *If a hearing under this subsection is held by a justice of the peace, a municipal or city judge, or a magistrate, a record of the hearing shall be made by a court reporter or by a tape recording of the hearing.*

(3) At the probable cause hearing, the youth *shall be informed* of his constitutional rights and his rights under this chapter.

If probable cause *is not found*, the youth must be immediately released."

# CHAPTER NO. 272

[HB 327]

AN ACT TO ALLOW THE BOARD OF LAND COMMISSIONERS TO EXTEND THE PRIMARY TERM OF STATE OIL AND GAS LEASES WHERE, DUE TO LITIGATION, STATE COMPLIANCE WITH THE MONTANA ENVIRONMENTAL POLICY ACT, OR ADVERSE CONDITIONS CAUSED BY NATURAL OCCURRENCES, EXPLORATION OR PRODUCTION DURING THE PRIMARY LEASE TERM HAS BEEN PREVENTED OR THE LESSEE IS THREATENED WITH SUBSTANTIAL ECONOMIC LOSS; AMENDING SECTION 77-3-421, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 77-3-421, MCA, is amended to read:

**"77-3-421. Duration of lease.** (1) All state oil and gas leases entered by the board shall be granted for a primary term of not more than 10 years or less than 5 years and as long thereafter as oil or gas in paying quantities is produced, on condition that all drilling, rental, and other obligations are fully kept and performed by the lessee. However, leases for a period of less than 5 years may be issued if the board determines that such shorter term is necessary to ensure full compensation for the oil and gas resource.

(2) Oil or gas produced from any part of a unit in which state lands are included by virtue of a pooling agreement are considered to be produced from the state lands therein within the meaning of this part.

*(3) The board may grant reasonable extensions of the primary term of a state oil or gas lease upon a showing that the lessee, despite due care and diligence, is or has been directly or indirectly prevented from exploring,*

HeinOnline -- 1989 vol. I 579 1989

*developing, or operating the lease or is threatened with substantial economic loss, due to litigation regarding the lease or another lease in the immediate area held by the same lessee, state compliance with the Montana Environmental Policy Act, Title 75, chapter 1, parts 1 through 3, rules adopted under Title 75, chapter 1, or adverse conditions caused by natural occurrences."*

Section 2. **Extension of authority.** Any existing authority to make rules on the subject of the provisions of [this act] is extended to the provisions of [this act].

Section 3. **Effective date.** [This act] is effective on passage and approval.

# CHAPTER NO. 273

[HB 345]

AN ACT PERMITTING FACSIMILE COPIES OF CERTAIN DOCUMENTS TO BE FILED WITH THE SECRETARY OF STATE PENDING FILING OF THE ORIGINAL DOCUMENT WITHIN 5 DAYS; PROVIDING THAT A PERSON WHO FILES A FALSE DOCUMENT BY FACSIMILE COPY IS LIABLE FOR RESULTANT DAMAGES; AND AMENDING SECTIONS 30-9-403, 35-1-102, AND 35-2-102, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 30-9-403, MCA, is amended to read:

**"30-9-403. What constitutes filing — duration of filing — fees — effect of lapsed filing — duties of filing officer — computerized farm statement system.** (1) *(a)* Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this chapter.

*(b) The secretary of state may treat a facsimile copy of a document and the signatures on the facsimile copy in the same manner as an original for purposes of 30-9-402 and subsection (1)(a), provided that he receives the original document within 5 working days of the receipt of the facsimile copy. If all other requirements are met, the date of filing relates back to the date of receipt of the facsimile copy. A facsimile copy may be filed under subsection (1)(a) if it:*

*(i) is produced by a method of transmission of images in which the image is scanned at the transmitter, reconstructed at the receiving station, and duplicated on paper at the receiving station; and*

*(ii) is legible and the same size as the original.*

HeinOnline -- 1989 vol. I 580 1989

*(c) During the 5-day period referred to in subsection (1)(b), the recorded facsimile copy constitutes constructive notice for all purposes of the original document.*

*(d) If the original document is not received within 5 working days of receipt of the facsimile copy as provided in subsection (1)(b), the filing of the facsimile copy is void.*

*(e) A person who files a false document by facsimile copy is liable to the party aggrieved for three times the amount of damages resulting from the filing of the false document.*

(2) Except as provided in subsections (6) and (11), a filed financing statement is effective for a period of 5 years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the 5-year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until *60 days after* termination of the insolvency proceedings or until expiration of the 5-year period, whichever occurs later. Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is considered to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within 6 months prior to the expiration of the 5-year period specified in subsection (2). Any continuation statement must be signed by the secured party, identify the original statement by file number, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with 30-9-405(2), including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for 5 years after the last date to which the filing was effective, whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after 1 year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if he physically destroys the financing statements of a period more than 5 years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained.

(4) Except as provided in subsection (7), a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition, the filing officer shall index the statements

HeinOnline -- 1989 vol. I 581 1989

according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The uniform fees for filing, indexing, and stamping a copy furnished by the filing party to show the date and place of filing shall be set pursuant to subsection (13).

(6) If the debtor is a transmitting utility and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage that is effective as a fixture filing under 30-9-402(6) remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to 30-9-103(5) or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or if indexing is by description, in the same fashion as if the financing statement were a mortgage of the real estate described.

(8) When a financing or continuation statement filed by a financial institution covers farm products or accounts, livestock, general intangibles arising from or relating to the sale of farm products by a farmer, crops growing or to be grown, or equipment used in farming operations, the fee for filing must be established by the secretary of state in an amount commensurate with the costs of establishing and operating the computerized access system described in subsection (9).

(9) Within one working day of receipt of a financing or continuation statement, the secretary of state shall record the information contained in the statement on a centralized computer system that he shall establish. The computer system must allow access to financing statement information by any type of communications which conform to standards used by the state central computer. The system must have safeguards to allow only access to UCC data and to prevent alteration, addition, or deletion of the UCC data. The computer must be accessible whenever the state computer system is available. A perfected security interest is not created until the financing statement information is recorded on the system. A printout of information from the system is prima facie evidence of the existence or nonexistence of the filing of a financing statement. The secretary of state shall maintain adequate errors and omissions liability coverage to protect against input errors causing loss to a secured party.

(10) The secretary of state shall, upon request of a clerk and recorder, mail a certified copy of a financing statement, continuation statement, assignment, amendment, or termination covering collateral described in subsection (8) to the clerk and recorder in the county of the principal debtor's residence. The secretary of state shall mail the requested copies at least once each week. This subsection does not require the secretary of state to

HeinOnline -- 1989 vol. I 582 1989

mail a copy of any document which does not specifically indicate the county of the principal debtor's residence on its face.

(11) When a financing or continuation statement covers property described in subsection (8), its effectiveness lapses on July 1, 1986, unless prior to that date there is filed in the office of the secretary of state a certified copy of the statement on file with the county clerk and all related documents.

(12) Financing statement information in the computer system constitutes public writings within the meaning of 2-6-101, but the information may not be used to compile mailing lists.

(13) The secretary of state, with advice from the county clerk and recorders, shall by administrative rule establish fees as required by this part. The fees must be commensurate with the costs of processing the documents. The secretary of state shall maintain records sufficient to support the amounts of the fees established under this subsection. The secretary of state shall deposit in a state special revenue fund in the state treasury all fees he collects, and the fee money may be paid out of the treasury only on appropriation made by the legislature as provided in 17-8-101. Any fee money collected under this part and remaining in the state treasury after all current fiscal year expenditures are met must be transferred to the general fund. The secretary of state shall disseminate the uniform fee schedule to the county clerk and recorders for their use."

Section 2. Section 35-1-102, MCA, is amended to read:

(2) The goals of this program are:

(a) to assist in the development of innovative technology in the state by providing a source of capital to the agricultural-based sector of the state's economy;

(b) to provide financing and follow-along management support for agricultural businesses in the state that are attempting to develop agricultural products or processes based on innovative technologies; and

(c) to provide a liaison between agricultural businesses in the state and investors in an effort to enhance the pool of capital available to agricultural businesses in the state.

Section 3. **Specific criteria for seed capital project loans.** The council may make a seed capital project loan only if it determines that the proposed project complies with the criteria and goals set forth in [sections 1 and 2] and further determines that:

(10) if applicable, the company's business plan is designed to provide financing, marketing, and production milestones to accomplish the proposed commercialization.

Section 4. **Research and development project — program goals.** (1) The council may make a research and development project loan if it determines that the project meets the loan criteria established in [sections 1 and 5] and further determines that the project meets the goals established in subsection (2).

(f) to improve the information and resources available to the state's agricultural businesses involved in commercialization of innovative agricultural products and processes.

Section 5. **Specific criteria for research and development project loans.** The council may make a research and development project loan only if it determines that the proposed project substantially complies with the criteria and goals set forth in [sections 1 and 4] and further determines that the project:

# CHAPTER NO. 285

[HB 706]

AN ACT AMENDING THE LAWS RELATING TO SURPLUS LINES INSURERS, AGENTS, AND INSURANCE; PROVIDING FOR FUNDING A SURPLUS LINES ADVISORY ORGANIZATION BY A STAMPING FEE; AMENDING SECTIONS 33-2-302, 33-2-303, 33-2-305, 33-2-306, 33-2-308 THROUGH 33-2-310, 33-2-312, 33-2-316, 33-2-317, 33-2-321, 33-17-201, AND 33-17-202, MCA; AND PROVIDING AN APPLICABILITY DATE.

STATEMENT OF INTENT

A statement of intent is required for this bill because the amendment to 33-2-321 grants rulemaking authority to the insurance commissioner to set a stamping fee, not to exceed 1%, that may be collected by a surplus lines advisory organization. It is intended that the insurance commissioner set the stamping fee at an amount that will generate enough income to pay the expenses incurred by the surplus lines advisory organization. It is intended that the insurance commissioner will by rule adjust the amount of the stamping fee as surplus lines advisory organizations' needs change and as the amount of transactions change.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 33-2-302, MCA, is amended to read:

**"33-2-302. Conditions precedent to sale of surplus lines insurance.** Insurance may be procured through a licensed surplus lines agent from an unauthorized insurer if:

(1) the insurer is an eligible surplus lines insurer;

HeinOnline -- 1989 vol. I 608 1989

(2) the full amount or kind of insurance cannot be obtained from authorized insurers. The full amount or kind of insurance may be procured from an eligible surplus lines insurer if the agent makes a diligent search among the insurers who are authorized to transact and are actually *transacting* the particular kind and class of insurance in this state and cannot obtain the full amount or kind of insurance from an authorized insurer.

(3) the insurance is not so procured for the purpose of securing advantages either as to:

(a) a lower premium rate than would be accepted by an authorized insurer; or

(b) terms of the insurance contract; and

(4) all other requirements of this part are met."

Section 2. Section 33-2-303, MCA, is amended to read:

**"33-2-303. Filing and endorsement of contract.** Every insurance contract, cover, note, or certificate of insurance procured and delivered as surplus lines insurance under this part *must* be filed with the commissioner, *or with the surplus lines advisory organization formed pursuant to 33-2-321,* and endorsed as "issued in an unauthorized insurer under The Surplus Lines Insurance Law, under *surplus lines* agent license No. ....." and "NOT covered by the property and casualty guaranty fund of this state if the unauthorized insurer becomes insolvent". The surplus lines agent shall properly fill in and sign the endorsement."

Section 3. Section 33-2-305, MCA, is amended to read:

**"33-2-305. Licensing of surplus lines agent — fee and bond.** (1) *A person* may not procure a contract of surplus lines insurance with an unauthorized insurer unless *he* is licensed as a resident property, casualty, and surety insurance agent and possesses a current surplus lines insurance license issued by the commissioner.

(2) The commissioner shall issue a surplus lines *insurance* license to any qualified holder of a current property, casualty, and surety insurance agent license only if the *insurance* agent has:

(a) remitted to the commissioner the annual fee prescribed by 33-2-708;

(b) submitted to the commissioner a completed license application on a form supplied by the commissioner;

(c) been licensed as a property, casualty, and surety insurance agent continuously for 5 years or more; and

(d) filed with the commissioner and thereafter for as long as the license remains in effect kept in force a bond in favor of the state of Montana in the amount of $10,000, with authorized corporate sureties approved by the commissioner. The bond must be conditioned that the *insurance* agent will conduct business under the license in accordance with the provisions of The Surplus Lines Insurance Law and that he will promptly remit the taxes provided *in 33-2-311.* The bond may not be terminated unless the

surety gives the surplus lines agent, the producing agent, and the commissioner at least 30 days' prior written notice thereof.

(3) The license expires on April 1 after its date of issue. A surplus lines agent shall renew the license on or before March 1 of each year upon payment of the annual renewal fee prescribed in 33-2-708. A surplus lines agent who fails to apply for a renewal of the license on or before March 1 shall pay a fine of $100 before the commissioner renews the license.

(4) A corporation is eligible to be *licensed as* a surplus lines agent if:

(a) the corporate license lists the individuals within the corporation who have satisfied the requirements of this part to become surplus lines agents; and

(b) only those individuals listed on the corporate license transact surplus lines *insurance.*"

Section 4. Section 33-2-306, MCA, is amended to read:

"**33-2-306. Surplus lines agent's authority under license — acceptance of business from other insurance agents — placement fee.** (1) Under a surplus lines agent license the licensee may place surplus lines insurance, in compliance with The Surplus Lines Insurance Law, with *a* foreign or alien insurer not authorized to transact insurance in this state and *may* act as *a surplus lines* agent in this state for *the* insurer.

(2) The surplus lines agent may accept surplus lines insurance from *a* licensed *insurance* agent of an authorized insurer *[or, if the commissioner agrees in advance, through an individual, partnership, or corporation that has not been appointed as an insurance agent in this state]* and may compensate him therefor.

(3) A surplus lines agent who places or renews surplus lines insurance in accordance with subsection (1) may collect:

*(a) an inspection fee for the actual costs of inspecting the risk to be covered; and*

*(b)* a placement fee of 0.5% of the premium charged to cover the costs of issuing and servicing the policy. The fee may not be less than $10 or more than $100."

Section 5. Section 33-2-308, MCA, is amended to read:

"**33-2-308. Evidence of the insurance — changes — penalty.** (1) Upon placing surplus lines insurance, the surplus lines agent shall promptly issue *or* deliver to the insured or the producing agent evidence of the insurance, consisting either of the policy as issued by the insurer or, if *the* policy is not then available, a cover note or certificate of insurance signed or countersigned by the agent. *The* cover note or certificate must show the subject, coverage, conditions, and term of the insurance, the premium charged and taxes collected from the insured, and the name and address of the insurer. If *a* direct risk is assumed by more than one insurer, the cover note or certificate must state the name and address and proportion of the entire direct risk assumed by each such insurer.

HeinOnline -- 1989 vol. I 610 1989

(2) If after the issuance and delivery of any cover note or certificate there is *a* change as to the identity of the insurers or the proportion of the direct risk assumed by the insurer as stated in the original cover note or certificate or in any other material respect as to the insurance coverage evidenced by the cover note or certificate, the *surplus lines* agent shall promptly issue *or* deliver to the insured a substitute cover note or certificate accurately showing the current status of the coverage and the insurers responsible thereunder.

(3) If a policy issued by the insurer is not available upon placement of the insurance and the *surplus lines* agent has issued and delivered a cover note or certificate as hereinabove provided, upon request therefor by the insured, the *surplus lines* agent shall as soon as reasonably possible procure from the insurer its policy evidencing *the* insurance and deliver *the* policy to the insured in replacement of the cover note or certificate theretofore issued.

(4) *A* surplus lines agent who knowingly or negligently issues or delivers a false cover note or certificate of insurance or fails promptly to notify the insured of *a* material change with respect to *the* insurance by delivery to the insured of a substitute cover note or certificate as provided in subsection (2) shall be guilty of a violation of this code and upon conviction shall be subject to the penalties provided by 33-1-104 or to any greater applicable penalty otherwise provided by law.

(5) A surplus lines agent may not issue or deliver *an* evidence of insurance or purport to insure or represent that insurance will be or has been written by *an* eligible surplus lines insurer unless he has authority from the insurer to cause the risk to be insured or has received information from the insurer in the regular course of business that *the* insurance has been granted."

Section 6. Section 33-2-309, MCA, is amended to read:

**"33-2-309. Liability of insurer as to losses and unearned premiums.** (1) As to a surplus lines risk which has been assumed by an unauthorized insurer pursuant to The Surplus Lines Insurance Law and if the premium thereon has been received by the surplus lines agent who placed *the* insurance, in all questions thereafter arising under the coverage as between the insurer and the insured, the insurer *is considered* to have received the premium due to it for *the* coverage. The insurer *is* liable to the insured as to losses covered by *the* insurance and for unearned premiums which may become payable to the insured upon cancellation of *the* insurance, whether or not in fact the *surplus lines* agent is indebted to the insurer with respect to *the* insurance or for any other cause. This provision *does* not affect rights as between the insurer and the surplus lines agent.

(2) A payment of premium to a surplus lines agent acting for a person other than himself in negotiating, continuing, or reviewing a policy of insurance under this part is considered to be payment to the insurer, notwithstanding any conditions or stipulations that may be inserted in the policy or contract.

(3) Each unauthorized insurer assuming a surplus lines direct risk under The Surplus Lines Insurance Law is considered thereby to have subjected itself to the terms of this section."

HeinOnline -- 1989 vol. I 611 1989

Section 7. Section 33-2-310, MCA, is amended to read:

**"33-2-310. The records must be available for examination by the commissioner at any reasonable time within 5 years after the issuance of the surplus lines insurance to which it relates.

(2) Prior to April 1 of each year the *surplus lines* agent shall file with the commissioner a statement for the *preceding* calendar year, showing:

(a) name and address of each insured for whom surplus lines insurance was procured;

(d) date and term of the policy;

(e) amount of premium returned on each policy canceled or not taken;

(f) amount of tax and other sums to be collected from the insured;

(g) identity of the producing agent; *and*

*(h)* such additional information as the commissioner may reasonably require.

(3) Each producing agent shall execute and each surplus lines agent shall file an affidavit, on a standardized form furnished by the commissioner, as to the diligent efforts to place the coverage with authorized insurers and the results of such efforts. An affidavit filed under this subsection is subject to public inspection unless the commissioner determines that the public interest requires otherwise. The producing agent shall state in the affidavit that he has expressly advised the insured prior to placing the insurance that:

(a) the surplus lines insurer with whom the insurance is placed is not authorized in this state and is not subject to the same supervision as an authorized insurer; and

(b) in the event of the insolvency of the surplus lines insurer, the property and casualty guaranty fund of the state will not pay losses under the surplus lines coverage."

Section 8. Section 33-2-312, MCA, is amended to read:

**"33-2-312. Penalty for failure to file statement, pay tax, or pay stamping fee.** *(1) A* surplus lines agent who fails to make and file the annual statement as required under 33-2-310 or to pay the taxes as required under 33-2-311 is liable to a penalty of $25 for each day of delinquency, commencing with April 1. The tax and penalty may be recovered in an action instituted by the commissioner in the name of the state in any

HeinOnline -- 1989 vol. I 612 1989

court of competent jurisdiction, the attorney general representing him. The penalty when collected, unless collected by a justice's court, shall be paid to the state treasurer and placed to the credit of the general fund. The surplus lines agent license is also subject to revocation as provided in 33-2-313.

*(2) If a surplus lines agent does not pay the stamping fee provided for in 33-2-321 before it is due, the commissioner or the surplus lines advisory organization formed pursuant to 33-2-321 may impose a penalty of 25% of the stamping fee due plus 1.5% a month from the time of delinquency until the stamping fee is paid."*

(b) the child has been integrated into the family of the petitioner with consent of the custodian;

# CHAPTER NO. 304

[HB 321]

AN ACT REQUIRING UNIFORM COMMERCIAL CODE FINANCING STATEMENTS TO INCLUDE THE SOCIAL SECURITY NUMBER OR TAX IDENTIFICATION NUMBER OF THE DEBTOR; AND AMENDING SECTION 30-9-402, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 30-9-402, MCA, is amended to read:

**"30-9-402. Formal requisites of financing statement — amendments — mortgage as financing statement.** (1) A financing statement is sufficient if it gives the names of the debtor and the secured party, is signed by the debtor, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address and the county of residence of the debtor, and contains a statement indicating the types or describing the items of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. Except for financing statements filed pursuant to 30-9-409 when the financing statement covers crops growing or to be grown, the statement must also contain a description of the real estate concerned. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to 30-9-103(5), or when the financing statement is filed as a fixture filing (30-9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by the debtor.

(2) A financing statement which otherwise complies with subsection (1) is sufficient when it is signed by the secured party instead of the debtor if it is filed to perfect a security interest in:

(a) collateral already subject to a security interest in another jurisdiction when it is brought into this state, or when the debtor's location is changed to this state. Such a financing statement must state that the collateral was brought into this state or that the debtor's location was changed to this state under such circumstances.

(b) proceeds under 30-9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral.

(c) collateral as to which the filing has lapsed; or

(d) collateral acquired after a change of name, identity, or corporate structure of the debtor (subsection (7)).

(3) A form substantially as follows is sufficient to comply with subsection (1):

Name of debtor (or assignor) .....

*Social security number or tax identification number* .....

Address .....

County of residence .....

Name of secured party (or assignee) .....

Address .....

1. This financing statement covers the following types (or items) of property:

(Describe) .....

2. (If collateral is crops) The above described crops are growing or are to be grown on:

(Describe Real Estate) .....

3. (If applicable) The above goods are to become fixtures on:

(Describe Real Estate) .....
and this financing statement is to be filed in the real estate record. (If the debtor does not have an interest or record) The name of a record owner is .....

4. (If products of collateral are claimed) Products of the collateral are also covered.

(Use whichever is applicable) Signature of Debtor (or Assignor) .....
Signature of Secured Party (or Assignee) .....

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party. An amendment does not extend the period of effectiveness of a financing statement. If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this chapter, unless the context otherwise requires,

HeinOnline -- 1989 vol. I 652 1989

the term "financing statement" means the original financing statement and any amendments.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to 30-9-103(5), or a financing statement filed as a fixture filing (30-9-313) when the debtor is not a transmitting utility, must show that it covers this type of collateral, must recite that it is to be filed in the real estate records, and the financing statement must contain a description of the real estate sufficient if it were contained in a mortgage of the real estate to give constructive notice of the mortgage under the law of this state. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner.

(6) (a) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if:

(i) the goods are described in the mortgage by item or type;

(ii) the goods are or are to become fixtures related to the real estate described in the mortgage;

(iii) the mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records; and

(iv) the mortgage is duly recorded.

(b) No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives *the social security number or tax identification number of the debtor and* the individual, partnership, or corporate name of the debtor, whether or not it adds other trade names or the names of partners. If the debtor so changes his name or in the case of an organization its name, identity, or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than 4 months after the change unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

(8) A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading."

Approved March 24, 1989.

# CHAPTER NO. 308

[HB 388]

AN ACT AUTHORIZING THE CREATION OF ROAD IMPROVEMENT DISTRICTS; PROVIDING FOR THE CREATION OF A DISTRICT UPON LANDOWNER PETITION TO THE BOARD OF COUNTY COMMISSIONERS; PROVIDING FOR THE ADMINISTRATION OF THE DISTRICT; AND PROVIDING OPTIONS FOR THE ASSESSMENT OF BENEFITED LAND IN THE DISTRICT FOR IMPROVEMENTS MADE BY THE DISTRICT.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Road improvement district — purpose — benefited property defined.** (1) The board of county commissioners may establish road improvement districts in those areas of the county that are not within the limits of an incorporated city or town.

(2) The purpose of a road improvement district is to allow a public entity to assess owners of parcels of land directly benefited by a proposed public road or a public road within the county that is not a county road or a highway to provide for the road's reconstruction, upgrade, repair, or maintenance. The county surveyor must determine that it would be physically impractical to improve the road to standard county road specifications.

(3) For the purposes of [this act], "benefited property" means land within the district that receives a direct benefit from the road for which the road improvement district was created. A parcel of land is not benefited property if the parcel is within the district solely because the road passes over the property to provide access to benefited property. A parcel of land within the district used solely for agricultural purposes is not considered benefited property.

Section 2. **Creation of road improvement district — resolutions — hearing.** (1) The board of county commissioners may establish a road improvement district upon petition of at least 60% of the landowners in the proposed district. The petition must:

HeinOnline -- 1989 vol. I 657 1989

(a) describe the boundaries of the proposed district;

(b) describe the proposed improvement;

(c) estimate the total cost of the improvement and suggest the method of making landowner assessments;

(d) if the improvement is a service, such as snowplowing, estimate the length of time the service is to be provided; and

(e) describe the manner of providing the improvement, such as through contract with a private party or local government.

(2) To establish a road improvement district, the board shall:

(a) pass a resolution of intent to form the district. The notice of intent to form the district must:

(i) be posted at three places within the proposed district;

(ii) be published as provided in 7-1-2121;

(iii) be mailed as provided in 7-1-2122 to every person, firm, or corporation or to the agent of the person, firm, or corporation owning real property within the proposed district listed in the name of the person, firm, or corporation upon the last completed assessment roll for state, county, and school district taxes; and

(iv) specify the method or methods by which the costs of the improvements are assessed against property in the district;

(b) (i) hold a public hearing no earlier than 30 days or later than 90 days after passage of the resolution of intent;

(ii) accept written protests at the hearing from property owners of the proposed district; and

(iii) receive general protests and comments at the hearing relating to the establishment of the road improvement district and its boundaries, service levels, or any other matter relating to the proposed district; and

(c) pass a resolution creating the road improvement district. The district is created effective 60 days after passage of the resolution unless by that date the owners of property in the district to be assessed for more than 50% of the cost of the proposed work, in accordance with the method or methods of assessment described in the resolution of intention, protest its creation.

(3) Based on testimony received in the public hearing, the board in the resolution creating the road improvement district may establish different boundaries or change the manner in which the area will provide services to its residents. The board may change district boundaries only if all landowners affected by the change were given written notice of the public hearing as provided in subsection (2)(a)(iii).

(4) The board of county commissioners may alter the boundaries or dissolve a road improvement district, using the same procedures required for the creation of a road improvement district. Any existing indebtedness of

HeinOnline -- 1989 vol. I 658 1989

a road improvement district that is dissolved remains the responsibility of the owners of benefited property within the district, and any assets remaining after all indebtedness has been satisfied must be returned to the owners of property within the district.

Section 3. **Authority to conduct improvements.** Upon petition of a majority of the landowners in a road improvement district, a board of county commissioners may authorize the reconstruction, upgrade, repair, maintenance, or other road improvement to be performed by the district. Before the board may authorize the improvement, notice must be mailed to the landowners of the road improvement district, as provided in 7-1-2122, and a public hearing must be held if one is requested in writing by any landowner in the district.

Section 4. **Cost of road improvement districts — property owner assessments.** (1) The cost of operating a road improvement district must be assessed upon all the benefited property in the district based upon the benefits received, and the board of county commissioners shall adopt one or any combination of the following methods of assessment for improvements made for the benefit of the district:

(a) Each parcel of benefited property assessed in such district may be assessed with that part of the whole cost which its assessable area bears to the assessable area of all the benefited parcels in the district, exclusive of roads and public places. For the purposes of this subsection (1)(a), "assessable area" means an area of a parcel of benefited property representing the benefit conferred upon the parcel by the improvement. Assessable area may be less than but may not exceed the actual area of the parcel.

(b) Each parcel of benefited property assessed in the district may be assessed with that part of the whole cost of the improvement based upon the assessed value of the benefited parcels of land within said district, if the board determines such assessment to be equitable in proportion to and not exceeding the benefits received from the improvement by the parcel.

(c) Each parcel of benefited property in the district abutting upon the road where the improvement has been made may be assessed in proportion to its lineal feet abutting the road.

(2) The board may use one or any combination of methods of assessment in a single road improvement district and, if more than one improvement is undertaken, need not assess each parcel of benefited property in the district for the cost of all the improvements.

(3) Not later than the first Monday in September of each year, the board of county commissioners shall adopt a resolution levying and assessing upon all the benefited property in the district an amount equal to the total amount necessary for district operations. The amount necessary for district operations is the total of:

(a) (i) the estimated amount for improvements as authorized in [section 3]; and

(ii) the amount necessary to pay for debts for authorized improvements that cost more than estimated in previous years;

HeinOnline -- 1989 vol. I 659 1989

(b) less any amount in the road improvement district fund, as provided for in [section 5], that may be unspent, unencumbered, and available for district use.

(4) (a) It is the duty of the county treasurer to collect the assessments in the same manner and at the same time as taxes for general purposes are collected.

(b) When an assessment becomes delinquent, the unpaid amount becomes a lien on the assessed parcel of land. The collection of delinquent assessments or enforcement of a lien may be made by any method authorized by law for the collection or payment of taxes.

Section 5. **Improvement district maintenance fund.** The money collected from the assessment provided for in [section 4] must be paid into a road improvement district fund. Each road improvement district shall have a separate road improvement district fund. The fund may only be used to pay for expenses incurred by the district.

Approved March 24, 1989.
